## PROPORTIONATE SHARE AGREEMENT

This Proportionate Share Agreement (hereinafter "Agreement") is made and entered into this ~~19<sup>th</sup>~~ day of ~~October~~, 20~~16~~, by and between Palm Beach County, a political subdivision of the State of Florida (hereinafter "County"), and Hypoluxo & I-95 Holdings LLC, a Florida limited liability company (hereinafter "Developer").

### WITNESSETH

**WHEREAS**, the Board of County Commissioners has implemented the Proportionate Share Program as required by and in a manner consistent with section 163.3180(5)(h), Florida Statutes; and

**WHEREAS**, the Proportionate Share Program allows developers to proceed with development notwithstanding a failure of transportation concurrency, by contributing their proportionate share to one or more regionally significant transportation facilities; and

**WHEREAS**, in order to conform to the requirements of this Program, the County and the Developer agree to the conditions, rights and obligations established in this Agreement; and

**WHEREAS**, To the extent that any of the conditions of this Agreement constitute monetary or property exactions that are subject to Nollan v. California Coastal Comm'n, 483 U. S. 825 (1987), and Dolan v. City of Tigard, 512 U. S. 374 (1994), the applicant/owner, and successors and assigns (a) agrees that there is a nexus and rough proportionality between such conditions and the impacts of this project/development, and that such conditions are necessary to ensure compliance with the criteria of the Palm Beach County Unified Land Development Code and Comprehensive Plan that are applicable to this approval, and (b) waives any claims based on such conditions; and

**WHEREAS**, the Board of County Commissioners of Palm Beach County has delegated to the County Administrator or his or her designee the authority to enter into this Agreement on behalf of the County; and

**NOW, THEREFORE**, in consideration of the promises, mutual covenants, and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties to this Agreement agree as follows:

#### **Section 1. Recitals**

The above recitals are true and correct and form a part of this Agreement.

#### **Section 2. Project Identification**

The proposed project is known as "Hypoluxo Shoppes" (Control #2008-243), which proposed project would be located on certain land located at the northeast corner of Hypoluxo Road and High Ridge Road, which land has current parcel numbers (as assigned by the Palm

Beach County Property Appraiser) of 00-43-45-04-00-000-7440 and 00-43-45-04-00-000-7380 ("Project").

### **Section 3. Proportionate Share Payment**

The total amount of proportionate share payment applicable to the Project for the required road improvement(s) shall be Six Hundred and Sixty Five Thousand Two Hundred and Seventy Nine Hundred and 85/100 Dollars (\$665,279.85) (the "Total Payment"). This amount was calculated in accordance with the methodology provided for in section 163.3180(5)(h), Florida Statutes, and based on the Developer's Traffic Study (hereinafter the "Study"), prepared by Wantman Group, Inc. dated September 15, 2016, and approved by the Palm Beach County Traffic Division on September 20, 2016. While the proportionate share payment(s) set forth in the Study are based on the proportionate costs of specific road improvements, the parties hereto understand and agree that Palm Beach County, in its sole discretion, may apply such payment(s) to one or more mobility improvements to regionally significant transportation facilities.

The Total Payment shall be paid by the Developer to the County as follows (each such hereinafter described payment of a portion of the Total Payment being an "Applicable Payment"):

1. No later than the date that the first building permit is issued by the County with respect to "Building A" (inclusive of fueling stations) as depicted on the attached Exhibit A ("Building A Permit"), the Developer shall pay to the County \$545,529.47 of the Total Payment ("Building A Applicable Payment"). In no event, however, shall Developer be obligated to pay the Building A Applicable Payment until the date of issuance of such Building A Permit.
2. No later than the date that the first building permit issued by the County with respect to "Building B" as depicted on the attached Exhibit A ("Building B Permit"), the Developer shall pay to the County \$119,750.37 of the Total Payment ("Building B Applicable Payment"). In no event, however, shall Developer be obligated to pay the Building B Applicable Payment until the date of issuance of such Building B Permit.

### **Section 4. Payment Adjustment Calculation**

Pursuant s.163.3180(5)(h)2., F.S., proportionate share payments shall be based on the improvement cost at the time of payment. The parties hereto agree that the payment amounts set forth in this Agreement shall be subject to the following calculation to account for changes in road development costs that may occur between the effective date of this Agreement and the date each proportionate share payment is due.

Adjusted Payment (when payment is being made) = Original Payment Amount x Cost Adjustment Factor

Where,

Original Payment Amount = Proportionate Share Payment amount specified in the Proportionate Share Agreement

Cost Adjustment Factor =

$$\frac{\text{Producer Price Index (PPI) for Commodities Code ID WPUIP2312301 (month of payment)}}{\text{Producer Price Index (PPI) for Commodities Code ID WPUIP2312301 (month of Prop Share Execution)}}$$

The Bureau of Labor Statistics Producer Price Index (PPI) for Commodities (Series ID: WPUIP2312301), can be found at <http://data.bls.gov/timeseries/WPUIP2312301>.

If at the time a Proportionate Share payment is due, the Commodities Code ID WPUIP2312301 is no longer used by the United States Bureau of Labor Statistics, the Adjusted Payment will be based on the Producer Price Index for non-residential commodities then in effect. In the event such an index is no longer in use, the Adjusted Payment will be based on the United States Bureau of Labor Statistics Consumer Price Index then in effect.

### **Section 5. Term of concurrency approval**

In consideration for entering into this binding Proportionate Share Agreement with Palm Beach County, the Developer shall be deemed to have satisfied traffic concurrency requirements; provided, however, if the Developer fails to apply for a development permit within twelve months of the date of this Agreement, then this Agreement and, the certificate of concurrency approval, shall be considered null and void, and the applicant shall be required to reapply to meet Palm Beach County Traffic Performance Standards. In the event the County or municipality as applicable denies the development order application, Application Number DOA/R-2015-1918, that gave rise to this Agreement, or if the Developer significantly modifies the application during the application process giving rise to a modified traffic study or if the Developer for any reason withdraws the development order application, then this Agreement, and the certificate of concurrency approval will be void and of no further force and effect.

### **Section 6. Increase in Project Trips**

Any change to the Project could result in an increase in trips that impact one or more of Palm Beach County's Major Thoroughfares, as defined by Unified Land Development Code, Section 1.I.2.M.6. The Developer understands and agrees that it is precluded from asserting that those additional trips are vested or otherwise permitted under this Agreement. In addition, Developer understands and agrees that any such changes resulting in an increase in trips may cause his Agreement to be null and void, or may require the application for and execution of an additional Proportionate Share Agreement, along with any other traffic study or additional documentation.

**Section 7. Road Impact Fee Credit**

Proportionate share contributions shall be applied as a credit against road impact fees regardless of how the County ultimately uses the proportionate share payments. The Developer understands and agrees that in no event shall the Developer be entitled to road impact fee credits in excess of the proportionate share contribution and in the event the contribution exceeds the amount of road impact fees owed by the Project through buildout, Developer shall not be entitled to a refund for the proportionate share contribution in excess of such road impact fees.

**Section 8. No refund**

Proportionate share contributions are non-refundable.

**Section 9. Governing Law**

The Agreement and the rights and obligations created hereunder shall be interpreted, construed and enforced in accordance with the laws of the United States and the State of Florida. If any litigation should be brought in connection with this Agreement, venue shall lie in Palm Beach County, Florida.

**Section 10. Attorneys' Fees and Costs**

The parties hereto agree that in the event it becomes necessary for either party to defend or institute legal proceedings as a result of the failure of either party to comply with the terms and provisions of this Agreement, each party in such litigation shall bear its own costs and expenses incurred and expended in connection therewith including, but not limited to, reasonable attorneys' fees and court costs through all trial and appellate levels.

**Section 11. Severability**

If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

**Section 12. Agreement**

This Agreement contains the entire agreement between the parties. No rights, duties or obligations of the parties shall be created unless specifically set forth in this Agreement.

**Section 13. Amendment**

No modification or amendment of this Agreement shall be of any legal force or effect unless it is in writing and executed by both parties.

**Section 14. Binding Agreement**

This Agreement shall inure to the benefit of and shall bind the parties, their heirs, successors and assigns.

**Section 15. Assignment**

This Agreement may not be assigned without the prior written consent of the other party and all the terms and conditions set forth herein shall inure to the benefit of and shall bind all future assignees. Notwithstanding the foregoing, the Developer shall have the right, without the prior consent or approval of the County, to assign its rights and obligations under this Agreement (in whole or in part) in connection with any sale and/or lease of the Project (or any portion thereof).

**Section 16. Waiver**

Failure to enforce any provision of this Agreement by either party shall not be considered a waiver of the right to later enforce that or any provision of this Agreement.

**Section 17. Notices**

Any notice, request, demand, instruction or other communication to be given to either party under this Agreement shall be in writing and shall be hand delivered, sent by Federal Express or a comparable overnight mail service, or by U.S. Registered or Certified Mail, return receipt requested, postage prepaid, to County and to Developer at their respective addresses below:

If the contract for the required road improvements has not been let and construction has not commenced by insert date, the County shall have the right but not the obligation to draw on the performance security and take over the Developer's responsibility to construct the required improvement. If the County exercises its rights under this Section, upon written request by the County, the Developer agrees to deliver to the County all plans and permits related to the required improvements which are in the Developer's possession.

The Developer shall protect, defend, reimburse, indemnify and hold the County, its agents, employees, and elected officers harmless from and against all claims, liability, expense, loss, cost, damages, or causes of action of every kind or character including attorneys' fees and costs, whether at trial or appellate levels or otherwise, arising during or out of construction of the required improvements contemplated by this Agreement.

The Developer shall maintain and require its contractor to maintain workers' compensation coverage in accordance with Florida Statutes. The Developer and contractor shall carry insurance naming the County as an Additional Insured Party, with minimum limits of one million dollars per occurrence and three million dollars general aggregate insurance, and shall carry automobile liability insurance with minimum limits of one million dollars per occurrence combined single limits.

To ensure faithful performance of the construction of the required improvements, the Developer shall also require all contractors performing work on the required improvements to execute and deliver to the Developer a payment and performance bond in an amount equal to one hundred ten percent (110%) of the certified cost estimate of the improvement prior to the issuance of any permit authorizing commencement of construction of the improvement. The bond shall be issued by a company authorized to do business in this State and which has a current valid certificate of authority issued by the United States Department of Treasury under 31 USC §9304-9308.
