**EMERGENCY SERVICES AGREEMENT
FOR MUTUAL ASSISTANCE AND AUTOMATIC AID
BETWEEN PALM BEACH COUNTY AND THE CITY OF BOCA RATON**

THIS EMERGENCY SERVICES AGREEMENT FOR MUTUAL ASSISTANCE AND AUTOMATIC AID (the "Agreement") is made and entered into on _____, by and between PALM BEACH COUNTY, FLORIDA, a political subdivision of the State of Florida (hereinafter the "County"), by and through its Board of County Commissioners, and the CITY OF BOCA RATON, a Florida municipal corporation located in Palm Beach County, Florida (hereinafter the "City").

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969," authorizes local governments to make the most efficient use of their power by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, each of the parties to this Agreement presently maintains a fire-rescue department with fire rescue equipment, fire fighting personnel, emergency medical equipment, emergency medical personnel, and other emergency capabilities; and

WHEREAS, it is deemed mutually advantageous to enter into this Agreement providing for mutual assistance/automatic aid in times of emergency where the need created may be too great for either party to deal with unassisted or where a closest unit response is agreeable and in the public interest; and

WHEREAS, the City and the County desire to enter into this Agreement as a means to further enhance the fire-rescue services that they currently provide within their respective jurisdictions.

NOW, THEREFORE, in consideration of the terms and conditions set forth herein and the benefits following from each to the other, the County and the City do hereby agree as follows:

ARTICLE I: MUTUAL ASSISTANCE AND AUTOMATIC AID

Section 1. Request for Assistance/Aid. The County and the City agree to provide emergency mutual assistance and automatic aid to each other for Fire Suppression, Emergency Medical Services, and Technical Rescue, within the terms and conditions set forth by this Agreement. The assistance/aid provided for by this Agreement shall extend to areas served by the parties through service agreements. Emergency mutual assistance/automatic aid will be given when properly requested unless the party from whom assistance is requested determines in accordance with Section 4 of this Article that

it is unable to respond. The party requesting assistance and/or aid shall provide the following information at the time the request is made:

- A. The general nature, type and location of the emergency; and
- B. The type and quantity of equipment and/or personnel needed; and
- C. The name and rank of the person making the request.

All requests shall be directed through the County's emergency communications center. The following officials of the participating parties are authorized to request assistance and aid under this Agreement: the respective Fire Chiefs, Assistant or Deputy Fire Chiefs, or Incident Commanders.

Section 2. Command Authority. In the event of an emergency which requires additional assistance, the Fire Chief of the jurisdiction in which the incident is located, or in his absence, the Assistant or Deputy Fire Chief or the Incident Commander, will direct the activities at the scene where the emergency exists, but personnel responding to the call will remain under the command of their own officers at all times. Each party shall retain control over its personnel and the rendition of services, standards of performance, discipline of officers and employees, and other matters incidental to the performance of services. Each party authorizes its Fire Chief or designee to meet with the other party's Fire Chief or designee and develop automatic aid/closest unit response plans and procedures, including but not limited to details regarding areas to be serviced and type and/or level of response, when the Fire Chiefs have determined that improved response times or other forms of efficiency within their respective jurisdictions and/or service areas may be achieved. Such automatic aid/closest unit response plans and procedures may be set forth in a Letter(s) of Understanding between the Fire Chiefs. The County Administrator or designee (Fire Rescue Administrator) and the City's Fire Chief are hereby authorized to enter into and amend said Letter(s) of Understanding on behalf of their respective parties, consistent with this Agreement and policies and procedures, if any, of the respective parties. The Fire Chiefs are also authorized to promulgate necessary administrative regulations and orders to implement and administer these plans and procedures.

Section 3. Remuneration. All costs associated with providing mutual assistance and automatic aid services under this Agreement shall be the responsibility of the agency rendering assistance/aid. Neither agency shall seek reimbursement of cost associated with rendering mutual assistance and/or automatic aid services from the other agency.

The parties further agree that the agency rendering assistance/aid may request reimbursement for any expenditure of goods or services directly from the persons, parties, or company involved in, causing, or responsible for, the incident at the sole discretion of the agency rendering aid or assistance. If the agency rendering assistance/aid for emergency medical services provides transport service, then that

transporting agency may request reimbursement for the transport service from the patient to the extent permitted by law. The agency rendering service will handle billing, insurance claims and collection in accordance with their policies and procedures and any applicable laws and regulations, including the latest Federal Medicare guidelines if applicable.

If the rendering agency invoices the responsible party for the incident for reimbursement of the goods and services provided, a copy of such invoice shall be forwarded to the requesting agency as a matter of courtesy, provided however that the parties shall not provide copies of transport fee invoices to the other party or otherwise use or disclose Protected Health Information (“PHI”) or Electronic Protected Health Information (“e-PHI”) except as permitted by the Health Insurance Portability and Accountability Act, as amended, and the regulations promulgated thereunder (collectively “HIPAA”), and any other applicable laws and regulations, all as may be amended from time to time.

Section 4. Ability to Respond. Each party may refuse to respond to a request for assistance/aid in the event it does not have the required equipment or manpower available or if, in its sole judgment, compliance with the request would jeopardize the protection of its own jurisdiction or personnel. Notwithstanding anything herein that may be construed to the contrary, the parties understand and agree that it is not the intention of the parties to subsidize the normal day-to-day operations or shortages in staffing or equipment of the other party and that the mutual assistance/automatic aid provided hereunder is intended to be mutual in nature.

ARTICLE II: GENERAL CONTRACT TERMS

Section 1. Preambles. The facts set forth in the preambles to this Agreement are true and correct and are hereby reaffirmed by the parties.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

Section 16. No Third Party Beneficiary.
