Agenda Item #: 3H-2

PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS AGENDA ITEM SUMMARY

Meeting Date:	December 20, 2016	[X] Consent [] Ordinance	[] Regular [] Public Hearing	
Department:	Facilities Developmen	t & Operations		

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

- **A)** adopt a Resolution authorizing the conveyance of the County's interest in six (6) parcels of surplus property to the City of West Palm Beach without charge pursuant to Florida Statutes Section 197.592(3), and with reservation of mineral and petroleum rights, but without rights of entry and exploration; and
- **B)** approve six (6) County Deeds in favor of the City of West Palm Beach.

Summary: The County recently acquired via tax deed escheatment six (6) parcels located within the municipal boundaries of the City of West Palm Beach with a collective assessed value of \$69,403. The parcels serve no present or future County purpose. The parcels are being conveyed to the City pursuant to Florida Statutes Section 197.592(3), which requires the conveyance of surplus property acquired by tax deed to the municipality in which it is located. The County will retain mineral and petroleum rights in accordance with Florida Statutes Section 270.11, without rights of entry and exploration. This conveyance must be approved by a Supermajority Vote (5 Commissioners). (PREM) District 7 (HJF)

Background and Justification: The six (6) parcels total 0.73 acres and range in size from 0.06 acres to 0.22 acres. The total assessed value of the six (6) parcels is \$69,403 and the parcels vary in value from \$5,000 to \$24,831. Five (5) of the parcels are vacant and one (1) parcel is improved with an uninhabitable house. As no parcel exceeds \$25,000 in value, appraisals are not required. PREM, in response to direction from the Real Estate Assets Task Force, has developed a program to convey to the municipalities in which they are located surplus County property which provides little opportunity While three of the parcels are of sufficient size to be used for to further a County function. development of affordable housing, Staff feels strongly that the most cost effective method to dispose of these properties is to convey them at no cost to the City, as the municipality is in a better position to determine how these properties should be used and maintained. The City is proposing to convey one of the parcels to NCCI for development of the NW Community Health Center. This conveyance to the City will relieve the County of potential liability for occurrences on the properties. In addition, the City is proposing to levy Non Ad Valorem assessments against these properties to fund the costs of nuisance abatement. These assessments total approximately \$4,565.00 and will make it expensive to hold these properties and decrease any potential net sales proceeds. A Disclosure of Beneficial Interests is not required since this transaction is between the County and another governmental agency.
