I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: fully executed Project Agreement Amendment with the Florida Inland Navigation District (FIND) Waterways Assistance Program Grant PB-14-181 for the construction of Waterway Park extending the project completion date from September 1, 2016, to September 1, 2017.

Summary: The County was awarded a \$1,254,604 FIND grant in 2013 to fund a portion of the construction cost associated with the development of Waterway Park in northern Palm Beach County. The term of the grant agreement, R2014-0619, was from October 20, 2014, to September 1, 2016. Due to unanticipated permitting delays, construction did not commence until January, 2016, with substantial completion expected this December. The County applied for and was awarded a one year project completion extension. There are no other changes to the terms of the Agreement as a result of this Amendment. The fully executed Project Agreement Amendment is now being submitted to the Board to receive and file. District 1 (AH)

Background and Justification: On May 6, 2014, the Board authorized the submission of a Waterways Assistance Program grant application, R2014-0619, to fund a portion of the construction costs associated development of Waterway Park. The Board also authorized the County Administrator or designee to execute the Project Agreement (FIND Project No. PB-14-181) and other grant forms related to this project.

A Project Agreement Amendment was approved by FIND granting a one year time extension and was executed on behalf of the County by the Parks and Recreation Department Director serving as the County Administrator's designee. The Department is now submitting the Project Agreement Amendment to the Board to receive and file.
