**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve: an Interlocal Agreement for Specified Fire Prevention Services with the Town of Palm Beach Shores (Town) effective October 1, 2016, through September 30, 2019.

**Summary:** This Agreement provides for the provision of certain specified services, including fire inspections and new construction plan review and inspections, on applicable buildings and structures located within the incorporated boundaries of the Town in accordance with the Florida Fire Prevention Code. The County will invoice the Town on a monthly basis for the services within the terms of this Agreement. Fees will be calculated in accordance with the County's fee schedule in effect at the time of service. These same specified services were included in an Interlocal Agreement (R2013-1594) that expired on September 30, 2016. The retroactive effective date is a result of the Town's delay in the delivery of the signed agreement. The proposed Agreement is for a three (3) year period through September 30, 2019. District 1 (PK)

**Background and Justification:** Palm Beach County currently provides dispatch (R2011-0771), and fire vehicle maintenance services (R2013-0620) to the Town. There are approximately 120 properties associated with the specified fire inspection and plan review services relating to this Agreement.
