I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Contract with Florida Design Drilling Corporation for the Water Treatment Plant (WTP) No. 3 Wellfield Improvements Project (Project) in the amount of \$1,396,875.

Summary: On November 9, 2016, four (4) bids were received to rehabilitate seven (7) production wells for WTP No. 3. Work will include the replacement of the screen and gravel pack, modification or replacement of the wellhead flange and replacement of valves. Rehabilitation of production wells is necessary in order to restore capacity and ensure a reliable water supply to the WTPs. The Invitation to Bid included Bid Alternate No. 1, which provided for rehabilitation of an additional well as part of the required work. Florida Design Drilling Corporation was determined to be the lowest responsive and responsible bidder in the amount of \$1,188,400 and additionally provided the lowest bid for the combined Base Bid plus Bid Alternate No. 1 in the total amount of \$1,396,875. Awarding the Base Bid plus Bid Alternate No. 1 will allow the Water Utilities Department (WUD) to maximize the number of wells to be rehabilitated under the allotted budget. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15% overall. The Contract with Florida Design Drilling Corporation provides for SBE participation of 95% overall. Florida Design Drilling Corporation is a Palm Beach County company. (WUD Project No. 16-042) District 5 (MJ)

Background and Justification: WUD is committed to proactive rehabilitation of production wells in order to increase overall well efficiency and reliability, as well as reduce energy consumption. The Contract will provide for the work necessary to rehabilitate the wellfield for WTP No. 3. The Summary of Bid Irregularities for the three (3) lowest proposals is detailed in Attachment 5. The irregularities provided no competitive advantage.

RE: Notice of Award Recommendation
Water Treatment Plant 3 Wellfield Improvements Project
Project No. WUD 16-042

The bid opening for the above referenced project was held on Wednesday, November 9, 2016. Proposals were received from four (4) contractors. The Bid Tabulation is attached. The engineer's opinion of probable construction cost was \$2,000,000 for Bid Item Numbers A1 through C4. An evaluation of the low and second low bid is as follows:

1. The first low bidder, Florida Design Drilling Corporation, provided properly executed Bid Forms in the Contract Documents. The second low bidder, All Webbs Enterprises, Inc., provided properly executed Bid Forms in the Contract Documents.
2. Bid security equal to 5% of the total base bid was enclosed with the bid for the first and second low bidders.
3. The first and second low bidders hold valid state contractor and water well contractor licenses. A copy of the license information for Florida Design Drilling Corporation is included.
4. The first and second low bidders, Florida Design Drilling Corporation, and All Webbs Enterprises, Inc. are local businesses. They both have Local Preference and both have submitted the required documentation. (see attached Palm Beach County Tax Collector receipts).
5. SBE-M/WBE Schedules #1 and #2 were provided. The first low and second low bidders have met the 15% SBE goal established under the SBE Ordinance. The first low bidder, Florida Design Drilling Corporation, is SBE certified and has met the SBE goal for this project. The second low bidder, All Webbs Enterprises, Inc., has met the SBE requirement for this project. The SBE compliance review is attached.
6. The bid tabulation for Florida Design Drilling Corporation showed a mathematical error in the summation of Parts A, B, and C to obtain the Total Base Bid. This error increased the Total Base Bid by \$35,000. The corrected Total Base Bid is \$1,188,400.00.
7. The minor irregularity in Item 6., above is waived by PBCWUD.

As a result of this evaluation we recommend Florida Design Drilling Corporation as the successful, responsive, low bidder. Contract award is recommended to the lowest responsive bidder in the amount not to exceed \$1,188,400.00 subject to formal approval by the Board of County Commissioners. A copy of this notice has been emailed to all bidders and is posted at the bid opening location and will be left there for a minimum of five (5) business days.

The low bid is under the \$2,000,000 budgeted amount. Therefore, the contract will include the addition of Bid Alternate Item Nos. 1 through 21, in the amount of \$208,475.00 for a Total Base Bid plus Bid Alternate in the amount of \$1,396,875.00.

c: Hassan Hadjimiry, P.E., Assistant Director
Ali Bayat, P.E., Engineering Director
Diana Rivera, P.E. Plant Design Engineer

Stephen McGrew, P.E. Plant Design Manager
Craig C. Williams, Assistant Director

Bid Review Comments
Project No. WUD 16-042
WTP #3 Wellfield Improvements

Four (4) bids were received for the WTP #3 Wellfield Improvements Project. The three (3) lowest bids have been reviewed. Any errors, omissions or irregularities found in the bids are noted below.

Florida Design Drilling Corp.

The bidder's Total Base Bid Price was written as \$1,223,400. A mathematical error was discovered in the Total Base Bid tabulation in the amount of \$35,000. Parts A, B, & C of the total bid were calculated correctly, however the Total Base Bid Price which is the summation of the three (3) Parts was not totaled correctly. The actual bid amount is \$1,188,400.

No additional errors, omissions or irregularities found.

All Webbs Enterprises, Inc.

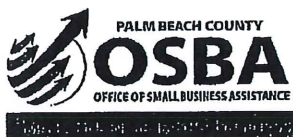

No errors, omissions or irregularities were found.

Southeast Drilling Services, Inc.

No errors, omissions or irregularities were found.

Bid Review Comments

Project No. WUD 16-042 WTP #3 Wellfield Improvements

Four (4) bids were received for the WTP #3 Wellfield Improvements Project. The three (3) lowest bids have been reviewed. Any errors, omissions or irregularities found in the bids are noted below.

Florida Design Drilling Corp.

The bidder's Total Base Bid Price was written as \$1,223,400. A mathematical error was discovered in the Total Base Bid tabulation in the amount of \$35,000. Parts A, B, & C of the total bid were calculated correctly, however the Total Base Bid Price which is the summation of the three (3) Parts was not totaled correctly. The actual bid amount is \$1,188,400.

No additional errors, omissions or irregularities found.

All Webbs Enterprises, Inc.

No errors, omissions or irregularities were found.

Southeast Drilling Services, Inc.

No errors, omissions or irregularities were found.
