PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS

AGENDA ITEM SUMMARY

Meeting Date: January 10, 2017

[X] Consent
[] Ordinance

[] Regular [] Public Hearing

Department:

Department of Economic Sustainability

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: Amendment No. 1 to the Financial Assistance Award (R2016-0568) with the U.S. Economic Development Administration (EDA) for infrastructure improvements at the Lake Worth Park of Commerce. The grant provides funding to upgrade Boutwell Road from 10th Avenue North to Joyce Avenue, and to extend water and sewer lines along Boutwell Road from Joyce Avenue to 4th Avenue North.

Summary: In accordance with County PPM CW-0-051, all delegated contracts, agreements, and grants must be submitted by the initiating Department as a Receive and File agenda item. The attached document has been executed on behalf of the Board of County Commissioners (BCC) by the Mayor, in accordance with Resolution(s)/Agenda Item(s) 5E-1 as approved by the BCC on August 18, 2015. This Amendment provided a time extension for the acquisition of easements and rights-of-way necessary for the implementation of infrastructure improvements at the Lake Worth Park of Commerce. This executed document is now being submitted to the BCC to receive and file. These are Federal EDA funds which require a local match to be provided by the City of Lake Worth as the Lead Applicant. No County local match is required. District 3 (JB)

Background and Justification: On February 12, 2016, the EDA informed the City of Lake Worth and the County of the approval of a \$1,389,100 grant for infrastructure improvements to support the development of the Lake Worth Park of Commerce. A Financial Assistance Award (R2016-0568) was subsequently executed with the EDA by the City and the County for the receipt of this grant. The total project cost is estimated at \$5,426,600 and the entire local match to the grant will be provided by the City with no funds coming from the County. The Financial Assistance Award provided 90 days to acquire all necessary easements and rights-of-way. The complicated nature of these acquisitions required more time than was available, thereby resulting in execution of Amendment No. 1 to the Financial Assistance Award which extended the acquisition deadline from August 1, 2016 to October 12, 2016. Approval of this agenda item will receive and file Amendment No. 1 to the Financial Assistance Award with the Clerk of the Court.

Attachments:

1. Amendment No. 1 to the Financial Assistance Award with EDA

2. Financial Assistance Award with EDA

EXHIBIT "A"

U.S. DEPARTMENT OF COMMERCE Economic Development Administration (EDA)

Public Works and Development Facilities

Investment No.: 04-01-07113

Recipient: City of Lake Worth and Palm Beach County Board of County Commissioners, Florida

SPECIAL AWARD CONDITIONS

1. PROJECT DEVELOPMENT TIME SCHEDULE: The Recipient agrees to the following Project development time schedule:

Time allowed after Receipt of Financial Assistance Award for:

Project Closeout – All Project closeout documents including final financial information and any required program reports shall be submitted to the Government not more than 90 day after the date the Recipient accepts the completed project from the contractor(s).

The Recipient shall pursue diligently the development of the Project so as to ensure completion within this time schedule. Moreover, the Recipient shall notify the Government in writing of any event, which could delay substantially the achievement of the Project within the prescribed time limits. The Recipient further acknowledges that failure to meet the development time schedule may result in the Government's taking action to terminate the Award in accordance with the regulations set forth at 15 CFR 24.43 (53 Fed. Reg. 8048-9, 8102, March 11, 1988).

2. GOALS FOR WOMEN AND MINIORITIES IN CONSTRUCTION: Department of Labor regulations set forth in in 41 CFR 60-4 establish goals and timetables for participation of minorities and women in the construction industry. These regulations apply to all Federally assisted construction contracts in excess of \$10,000. The Recipient shall comply with these regulations and shall obtain compliance with 41 CFR 60-4 from contractors and subcontractors employed in the completion of the Project by including such notices, clauses and provisions in the Solicitations for Offers or Bids as required by 41 CFR 60-4. The goal for the participation of women in each trade area shall be as follows:

From April 1, 1981, until further notice: 6.9 percent

All changes to this goal, as published in the <u>Federal Register</u> in accordance with the Office of Federal Contract Compliance Programs regulations at 41 CFR 60-4.6, or any successor regulations, shall hereafter be incorporated by reference into these Special Award Conditions.

Goals for minority participation shall be as prescribed by Appendix B-80, <u>Federal Register</u>, Volume 45, No. 194, October 3, 1980, or subsequent publications. The Recipient shall include the "Standard Federal Equal Employment Opportunity Construction Contract Specifications" (or cause them to be included, if appropriate) in all Federally assisted contracts and subcontracts. The goals and timetables for minority and female participation may not be less than those published pursuant to 41 CFR 60-4.6.

- 3. REPORT ON UNLIQUIDATED OBLIGATIONS: All Recipients of an EDA grant award of more than \$100,000 whose Award has not been fully disbursed is required to submit Form SF-425, "Financial Status Report" to EDA semi-annually to report on the status of unreimbursed obligations. This report will provide information on the amount of allowable Project expenses that have been incurred, but not claimed for reimbursement by the Recipient. The first report shall be as of March 30 of each year and shall be submitted to EDA no later than April 30 of each year, and the second report shall be as of September 30 of each year and shall be submitted to EDA no later than October 30 of each year. The Recipient must submit a final financial report using Form SF-425 within 90 days of the expiration date of the Award (or from the date the Recipient accepts the Project from the contractor, whichever occurs earlier). Noncompliance with these requirements will result in the suspension of disbursements under this Award. Financial reports are to be submitted to the Project Officer.
- 4. PRESERVATION OF OPEN COMPETITION AND GOVERNMENT NEUTRALITY TOWARDS GOVERNMENT CONTRACTORS LABOR RELATIONS ON FEDERAL AND FEDERALLY FUNDED CONSTRUCTION PROJECTS: Pursuant to E.O. 13202, "Preservation of Open Competition and Government Neutrality Towards Government Contractors' Labor Relations on Federal and Federal Funded Construction Projects," unless the Project is exempted under section 5(c) of the order, bid specifications, project agreements, or other controlling documents for construction contracts awarded by Recipients of grants or cooperative agreements, or those of any construction manager acting on their behalf, shall not: a) include any requirement or prohibition on Bidders, Offerors, Contractors, or Subcontractors about entering into or adhering to agreements with one or more labor organizations on the same or related construction Project(s); or b) otherwise discriminate against Bidders, Offerors, Contractors, or Subcontractors for becoming or refusing to become or remain signatories or otherwise to adhere to agreements with one or more labor organizations, on the same or other related construction Project(s).

- 5. ENGINEERING CERTIFICATE/CERTIFICATE OF TITLE: The Recipient, prior to Solicitation of bids for construction of this Project, shall furnish to the Government an acceptable Engineering Certificate showing all lands, rights-of-way and easements necessary for construction of this Project along with an acceptable Certificate of Title on said lands, rights-of-way and easements showing good and merchantable title free of mortgages or other foreclosable liens.
- 6. CONSTRUCTION START: If significant construction (as determined by EDA) is not commenced within two years of approval of the project or by the date estimated for start of construction in the grant award (or the expiration of any extension granted in writing by EDA), whichever is later, the EDA grant will be automatically suspended and may be terminated if EDA determines, after consultation with the grant recipient, that construction to completion cannot reasonably be expected to proceed promptly and expeditiously.
- 7. NONRELOCATION: In signing this award of financial assistance, Recipient(s) attests that EDA funding is not intended by the Recipient to assist its efforts to induce the relocation of existing jobs that are located outside of its jurisdiction to within its jurisdiction in competition with other jurisdictions for those same jobs. In the event that EDA determines that its assistance was used for those purposes, EDA retains the right to pursue appropriate enforcement action in accord with the Standard Terms and Conditions of the Award, including suspension of disbursements and termination of the award for convenience or cause.
- 8. REFUND CHECKS, INTEREST OR UNUSED FUNDS: Treasury has given the EDA two options for having payments deposited to our account with it:

The first one is Pay.Gov. This option allows the payee to pay EDA through the Internet. The payee will have the option to make a one-time payment or to set up an account to make regular payments.

The second option is Paper Check conversion. All checks must identify on their face the name of the DoC agency funding the award, award number, and no more than a two-word description to identify the reason for the refund or check. A copy of the check should be provided to the Federal Project Officer. This option allows the payee to send a check to NOAA's accounting office, who processes EDA's accounting functions at the following address: U.S. Department of Commerce, National Oceanic and Atmospheric Administration, Finance Office, AOD, EDA Grants, 20020 Century Boulevard, Germantown, MD 20874. The accounting staff will scan the checks in encrypted file to the Federal Reserve Bank, and the funds will be deposited in EDA's account. While this process will not be an issue with most payees who are corporations, it could be an issue for individuals sending EDA funds. Please make note of the following.

Notice to Customers Making Payment by Check

If you send EDA a check, it will be converted into an electronic funds transfer by copying your check and using the account information on it to electronically debit your account for the amount of the check. The debit from your account will usually occur within 24 hours and will appear on your regular account statement.

You will not receive your original check back. Your original check will be destroyed, but a copy of it will be maintained in our office. If the EFT cannot be processed for technical reasons, the copy will be processed in place of the original check. If the EFT cannot be completed because of insufficient funds, we will charge you a one-time fee of \$25.00, which will be collected by EFT.

9. SCOPE OF WORK: Recipient(s) agrees to undertake, prosecute and complete the Scope of Work (SOW) for this Project funded by this Award which SOW is approved and agreed to by the Government as subsequently amended in mutually agreed upon written change order(s) and/or SOW amendment(s), if any. The SOW shall be as set forth and described in a.) the application submitted by Recipient(s) and/or Recipient's authorized representative(s) to the Government for this Award together with b.) all enclosures, materials, documents and other submittals accompanying and supporting the application, c.) all additional materials, documents and/or correspondence requested by the Government and submitted by Recipient(s) and/or Recipient's authorized representative(s) in support and furtherance of the application and d.) such change(s) and/or SOW amendments, if any, requested in writing by the Recipient(s) and/or Recipient's authorized representative subsequent to the date of this Award and approved and agreed to in writing by the Government. To the extent such additional materials, documents and/or correspondence amends and/or clarifies the application, such amendment or clarification shall be controlling. It is agreed that the Recipient(s) and Government intend that the SOW describes a discrete, detailed and specific project that is funded and authorized by this Award and to that end the application and the above described additional information shall be fairly construed to and shall describe the SOW. The scope of work for this project is further described below:

This investment will provide for infrastructure improvements on Boutwell Road from 10th Avenue North to Joyce Avenue, to include Joyce Avenue; water and sewer improvements along Boutwell Road from Joyce Avenue to 4th Avenue North. The work will include removal of existing asphalt base and pavement (5 acres); road reconstruction (2,655 LF) to a three lane cross-section; Curbing (6,328 LF), driveway aprons (460 SY) and sidewalks (2,947 SY); Upgrades for potable water (2,940 LF of 6" - 12" water mains); Upgrades for sewage (3,015 LF of 4" - 12" force mains); Stormwater management (2,543 LF of 18"-30" piping and 6,125 CY of dry detention area) including bio-swales; Landscaping and Irrigation; street lighting; Undergrounding the power, telephone and cable TV, and providing telecommunications.

 PROJECT ADMINISTRATION SERVICE AGREEMENT: The Recipient, prior to any grant disbursement, must submit to the Government for approval a Project Administration Service Agreement for project administration services charged against the grant award.

- 11. LEGAL RIGHT-OF-WAY: Recipients confirm and agree that (a) Recipients are committed during the Estimated Useful Life of the Project to operate, maintain and repair all improvements for the project consistent with this Award, and (b) if at any time during the Estimated Useful Life of the Project any or all of the improvements in the project within public highway(s) are relocated for any reason pursuant to requirements of the owner of the public highway, the Recipients shall be responsible for accomplishing the relocation, including as necessary expending the Recipients' non-Government funds, so that the Project continues as authorized by this Award. Prior to soliciting bids for the improvements to be constructed with funds from this Award, Recipients shall submit to the Government all written authorization(s) (i.e. State permits) necessary for the Project to be constructed within the public highway. The authorization(s) shall have no time limits that restrict the use of the public highway for the Project during the Estimated Useful Life of the Project. It is determined and agreed that the Estimated Useful Life of this Project is 20 years.
- LEAD RECIPIENT DESIGNATION AND OBLIGATIONS: This Award is made to multiple 12. Recipients as identified in the Financial Assistance Award Form CD-450 to which these Special Award Conditions are attached. The Government requested that one of the Recipients be designated as the lead recipient to facilitate the administration of this Award. The Recipient named first in the Recipient name block on the CD-450 to which this Exhibit "A" is attached has agreed in writing to be designated as lead recipient (Lead Recipient). The co-recipients acknowledge, agree with and consent to this designation and authorize and consent to the Lead Recipient taking and performing the obligations set forth below in this Special Award Condition. A.) The Recipients agree that all funds available pursuant to this Award shall be solely disbursed by the Government to the Lead Recipient. The Lead Recipient agrees to be responsible for the further disbursement of all such funds received from the Government pursuant to this Award strictly in accordance with the Budget attached to this Award. Such disbursement by the Lead Recipient shall be made in accordance with all applicable requirements of the Government as identified and set forth on the Financial Assistance Award Form CD-450 to which these Special Award Conditions are attached. B.) The Recipients agree that the Lead Recipient is authorized to and shall negotiate, enter into and execute all contracts (including but not limited to all construction and construction-related contracts), if any necessary for the performance of the Recipients' obligations pursuant to this Award. C.) The Lead Recipient further agrees to be responsible for accumulating all necessary information for and the submission of all reports required to be submitted to the Government pursuant to this
- 13. HISTORIC PRESERVATION: Recipient agrees to the following and shall cause the following to be placed on the plans and specifications for the project:

"If prehistoric or historic artifacts, such as pottery or ceramics, projectile points, dugout canoes, metal implements, historic building materials, or any other physical remains that could be associated with Native American, early European, or American settlement are encountered at any time within the project site area, the permitted project shall cease all activities involving subsurface disturbance in the immediate vicinity of the discovery. The
