**Summary:** The County was awarded \$205,012 during the FY2015-16 grant cycle from the State of Florida Department of Health, Bureau of Emergency Medical Services, to improve and expand the EMS systems. The grant funding may be used by the County or municipal agencies to purchase EMS equipment and accordingly, the County has agreed to reimburse the municipalities as follows:  
1) Village of North Palm Beach for the purchase of one (1) Power Cot Fastening System in an amount not to exceed \$20,000; 2) Town of Palm Beach for the purchase of a Knox Medvault System not to exceed the amount of \$14,000; 3) City of West Palm Beach for the purchase of one (1) Zoll E-Series cardiac monitor not to exceed the amount of \$32,000; 4) Village of Tequesta for the purchase two (2) cardiac compression devices not to exceed the amount of \$24,200; 5) City of Riviera Beach for the purchase of one (1) controlled access pharmacy not to exceed the amount of \$15,500; and 6) City of Delray for the purchase of two (2) cardiac compression devices not to exceed the amount of \$32,000. The remaining EMS grant funding will be used to purchase EMS equipment for the benefit of the citizens of the County and surrounding municipal agencies. On August 13, 2013 the County Administrator or designee was authorized to execute these standard agreements between the County and various governmental and non-governmental/private entities and make non-substantive and ministerial changes on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office, and within budgeted allocations. There is no ad valorem funding required. Countywide (DC)

**Background and Justification:** Pursuant to Chapter 401, Part II, Florida Statutes, the State of Florida Department of Health, Bureau of Emergency Medical Services has established an Emergency Medical Services Trust Fund funded through a portion of every municipal and county moving violation fine including DUI convictions. The licensed EMS providers within Palm Beach County submit a proposal for training or equipment and reimbursement is provided by the County from their EMS Grant Fund. The proposals are reviewed by the staff of the Division of Emergency Management and Grant Review Committee of the EMS Advisory Council.
