I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: executed Interlocal Agreement with the City of Greenacres providing Emergency Medical Services (EMS) grant funding in an amount not to exceed \$10,000 for the purchase of medical equipment.

Summary: On January 29, 2016, the State of Florida Department of Health, Bureau of Emergency Medical Services approved the Department of Health EMS Grant Program Change Request in the amount of \$66,670.47 which represents rollover funding for improvement and expansion of the EMS systems and interest earned during the FY 2014-2015 grant cycle. The grant funding may be used by the County or municipal agencies to purchase EMS equipment and accordingly, the County has agreed to reimburse the City of Greenacres for the purchase of tablets for patient recording not to exceed the amount of \$10,000. The remaining EMS grant funding will be used to purchase EMS equipment for the benefit of the citizens of the County and surrounding municipal agencies. On August 13, 2013, the County Administrator or designee was authorized to execute these standard agreements between the County and various governmental and non-governmental/private entities and make non-substantive and ministerial changes on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office, and within budgeted allocations. **There is no ad valorem funding required. Countywide (LDC)**

Background and Justification: Pursuant to Chapter 401, Part II, Florida Statutes, State of Florida Department of Health, Bureau of Emergency Medical Services has established an Emergency Medical Services Trust Fund, funded through a portion of every municipal and county moving violation fine including DUI convictions. The licensed EMS providers within Palm Beach County submit a proposal for training or equipment and reimbursement is provided by the County from their EMS Grant Fund. The proposals are reviewed by the staff of the Division of Emergency Management and Grant Review Committee of the EMS Advisory Council.
