**I. EXECUTIVE BRIEF**

**Motion and Title:** Staff recommends motion to approve:

- A) a second amendment to the annual construction materials testing, geotechnical engineering & inspection contract with Dunkelberger Engineering & Testing, Inc. (DET), R2014-1662, whose original contract was dated November 18, 2014;
- B) a second amendment to the annual construction materials testing, geotechnical engineering & inspection contract with Professional Service Industries, Inc. (PSI), R2014-1663, whose original contract was dated November 18, 2014; and
- C) a second amendment to the annual construction materials testing, geotechnical engineering & inspection contract with Radise International, L.C. (Radise), R2014-1661, whose original contract was dated November 18, 2014.

**SUMMARY:** Approval of the second amendments with DET, PSI and Radise will extend the required professional services for one year, on a task order basis. These amendments are the final renewals allowed in the original contracts. The amendments with DET, PSI and Radise will extend the expiration date of the contracts from November 17, 2016 to November 17, 2017. To date, tasks in the amount of \$104,010.23 have been authorized for DET with 13.87% Small Business Enterprise (SBE) participation which is currently less than their commitment of 35%. To date, tasks in the amount of \$71,586 have been authorized for PSI with 35.30% SBE participation which exceeds their commitment of 30%. To date, tasks in the amount of \$41,135 have been authorized for Radise with 100% SBE participation which exceeds their commitment of 95%. DET has been notified that they will need to improve their SBE participation during the final year of their contract to meet their commitment. They responded via letter stating that they will add an additional SBE firm (Nutting Engineers) as a subconsultant to help them increase their SBE participation and ultimately meet their commitment. The consultants are all Palm Beach County based companies. Radise is a certified SBE firm. Countywide (PM)

**Background and Justification:** In accordance with Board of County Commissioners (BCC) adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act, DET, PSI and Radise were selected to perform professional services relative to Palm Beach County (County) needs. They have been under contract with the County, on an annual contractual basis. It is the consensus of the user departments that these consultants have, within the provisions of their contracts, provided the professional services requested by the County. Since the consultants remain in good standing and wish to continue to provide the professional services as indicated in their contracts, staff is recommending renewing their contracts for the third, and final, year. These amendments will extend the expiration dates and maintain the continuous process of professional services required by the County.

**Attachments:**

1. Second Amendment Contract with Dunkelberger Engineering & Testing, Inc. with Exhibit B2 and Certificate of Insurance (2)
2. Second Amendment Contract with Professional Service Industries, Inc. and Certificate of Insurance (2)
3. Second Amendment Contract with Radise International, L.C. with Exhibit B2 and Certificate of Insurance (2)
