Continued From Page 1

Summary: In accordance with County PPM CW-0-051, all delegated contracts/agreements/grants/procurement items must be submitted by the initiating Department as a receive and file agenda item and are attached unless the documents have been recorded in the Public Records of Palm Beach County. The documents have been fully executed on behalf of the Board of County Commissioners (BCC) by the Director of the Water Utilities Department (WUD) in accordance with Resolutions R93-1619, R96-0228, and R2003-0539 and are now being submitted to the BCC to receive and file.

In accordance with County PPM CW-F-050, any item(s) that cause the cumulative time limit to exceed one hundred twenty (120) days shall be presented to the Board of County Commissioners as a Receive and File item. Change Orders #4 and #7 have exceeded the threshold and are attached for receive and file. (Districts 2, 3, 5 and 6) (MJ)

Background and Justification: Water Utilities Department's Uniform Policies and Procedures require Standard Development Agreements to obtain concurrency for water and/or wastewater service. The terms and conditions for Standard Development Agreements are outlined in the WUD Uniform Policies and Procedures Manual. The BCC delegated the authority to execute various types of Standard Development Agreements, and related documents including Standard Indemnity Agreements to the Department Director including potable water and wastewater agreements (R93-1619); reclaimed water agreements (R96-0228); and additional conditions for potable water, wastewater, and reclaimed water agreements (R2003-0539).

The Agreements have been executed on behalf of the BCC by the Director of WUD in accordance with the authority delegated by the BCC, and are now being submitted to the BCC to receive and file.

A) Utility Concurrency Reservation Agreement with Greenaces Construction and Development, LLC, #02-01147-000. The Agreement allows the Developer located on the west side of Jog Rd., south of 10th Ave. N to demonstrate reservation of 39.1 Equivalent Residential Connections (ERC's) for potable water and 42.1 ERC's for wastewater capacity in order to obtain concurrency and proceed with developmental approvals. (District 2)

B) Unilateral Termination and Partial Release of Standard Water and Wastewater Development Agreement Due to Non-Renewal with Spots, Inc., #01-01198-000. The Property Owner requested the Termination to be recorded to clear any cloud on the Title. (District 2)

C) Unilateral Termination and Partial Release of Standard Water and Wastewater Development Agreement Due to Non-Renewal with Tidal Wave Management Corp. and Tidal Wave Development Corp., #01-01196-000. The Property Owner requested the Termination to be recorded to clear any cloud on the Title. (District 2)

D) Unilateral Termination and Partial Release of Standard Water and Wastewater Development Agreement Due to Non-Renewal with Tidal Wave Management Corp. and Tidal Wave Development Corp., #01-01207-000. The Property Owner requested the Termination to be recorded to clear any cloud on the Title. (District 2)

E) Unilateral Termination and Partial Release of Standard Water and Wastewater Development Agreement Due to Non-Renewal with Tidal Wave Investment Corporation, Inc. #01-01073-000. The Property Owner requested the Termination to be recorded to clear any cloud on the Title. (District 2)

F) Unilateral Termination and Partial Release of Standard Water and Wastewater Development Agreement Due to Non-Renewal with Tidal Wave Investment Corporation, Inc. #01-01073-001. The Property Owner requested the Termination to be recorded to clear any cloud on the Title. (District 2)

G) Standard Potable Water and Wastewater Development Renewal Agreement with Mission Lakes I LLC and Mission Lakes II LLC, #02-01127-000. The Agreement authorizes the Property Owner located on the northeast corner of Lantana Rd. and State Rd. 7 to renew their reservation of 6.9 ERC's for an additional five (5) years. (District 2)

H) Standard Potable Water and Wastewater Development Agreement with Columbia/Wegman Lake Worth, LLC, #02-01142-001. The Agreement authorizes the Property Owner located on the southeast corner of State Rd. 7 and Woodwind Ln. to reserve 44.4 ERC's for both potable water and wastewater for five (5) years. (District 3)

Continued From Page 3

I) Standard Potable Water and Wastewater Development Agreement with Divine Savior Lutheran Church and Academy – Delray, Inc., #09-01081-000. The Agreement authorizes the Property Owner located on the west side of Lyons Rd. approximately one-mile south of Atlantic Ave. on the SW corner of 158th Rd. and Lyons Rd. to reserve 16.25 ERC's for both potable water and wastewater for five (5) years. (District 5)

J) Standard Potable Water and Wastewater Development Agreement with Standard Pacific of Florida GP, Inc. #05-01119-000. The Agreement authorizes the Property Owner located approximately 4,100 feet north of West Boynton Beach Blvd. and Lyons Rd. to reserve 289.8 ERC's for both potable water and wastewater for five (5) years. (District 5)

K) Change Order No. 4 for Southwest Belle Glade Water Main and Water Services Replacement with B&B Underground Contractors, Inc. Change Order No. 4 provides for an additional 29 days due to unanticipated conditions encountered in the implementation of the project. The additional required days will exceed the 120-day cumulative limit allowed under PPM #CW-F-050. Pursuant to the terms of the PPM, the item that causes the limitation to be reached shall be filed with the BCC as a Receive and File item. (District 6)

L) Change Order No. 7 for Water Treatment Plant 2 Filter Replacement with MWH Constructors, Inc. Change Order No. 7 provides for an additional 25 days due to unanticipated conditions encountered in the implementation of the project. The additional required days will exceed the 120-day cumulative limit allowed under PPM #CW-F-050. Pursuant to the terms of the PPM, the item that causes the limitation to be reached shall be filed with the BCC as a Receive and File item. (District 2).

M) Indemnity Agreement with Atlantic Land Investments, LLC. The Indemnity Agreement indemnifies the County against any liability arising from the installation of heavy duty pavement within the utility easement on the subject property by the Property Owner. (District 6)

UTILITY CONCURRENCY RESERVATION AGREEMENT

THIS UTILITY CONCURRENCY RESERVATION AGREEMENT is made and entered into this 12th day of September, 2016, by and between Palm Beach County, a political subdivision of the State of Florida, hereinafter referred to as "Utility" and GREENACRES CONSTRUCTION AND DEVELOPMENT, LLC, hereinafter referred to as "Developer."

WITNESSETH:

WHEREAS, Developer plans to develop property located in Palm Beach County, Florida, as more fully described in Exhibit "A," attached hereto and made a part hereof and hereinafter referred to as "Property"; and

WHEREAS, Developer does not own all portions of Property, but must demonstrate reservation of:

Potable Water [X] Wastewater [X] Reclaimed Water []

capacity in Utility system ("Capacity") in order to obtain concurrency and proceed with the developmental approvals for the Property; and

WHEREAS, Utility warrants that Capacity, identified in terms of Equivalent Residential Connections (ERC) as defined in the Utility's Uniform Policies and Procedures Manual (UPAP), will be reserved for Developer for up to five (5) years upon execution of this Utility Concurrency Reservation Agreement ("UCRA") and payment of a Utility Concurrency Fee ("UCF"); and

WHEREAS, in the interest of public health and to encourage the use of central potable water, wastewater, and/or reclaimed water facilities, Utility desires to enter into this UCRA.

NOW THEREFORE, in consideration of the mutual covenants and agreements expressed herein, the parties hereby agree as follows:

- 1. Developer certifies that he is currently under contract to purchase, or has an option to purchase, those portions of Property that he does not already own.
2. The Capacity reserved by this UCRA is temporary in nature and will expire in five (5) years of the date this UCRA is executed and the applicable UCF is paid.
3. This UCRA will not be recorded in the official Public Records against Property.
4. The UCF may be credited toward the Mandatory Agreement Payment (MAP) as defined in the UPAP and as required by Utility in order to obtain a Standard or Non-Standard Development Agreement (DA) on Property before the expiration of this UCRA. In the case of a rate increase after execution of this UCRA, additional MAP funds will be due at the time of entering into a DA. Once a DA has been entered into for Property, then this UCRA shall automatically expire.
5. Developer may assign his interests in and under this UCRA to a Successor Developer who meets the requirements in Section 1 above. Upon such assignment, (i) the assignee shall assume and be bound by all of the terms, conditions, duties, obligations and liabilities of and under this UCRA and become the "Successor Developer" hereunder; and (ii) Developer shall be released from all of the terms and conditions of this UCRA and have no further duty, obligation and/or liability hereunder. The assignment of this UCRA shall not extend the term of the original UCRA.

UCRA # 02-01147-000

The number and type of ERCs reserved through, and the UCF due upon submission of, this UCRA are:

Potable Water:	\$221.16 per ERC x	39.10 ERCs =	\$8,647.36
Wastewater:	310.44 per ERC x	42.10 ERCs =	\$13,069.52
Reclaimed Water:	\$0.00 per ERC x	0.00 ERCs =	\$0.00
		UCF DUE	<u>\$21,716.88</u>

6. UCF payments are not refundable, not reimbursable, and not assignable except as identified above or as allowable in UPAP.
7. This UCRA must be converted to a DA prior to final site plan approval by Palm Beach County's Development Review Committee.
8. The UCRA's Approval Date shall be used to determine the DA's five-year expiration date if the UCF payment is credited against the DA's MAP.
9. Developer agrees that Utility shall be the sole and exclusive provider of retail and/or wholesale Potable Water, Wastewater, and Reclaimed Water service to the Property and that Developer shall not seek to obtain retail and/or wholesale Potable Water, Wastewater, or Reclaimed Water service for the property from another public or private utility service provider.
10. All notices concerning this UCRA shall be in writing and transmitted by mail or courier, and if to Developer, shall be mailed or delivered to Developer at:

**1139 Green Turtle Lane
West Palm Beach, FL 33411**

And if to Utility, shall be mailed Palm Beach County Water Utilities Department, Contract Management Section, P.O. Box 16097, West Palm Beach, FL 33416-6097, or delivered to 8100 Forest Hill Blvd., West Palm Beach, FL.

11. Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421-2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of the Developer(s), its officers, agents, employees, and lobbyists in order to ensure compliance with contract requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

12. No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a third party to this Agreement, including, but not limited to, any citizen or employees of Palm Beach County and/or Greenacres Construction and Development.

IN WITNESS WHEREOF, the parties, by and through their fully authorized agents, have hereunto set their hands and seals on the date first above written.

Re: WTP No. 2 Filter Replacement, MWHC Job No. 30500465

Dear Mr. Riccobono,

In accordance with SECTION 01324A, Article 1.18 paragraph A.2 Excusable Delays, we hereby request a Contract Time Adjustment of 25 calendar days.

Due to operational concerns and system demands of the existing plant facilities, the availability of the water supply necessary to perform new filter backwashing and checkout has been limited and consequently has extended the time required to reach substantial completion. In addition, work time was limited due to the review time by the health department in granting partial system clearances.

Sincerely,

Mario Gimma Jr.
