**ARTICLE 13**  
**PHYSICAL EXAMINATIONS**

**SECTION 1. PHYSICAL EXAMINATIONS:** Employees shall be required to take a Florida Department of Transportation (FDOT) physical examination on a biannual basis or when returning to work after;

- (A) an absence lasting greater than ninety (90) calendar days,
- (B) an absence resulting from a stroke, a heart attack or other serious illness as determined by the Palm Beach County Occupational Health Clinic,
- (C) instances required by FDOT regulation, or
- (D) other instances of reported lack of physical or mental fitness.

Storekeepers: Employees shall be required to take a physical examination as required for:

- (A) an absence lasting greater than ninety (90) calendar days.
- (B) an absence resulting from a stroke, a heart attack or other serious illness as determined by the Palm Beach County Occupational Health Clinic,
- (C) other instances of reported lack of physical or mental fitness.

Physical examination may be scheduled to be taken during normal workdays of the employees or on the employee's normal off-day. Physical examination shall include drug tests. A Tuberculosis (T.B.) test requires an unpaid follow-up visit and will be performed at the option of the employee. The expense of such physical examination shall be borne by the COMPANY. The physical examination shall be conducted at the Palm Beach County Occupational Health Clinic by a licensed physician.

Employees taking the physical during their normal off-time shall receive an allowance equal to the actual time required for the physical examination or two (2) hours pay whichever is greater. The allowance will be paid at the employee's straight time rate of pay.

Employees will be notified by email and posting in advance of the month their physical is due. The COMPANY will provide transportation if the physical is scheduled during the employee's normal working hours.

1 Article 13: Physical Exams

2 Page -2-

3

4 An employee, who is aware of their scheduled appointment and fails to attend without a  
5 legitimate excuse, will be rescheduled to a COMPANY physical, without pay to the  
6 employee. An employee who fails to make the rescheduled physical appointment will  
7 not be allowed to return to work until such time as they take and pass a physical  
8 examination. The rescheduled appointment will be as immediate as possible, and in no  
9 event longer than five (5) working days from the scheduled original appointment.

10

11 **SECTION 2.** As a condition of continued employment with the COMPANY, any  
12 physical examinations provided for herein must reveal the physical and mental fitness of  
13 the employee involved to perform the duties for which they are employed.

14

15 **SECTION 3.** Should any required physical examination reveal the physical or mental  
16 unfitness of the employee to perform the duties for which they were employed, they may  
17 at their option have a review of the case in the following manner:

18

19 (A) They may employ a licensed physician of their own choosing and at their  
20 own expense for the purpose of conducting a further physical examination  
21 for the same or recommended purpose of the physical examination made  
22 by the physician employed by the COMPANY. A copy of the findings of  
23 the physician so chosen by the employee involved shall be furnished to  
24 the Palm Beach County Occupational Health Clinic, and in the event such  
25 findings verify the findings of the physician employed by the COMPANY,  
26 no further medical review of the case will be afforded.

27

28 If the employee's medical condition is of a permanent nature, the  
29 employee will be given priority consideration for any other open position at  
30 Palm Tran for which they are deemed qualified by management. They will  
31 also be given consideration for open positions in the County for which they  
32 are qualified. If there are no other open positions for which the employee  
33 qualifies, they will be given a Leave of Absence consistent with Article 19  
34 (Leave of Absence).

35

36 (B) In the event the findings of the physician chosen by the employee involved  
37 shall disagree with the findings of the physician, the COMPANY, at the  
38 written request of the employee involved, will jointly ask the two (2)  
39 physicians to agree upon and appoint a third (3<sup>rd</sup>) qualified, licensed, and  
40 disinterested physician.

41 This physician shall specialize in the field of the employee's physical  
42 problem for the purpose of making a further physical examination of the

43

44

45

3  
4 employee involved. The findings of a majority of the three (3) examining  
5 physicians shall determine the disposition of the case and be final and  
6 binding upon the parties hereto. The expense of the employment of such  
7 third (3<sup>rd</sup>) medical examiner shall be shared equally by the COMPANY and  
8 the employee.  
9

10 **SECTION 4.** Should any physical examination provided for herein, reveal the physical  
11 or mental unfitness caused by disease, defects, or disabilities of a temporary or curable  
12 nature, and the employee involved is willing to have the cause or causes of such  
13 unfitness treated and rectified, then in such an event, depending upon the particular  
14 circumstances of each case, the employee may:

15  
16 A. The employee involved may continue working while undergoing medical  
17 treatment, if the examining physician, or a majority of the three (3)  
18 examining physicians as herein provided, shall certify to their ability to  
19 safely do so, or;

20  
21 B. The employee involved shall be taken out of service and given a Medical  
22 Leave of Absence for the purpose of undergoing medical treatment until  
23 such time as the examining physician, or the majority of the three (3)  
24 examining physicians, as herein provided, shall certify to his physical and  
25 mental fitness to perform the duties for which they were employed.  
26 However, such leave of absence shall be subject to the provisions of the  
27 Article relating to Medical Leave of Absence (Article 19, Leave of  
28 Absence), and any employee on Medical Leave of Absence because of  
29 physical or mental unfitness to perform their duties may be required to  
30 supply the COMPANY with a physician's report covering their condition at  
31 such interval or intervals which the COMPANY may require. The  
32 COMPANY shall have the sole discretion as to an extension of a Medical  
33 Leave of Absence beyond the time limits set forth in the Article on Leaves  
34 of Absence (Article 19, Leave of Absence).  
35

36 **SECTION 5.** Physicians chosen by an employee as provided for in this Article, shall be  
37 members of the American Medical Association or American College of Surgeons,  
38 except, when permitted otherwise by mutual agreement between the COMPANY and  
39 the employee.  
40

41 **SECTION 6.** Nothing in this Article shall diminish the employee's rights under the  
42 Americans with Disabilities Act, the Vocational Rehabilitation Act, or any other Federal  
43 or State law.  
44

4 **ARTICLE 14**  
5 **DRUG AND ALCOHOL TESTING**

6 **SECTION 1.** Each COMPANY employee has a responsibility to the public to deliver  
7 services in a safe and conscientious manner. In order to achieve the highest degree of  
8 safety for our passengers and the public, the COMPANY employees must be able to  
9 work in a drug free environment and be free from the effects of alcohol and other job-  
10 impairing substances. Any use of alcohol or a prohibited drug creates the potential for  
11 job degradation, and therefore all safety sensitive employees shall be subject to drug  
12 and alcohol testing under the terms and conditions mandated by Federal Law or  
13 Regulations and/or outlined in the COMPANY Substance Abuse Policy for safety  
14 sensitive employees dated July 2014. Storekeepers shall adhere to the COMPANY'S  
15 Substance Abuse Policy for non-safety sensitive employees of Palm Tran.

16 **SECTION 2.** A copy of the COMPANY'S Substance Abuse Policies shall be provided  
17 to all current employees, posted on the COMPANY website, and issued to each new  
18 employee as part of the overall orientation procedure. Any changes required by  
19 changes to the Federal Law or Regulation shall be implemented by the COMPANY; the  
20 UNION will be provided notice and opportunity to bargain over any other changes.

21 The Palm Beach County Occupational Health Clinic (EAP) will provide orientation and  
22 training on substance abuse in addition to the regular distribution of brochures and other  
23 informational literature to all employees.

24 **SECTION 3.** The expense of all drug and/or alcohol testing shall be borne by the  
25 COMPANY and the examining physician and/or testing company shall be designated by  
26 the COMPANY.  
27

28  
29 Employees shall receive a paid allowance of up to two (2) hours of pay time for taking  
30 the required drug and/or alcohol test, unless the employee is already being paid by the  
31 COMPANY at the time the examination is being given.  
32

33 **SECTION 4.** The manufacturing, distribution, dispensing, processing or usage of a  
34 controlled substance, including alcohol, while on the COMPANY property or while in a  
35 COMPANY vehicle is expressly forbidden. Any employee found with a controlled

37 otherwise on COMPANY property while off-duty shall be subject to discharge.  
38

39 **SECTION 5.** All testing will be done according to the procedural requirements of the  
40 applicable Federal laws and regulations relating to workplace drug and alcohol testing  
41 programs.

22 suspension, The COMPANY shall state the nature of the action on a “Notification and  
23 Acknowledgment of Violation of Rules and Regulations (AKA Disciplinary Action Form)”

**ARTICLE 17**  
**GRIEVANCE PROCEDURE**

**SECTION 1.** A grievance is defined to be either:

- (C) A controversy, dispute, complaint or disagreement between an EMPLOYEE, a group of employees or the UNION and the COMPANY regarding employee discipline, suspension, or discharge for violation of COMPANY rules, or disagreement regarding interpretation or application of the terms of this AGREEMENT as it affects an individual employee or group of employees; or

This type of grievance shall be known as a "Class-Action Grievance". Only UNION Officers shall have the right to file Class-Action grievances on behalf of an entire classification of employees or the bargaining unit as a whole.

**SECTION 2.** No grievance involving an employee or group of employees shall be entertained or considered valid unless it is presented in writing to the Manager of Human Resources or his/her designee within ten (10) days from the time incident took place or within ten (10) days from the date discipline was imposed by the COMPANY.

**SECTION 3.** No Class Action Grievance between the UNION and the COMPANY involving an interpretation or application of the terms of this AGREEMENT shall be entertained or considered a valid grievance unless it is presented in writing to the Executive Director or his/her designee within ten (10) days from the time the act or incident was known by the UNION.

**SECTION 4.** Nothing contained herein shall be construed as to prohibit or prevent the EMPLOYEE, the UNION or its designated representatives from discussing and/or resolving all matters pertaining to the dispute or controversy prior to the dispute or controversy being reduced to a written grievance. In an effort to resolve disputes and complaints at the earliest stage, UNION representatives shall discuss the controversy with the appropriate Section Manager prior to filling a written grievance, however, failure to do so shall not prevent the filing of the grievance.

**SECTION 5.** No grievance shall be entertained or considered valid unless:

1 Article 17: Grievance Procedure

2 Page -2-

- 3
- 4 A. It is presented in writing on the designated "grievance form" to the Human  
5 Resources Manager or the Executive Director's designee (whichever is  
6 applicable) within the time frame specified in Section 2 or 3 herein;  
7
- 8 B. The grievance states the Article (s) violated and the specific reason for the  
9 violation;  
10
- 11 C. The grievance states the specific remedy desired; and,  
12
- 13 D. The grievance is dated and signed by the employee and/or a union official.  
14

15 Any written grievance presented in a timely manner which has been submitted, as  
16 provided above, shall be processed as follows:  
17

18 **STEP 1:** Within twenty (20) days from the date, the written grievance was  
19 presented to the Human Resources Manager, (or the Executive  
20 Director's designee in the case of a Class-Action grievance) or their  
21 designee, the COMPANY, if deemed necessary, will hold a hearing  
22 with the Employee and/or representatives of the UNION or will in  
23 writing deny the grievance. Based on the evidence presented in  
24 the grievance and/or at the hearing, the Division Manager or the  
25 Executive Director or their designee, will render a written decision  
26 stating any reasons for denial of the grievance and the provisions of  
27 the contract relied upon in reaching the decision, or a proposed  
28 settlement of the grievance. If the Human Resource Manager or  
29 the Executive Director appoints a designee to hear the grievance,  
30 the designee shall be a person other than the Section Manager  
31 who imposed the discipline or took the action leading to the  
32 grievance.  
33

34 **STEP 2:** If within seventy-five (75) days following the date, the COMPANY  
35 has denied the grievance the UNION has not demanded the  
36 grievance be submitted to arbitration, such grievance shall be  
37 considered settled to the satisfaction of the parties and forever  
38 closed.  
39

40 Any correspondence between the COMPANY and the UNION after the date of the filing  
41 of the grievance shall reference the grievance number assigned by the COMPANY  
42

43 **SECTION 6.** In order to encourage settlement of a grievance at its lowest level, each  
44 grievance shall stand individually on the merits and facts of the controversy and

5 of any settlement reached between the parties, that the settlement agreed upon did not  
6 establish a precedent against either the COMPANY or the UNION for future grievances  
7 of similar nature.

8

9

10 **SECTION 7.** All Bargaining Unit employees shall use the grievance procedure specified  
11 in this Article regardless of Union membership or lack thereof.

12

13 **SECTION 8.** Saturdays, Sundays, and Holidays shall be excluded in the calculation of  
14 the time limits provided in this Article. Such time limits may be extended for reasonable  
15 circumstances and for specified periods by mutual written consent of both the UNION  
16 and the COMPANY.

4 (2) If an employee exhibits a pattern of repeated Sick Occurrences at level  
5 eight (8) or above within a rolling twelve (12) month period, (even if the  
6 employee drops below level eight (8) at some point during this period), it  
7 will be deemed as an intent to circumvent the purpose of the Sick Leave  
8 Article. For example, an employee reaches his/her eighth sick occurrence

9

10 or above, has one or more sick occurrences roll off (i.e. drops to seven  
11 sick occurrences or below), then experiences additional unexcused  
12 absences, which causes the employee to reach level eight or above  
13 again for a second time within a rolling twelve month period. If this occurs,  
14 it will be deemed a pattern of abusive sick leave usage and an intent to  
15 circumvent the Sick Leave Article. The employee will be afforded a Pre-  
16 termination hearing prior to termination for abusive sick leave usage.

**BUS OPERATOR "RUNS" --- DAYS-OFF**

**SECTION 1.** The amount of service to be furnished to the public and the determination of the number of bus schedules and changes therein shall be exclusively and solely a function and responsibility of the COMPANY. However, in the splitting of its regular daily service schedule into individual employee work assignments, it is the policy of the COMPANY, to the extent it is reasonably practical, to construct work assignments into daily "Runs" which are bid upon and normally operated by the same bus operator each scheduled day, provided however; that nothing contained herein shall be construed as to require the COMPANY to construct any of its regular service into regular "Run" assignments.

The COMPANY agrees to inform the UNION of any changes in regular schedules of more than fifteen (15) minutes on any single route so that they be in a position to inform their membership of such schedule changes.

The COMPANY further agrees to inform the UNION and educate existing bus operators prior to any significant route change being implemented.

**SECTION 2. DEFINITION OF "RUNS":**

**STRAIGHT RUN:** A Straight "Run" is defined as a daily work assignment, containing not less than eight (8) hours pay time nor more than eleven (11) hours pay time, (including preparatory time) per day, which operates for an extended period between general bidding of "Runs," and which has been bid in accordance with the bus operators seniority during the general bid process. 14 employee's normal rate of pay for all time worked in excess of twelve (12)  
15 hours per day for a scheduled five (5) day work week, or fourteen (14)  
16 hours per day for a scheduled four (4) day week.  
17

18 **SECTION 4. EXTRA-BOARD WORK:** "Runs" not bid upon; open as a result of  
19 sickness or other non-scheduled absence; pieces of work not bid by part-time  
20 operators; special service work or any other work shall be assigned to the "Extra-  
21 Board".  
22

23 **SECTION 5.** Operators who have sufficient seniority to select and be assigned to a  
24 regular scheduled "Run" during a general bid are considered "Regular Operators". All  
25 other operators are defined as "Extra Board" or "Part Time" Operators.  
26

27 **SECTION 6.** All regularly assigned operators shall be entitled to two (2) days off for a  
28 five (5) day work week and three (3) days off for a four (4) day work week, except those  
29 weeks when holidays require a curtailment of service or when it may be necessary to  
30 curtail service for reasons beyond the control of the COMPANY. The off days are to be  
31 determined by the COMPANY and operators will select their days off by seniority as  
32 provided for in this AGREEMENT in this Article relating to the general bid.  
33

34 **SECTION 7.** No regular operator shall be taken off their regularly assigned "Run" for  
35 other work assignments unless an emergency as defined in this AGREEMENT exists.

4 **SECTION 9.** The changing of one driver to another on a route for the purpose of  
5 "Relief" shall be accomplished by either replacing the bus on the route with another bus  
6 out of the operations facility or by requiring a bus operator to relieve another operator at  
7 a predetermined "Relief" location on the route. Relief locations and methods shall be  
8 determined by the COMPANY. If a "Relief" is to be accomplished by means other than  
9 by utilizing another bus out of the operations facility, the COMPANY will provide the

5 **SELECTION OF "RUNS" AND SHIFTS**

6 **SECTION 1.** When the COMPANY'S work facilities are located at more than one (1)  
7 site, all employees will be allowed to bid at least annually in December on the facility at  
8 which they desire to work. The number of employees and number of classifications by  
9 shift for each different work location will be determined by the COMPANY and posted in  
10 Operations and Maintenance for a minimum of ten (10) days prior to the start of the bid.  
11 Once the bid has been completed, employees will be required to work at that facility for  
12 an entire year unless a reduction of service or a shortage of workforce at one (1) facility  
13 requires the company to re-evaluate the number of employees needed at each facility.  
14 Employees shall bid on their annual work location based on Classification Seniority.

15 If during the calendar year, it becomes necessary to adjust the number of employees  
16 required in any Classification working from one facility to another facility, the COMPANY  
17 will post a list of available positions and allow employees to volunteer to switch facilities.  
18 Volunteers will be re-assigned from the volunteer list in Classification seniority order. If  
19 there are insufficient volunteers, open positions will be filled in reverse seniority order. If  
20 an employee is forced to change, they will be given the first option to return to their  
21 previous facility if an opening becomes available.

22 **SECTION 2. MAINTENANCE SHIFTS:** A general bid will occur in Maintenance at least  
23 two (2) times per year, and the bids will be posted on the first Monday during the  
24 months of December and June to become effective the first Sunday of a new pay period  
25 in January and July.

26 In addition, a bid may be posted by the COMPANY at such other times as the  
27 COMPANY determines that a change in operations, amount or type of work to be  
28 undertaken on a particular shift, or other circumstances dictate a need for reduced or  
29 additional Classifications or Maintenance Technician "Specialty Areas" on any shift.  
30 General bids forms will indicate the number of positions by Classification and  
31 Maintenance Technician "Specialty Areas" available on each shift and the working  
32 hours of each shift. All Maintenance employees will bid in Classification Seniority order.  
33 Maintenance Technicians will bid using the following three (3) steps. All other  
34 Maintenance Classifications will bid using steps 1 and 2.

39  
40 2<sup>nd</sup>: The employee shall choose the off-days they desire from those available.  
41

1 Article 26: Selection of Runs and Shifts

2 Page -2-

3  
4 3<sup>rd</sup>: Maintenance Technicians will then select the “Specialty Area” for which  
5 they are eligible and which they desire to work from those available.  
6 During the bid in December, employees will also select the facility which  
7 they desire to work during the next calendar year.  
8

9 When a general bid is posted, it will be posted for a minimum of five (5) calendar days  
10 prior to the bid.  
11

12 Bidding shall take place between the hours of 3:00 p.m. and 5:00 p.m., Monday through

15 a maximum of ten (10) minutes to bid. Bid times will be pre-established in advance.  
16 Any employee out on Annual leave or short term illness or who elects not to be present  
17 due to their scheduled time falling on their regular scheduled off-day, may leave up to  
18 three (3) choices with the UNION President, or his/her designee. The UNION President  
19 and/or their designee shall bid on behalf of those employees who have left choices and  
20 are not present. In the event the choices left with the UNION representative are not  
21 available, the UNION representative shall pick the closest possible shift to the  
22 employee’s choices. If an employee shall fail to bid in a timely manner, as established  
23 herein the employee will be “bid around”. An employee who has been “bid around” shall  
24 have the first right to bid when they have made themselves available. All Maintenance  
25 employees shall bid within their Section by seniority. Employees who have been absent  
26 on extended sickness, Leave of Absence, Workers’ Compensation injury or disability for  
27 more than twenty-one (21) consecutive calendar days preceding the bid date will not be

29 the above circumstance may be assigned by the COMPANY to any available opening  
30 on the bid schedule for up to forty-five (45) days.  
31

32 Subsequent to the completion of the bidding, the new shifts shall begin on the first  
33 Sunday of a new payroll period. If, by virtue of the bidding, an employee’s days off  
34 change, then their vacation pick will be adjusted accordingly.  
35

36 **SECTION 3. STOREKEEPERS SELECTION OF SHIFTS**  
37

38 A bid will occur for Storekeepers at least two (2) times per year. The bid will be posted

2 Page -3-

3  
4 In addition, a bid may be posted at such other times the COMPANY determines that a  
5 change in operations, amount or type of work to be undertaken on a particular shift, or  
6 other circumstances dictate a need for reduction of employees or additional employee's  
7 needed on any shift or facility.

8  
9 Bidding shall be by Classification Seniority.

- 10  
11 ● Each shift shall include:

18 short term illness or who elects not to be present due to their scheduled time falling on  
19 their regular scheduled off-day, may leave up to three (3) choices with the UNION  
20 President, or his/her designee. The UNION President and/or their designee shall bid on  
21 behalf of those employees who have provided choices and are not present. In the event  
22 the choices left with the UNION representative are not available, the UNION  
23 representative shall pick the closest possible shift to the employee's choices. If an  
24 employee shall fail to bid in a timely manner, as established herein the employee will be  
25 "bid around". An employee who has been "bid around" shall have the first right to bid  
26 when they have made themselves available. Any employee who has not bid and was  
27 "bid around" will be assigned a shift by the UNION official overseeing the bid at the end  
28 of bidding in classification seniority from the remaining shifts. The COMPANY will pay  
29 the UNION representative at their normal hourly rate of pay for assisting in the bid  
30 process.

31  
32 Storekeepers who are out on extended absence two (2) weeks prior to the start of  
33 bidding will be allowed to bid provided documentation is submitted to the COMPANY by

5 week assignment they will be assigned the open schedule (shifts, days off, etc.) In the  
6 event the employee who was absent returns to work during that week the Floater will  
7 keep the same days off and return to the their bid shift.

8  
9 **SECTION 4. OPERATIONS - BUS OPERATOR RUN BID:**

- 10

30 8:00 a.m. on the designated day and continuing each day until complete.  
31  
32 (D) Should an operator be prevented from selecting a "Run" when it becomes  
33 their turn to bid, the UNION representative will pick a "Run" from a written  
34 request of at least ten (10) choices previously left by the operator. The  
35 choices left by the operator shall be prioritized. If an operator is working at  
36 the time designated for the operator's bid, and the choices which have  
37 been left with the UNION president have all been taken, the COMPANY

39 ascertain their new choice. If an operator is absent from work, has not left  
40 ten (10) choices, or if the choices have been already selected, and the  
41 employee can not be contacted on the two-way radio, the employee will be

14 adverse effect in the pay hours of each employee, including the loss of  
15 any weekly guarantee. If approved, "Runs" may only be exchanged on a  
16 day for day basis with each day requiring a separate approval. The  
17 exchange of "Runs" must also take place within the same payroll week.  
18

19 (F) The Operations Manager or their designee, with the assistance of one (1)  
20 UNION official appointed by the UNION president, shall have full charge

40 work. There shall be no mixing of eight (8) and ten (10) workdays to  
41 achieve a forty (40) hour week.

21 allowed to bid. Operators returning to work from an extended absence  
22 who have not been allowed to bid during a general bid shall not be

24 until the next general bid.

- 25
- 26 (K) Changes in a daily "Run" time of less than thirty (30) minutes shall not  
27 require a general bid or shall not require a "bump bid".

- 28
- 29 (L) "Runs" which become permanently open more than thirty (30) days prior to  
30 the next general bid shall be considered open "Runs" and be bid in  
31 seniority order from the operator vacating the "Run" down ("bump bid") in

**ARTICLE 27**  
**EXTRA BOARD OPERATION/PROCEDURES**

**SECTION 1. DEFINITION:** The “Extra Board” is established for the primary purpose of having operators available under normal conditions to cover work open as a result of days off, vacations, sickness, suspension, leave of absence or to cover work which was not made into a regular “Run” during the general bidding process. An “Extra Board” may be established, at general bid time only, for each of the Company’s working divisions/facilities, if on a scheduled basis, available work hours justifies establishment of one (1) or more full-time positions to cover regular operator work. “Regular Operators” assigned to a “Run” will not be allowed to perform “Extra Board” work as long as there are “Extra Board Operators” available which can cover the open work. The most current and up-to-date Extra Board Guidelines for each facility as agreed to by the COMPANY and UNION will be posted and followed.

**SECTION 2. NUMBER OF “EXTRA BOARD” POSITIONS:** During the General Bid process, the COMPANY shall, at its sole discretion, determine the number of “Extra Board” positions required to cover open work under normal conditions. During the General Bid process, bus operators will have the option to bid on a regular “Run” or bid on one of the positions available on the “Extra Board”.

**SECTION 3. DISTRIBUTION OF “EXTRA BOARD” WORK:** In the distribution of daily open work, the Company agrees that all open work will be made available to “Extra Board Operators” first. No “Regular Operators” will be pulled from their regular “Run” nor will any “Regular Operator” or “Extra Board Operator” who has volunteered to work their off-day be assigned open or special assignment work until all scheduled “Extra Board Operators” who are normally scheduled to work have been utilized.

**SECTION 4. “EXTRA WORK”:** Work which cannot be handled by “Extra Board Operators” on any particular day as a result of greater than anticipated absenteeism shall be considered “Extra Work” and shall be offered to any operator (“Extra Board Operator” or “Regular Operator”) who wish to work their scheduled off-day. An “Extra Work” sign-up sheet shall be posted each morning or weekly for all operators to voluntarily sign-up for open work on their days-off or open work which can be handled by “Regular Operators” prior to or at the completion of their normal “Run”. No open work will be made available to operators who have signed the “Extra Work” sheet until all “Extra Board Operators” scheduled to work have been exhausted.

1 Article 27: Extra Board Operation/Procedures  
2 Page -2-

3  
4 It will be the responsibility of operators who have signed up for “Extra Work” to check  
5 the “Extra Board” or call the dispatcher on the day(s) they have signed-up for “Extra  
6 Work” to determine if they have been assigned additional work for the next day.

7  
8 Operators shall not use the bus radio system to determine if they have been assigned  
9 additional work.

10  
11 “Regular Operators” working on their off-day cannot refuse work or any portion thereof  
12 once they have signed up for “Extra Work” on their off-day. Refusal to work assigned  
13 work which any operator has volunteered to work will result in discipline.

14  
15 Off-day operators may switch their assigned run with another off-day operator prior to  
16 the run pulling out provided they have both signed a “Run Switch” form and turned it in  
17 to the dispatcher.

18  
19 An Operator will be permitted to switch runs no more the twice (2x) during a bid.

20  
21 **SECTION 5.** “EXTRA BOARD” ROTATION: On the first effective day of a new  
22 “General Bid”, operators who have bid the “Extra Board” will be assigned to the “Extra  
23 Board” in Classification seniority order. New employees or other employees returning  
24 from an extended leave who are assigned to the “Extra Board” between “General Bids”,  
25 shall be placed on the “Extra Board” in Classification seniority order as of the day that  
26 they report for work.

27  
28 Each day, the “Extra Board Operator” who has served at the top of the Extra Board the  
29 previous day, shall be moved to the bottom of the “Extra Board” for the next day’s  
30 assignments, and each “Extra Board Operator” below shall move up one (1) position,  
31 thus creating a revolving “Extra Board”.

32  
33 **SECTION 6.** “EXTRA BOARD” DAILY ASSIGNMENT: Open Regular “Runs” of less  
34 than one (1) week duration, special assignment or other open work shall be scheduled  
35 to the “Extra Board” on a daily basis. Daily assignments to “Extra Board Operators”  
36 scheduled to work that day and operators which have signed up for extra work on the  
37 “Extra Work” sheet the previous day will be made in accordance with the following  
38 procedure:

39

3  
4 All known or foreseen "Open Work" as a result of vacancies in Regular "Runs" of less  
5 than one (1) week in duration, charters, unscheduled vacations, sickness, suspension  
6 or permanent pieces of "Open Work" which are known to the COMPANY prior to 11:00  
7 a.m. of the day in which

8  
9 (A) the "Extra Board" is completed for the next day, shall be assigned to  
10 "Extra Board Operators" according to their position on the "Extra Board".  
11 In assignment of work to "Extra Board Operators", the following  
12 procedure will be used:

13  
14 (1) a. FIRST: All "Runs" in the following order:

- 15 1. Ten (10) hour "Straight Runs" in most pay time order
- 16 2. Ten (10) hour "Split Runs" in most pay time order
- 17 3. Eight (8) hour "Straight Runs" in most pay time order
- 18 4. Eight (8) hour "Split Runs" in most pay time order

19  
20  
21 b. SECOND: If the number of assignments listed in number  
22 one (1) above, exceeds the number of "Extra Board  
23 Operators" for that day, then and only then, the dispatcher  
24 will attempt to fit the remaining pieces with the assignments  
25 originally listed. If an open piece, or a piece of a Split "Run"  
26 can be worked in combination with one of the assignments  
27 listed originally, then that piece of work will be combined  
28 with the one which fits and placed in its most pay time  
29 order. Special Service work and Standby work will not be  
30 used for the purpose of combining work.

31  
32 (2) Special Service Work

33 (3) Standby

34  
35 (B) All "Open Work" assigned to "Extra Board Operators" in accordance with  
36 the order specified in (A) above, shall be assigned in sequential order

39

1 Article 27: Extra Board Operation/Procedures

2 Page -4-

- 3
- 4 (1) Should an "Extra Board Operator" be scheduled for a regular off-
- 5 day, they shall be marked as "off" and be passed for purposes of
- 6 assigning "Open Work" for that day.
- 7
- 8 (2) All operators who have been out on any type of unscheduled leave
- 9 (Sick Leave, Workers' Compensation, Leave of Absence, etc.)
- 10 shall be considered not available for the next day's "Extra Board"
- 11 work; unless they have notified the dispatch office prior to 11:00
- 12 a.m. on the day the "Extra Board" is being prepared for the next
- 13 day.
- 14
- 15 (3) If an "Extra Board Operator's" normal assignment on the "Extra
- 16 Board" would result in the operator having less than eight (8) hours
- 17 of off-time between assignments, the operator's assignment on the
- 18 next day's "Extra Board" will be the first assignment available after
- 19 the operator has been off-duty for eight (8) hours.
- 20
- 21 (C) No operator shall be excused from taking the work assignment that
- 22 falls to their position on the "Extra Board", unless, two (2) operators
- 23 desire to trade assignments. Operators who desire to trade
- 24 assignments shall be required to obtain the approval of the UNION
- 25 and the COMPANY, the day prior to the assigned work. An
- 26 Operator will be permitted to switch runs no more than twice (2x)
- 27 during a bid. There shall be no trading, substituting or relieving of
- 28 assignments without the joint approval of the UNION and the
- 29 COMPANY. "Extra Board Operators" who trade work assignments
- 30 consisting of less than eight (8) hours shall lose their forty (40) hour
- 31 guarantee for the time lost that day.
- 32

33 **SECTION 7. WORK AFTER THE "EXTRA BOARD" COMPLETION:** If work

34 becomes open after the "Extra Board" has been completed and posted for the next day,

35 the dispatcher shall assign the work the following morning or as it becomes available

36 the following day in the following order:

37

1 Article 27: Extra Board Operation/Procedures

2 Page -5-

- 3 (1) "Extra Board Operators", in "Extra Board" order, who have  
4 been assigned less than eight (8) hours pay time for the day  
5 and who can handle the open assignment in addition to their  
6 current assignments.  
7  
8 (2) "Standby Operators" in order of the position on the "Extra  
9 Board" for that day.  
10  
11 (3) "Off-Day Operators" who have signed up the "Extra Work"  
12 sheet the prior day:  
13

14 If it is necessary to use operators who have signed for "Extra  
15 Work" but have not been assigned work on the "Extra Board"  
16 for that day since the work has become available since the  
17 "Extra Board" was completed and posted, the dispatcher  
18 shall call such "Off-Day Operators", either by telephone or by  
19 the two-way radio, in seniority order and make the  
20 assignment available. If the dispatcher is required to contact  
21 the operator by calling their home, only one (1) telephone  
22 call shall be made to the operator's local primary telephone  
23 number. If the telephone is answered by an answering  
24 machine, the dispatcher will leave a message. If the operator  
25 calls the dispatcher back and work is still available, the  
26 operator will be given the assignment. If the operator is not  
27 at home or cannot be personally contacted, the operator  
28 shall be deemed to have missed their opportunity to work the  
29 open assignment and the next operator in seniority order will  
30 be telephoned.  
31

- 32 (4) In the event there are insufficient volunteer operators to cover  
33 "Open Work", the "Open Work" will be assigned to "Off-Day  
34 Operators" in reverse seniority order. The operator so assigned  
35 must work the assignment. If the operator is placed on stand-by,  
36 they will be guaranteed four (4) hours pay per day.  
37

38 **SECTION 8. HOLD-DOWNS:** A "Hold-Down" is defined as a "Run" normally operated  
39 by a "Regular Operator" for four (4) or five (5) days per week, which is known by the  
40 COMPANY to be vacant for a period of one (1) or more weeks in the future. The  
41 vacancy can be caused by vacation, a minimum of one week of annual leave, leave of  
42 absence, extended illness, workers' compensation injury or any other extended  
43 absence. "Extra Board Operators" shall be allowed to bid in seniority order, on a weekly  
44 basis for "Hold-Downs" for the next week based on the following procedure:  
45

1 Article 27: Extra Board Operation/Procedures

2 Page -6-

- 3
- 4 (A) No later than 11:00 a.m. each Monday, the dispatcher shall post a list of  
5 all "Runs" normally operated by "Regular Operators" and which are  
6 known to be vacant the following week as a result of scheduled vacation,  
7 leave of absence, Workers' Compensation or extended illness. "Extra  
8 Board Operators" will be allowed to bid, in seniority order, on any of the  
9 open "Runs" to be operated for the entire following week. Bidding must  
10 be completed by 8:00 a.m. on Thursday of the week prior to the "Run"  
11 being open.
- 12
- 13 (B) No later than 11:00 AM on the Thursday of the week prior to the "Run"  
14 being open, the dispatcher shall post the results of the bidding process  
15 and the "Extra Board Operators" which have bid a "Hold-Down" for the  
16 following week will be required to operate that "Run" during the entire next  
17 week; unless a "Regular Operator" who has been out on an extended  
18 illness, disability or Workers' Compensation returns to work unexpectedly.  
19 In that event, the "Regular Operator" will return to their bid "Run" and the  
20 "Extra Board Operator" will return to the "Extra Board" but will retain the  
21 same days off as the "Hold-Down" "Run" for the remainder of the week.
- 22
- 23 (C) During a "Hold-Down" situation, the "Extra Board Operator" will assume  
24 the days off associated with the "Run" being held-down. Upon completion  
25 of the "Hold-Down" week, the "Extra Board Operator" will return to their  
26 original pre-determined days off. Upon returning to the "Extra Board" from  
27 a "Hold-Down", the "Extra Board Operator" will return to their place on the  
28 "Extra Board" rotation based on their seniority location on the "Extra  
29 Board" that day.
- 30
- 31 (D) Any "Runs" posted for "Hold-Down" which are not bid will be operated by  
32 the "Extra Board" and be assigned on a daily basis as provided in Section  
33 6 herein.
- 34

35 **SECTION 9.** **EXTRA BOARD GUARANTEE:** "Extra Board Operators" will be  
36 guaranteed forty (40) hours per week for a scheduled five (5) day work week with

38

1 Article 27: Extra Board Operation/Procedures

5 scheduled. An "Extra Board Operator", absent for any type of unpaid leave shall have  
6 their weekly guarantee reduced by the amount of work time they are absent or fail to  
7 accept.

8

9 Should an "Extra Board Operator" be absent from duty or unavailable for service part of  
10 a day, they shall receive pay only for that part of the day worked and their weekly  
11 guarantee will be reduced according to the hours absent.

1 Article 28: Maintenance Classification

2 Page -2-

3  
4 the COMPANY. The UNION will be provided a copy of the bid at least three (3) days  
5 prior to posting of the bid. Maintenance Technicians will normally be assigned work  
6 within their specialty area, provided however, that Maintenance Technicians shall not  
7 refuse to perform work outside their specialty area when requested by the COMPANY.  
8 Maintenance Technicians may be required to work outside their specialty area when the  
9 COMPANY determines at its sole discretion that there is a lack of work in one specialty  
10 area or a greater workload or greater priority in a different specialty area. In addition,  
11 the COMPANY at its sole discretion shall have the right to assign work to a  
12 Maintenance Technician outside of their specialty, as the COMPANY deems necessary  
13 to insure that all Maintenance Technicians remain cross-trained in each specialty area.  
14 If a Maintenance Technician is required to work outside their specialty area, another  
15 employee will not be assigned to their picked position.

16  
17 If a license or certification is required by Federal, State or local law or regulation to  
18 perform certain specialty jobs, the Maintenance Technician must hold that valid license  
19 or certificate before picking such specialty area to work. The valid license or certificate  
20 must be maintained by the Maintenance Technician to continue working in the specialty  
21 area requiring the license or certificate. Maintenance Technicians holding special  
22 licenses or certificates will bid the posted specialty positions based on seniority.

23  
24 The COMPANY will make every effort to make available training to obtain special  
25 licenses and certifications for employees desiring such training, provided however, that  
26 the COMPANY shall have the sole determination to decide the type and amount of  
27 training needed.

28  
29 Any new training in any specialty area will be first offered to the Maintenance  
30 Technicians who have bid and been assigned work in that specialty area unless the  
31 employee has had similar training within the past two (2) years. Thereafter,  
32 Maintenance Technicians in other specialty areas will be offered the training to the  
33 extent that the COMPANY determines that budget and work load permit.

34  
35 If any critical specialty position posted is not bid the COMPANY shall fill the slot by  
36 assigning qualified and/or certified employees in reverse Classification seniority order.

37  
38 **SECTION 3. TECHNICIAN TRAINEE:** a Technician Trainee shall be a training  
39 position for the Classification of Maintenance Technician. This Classification of

43 certifications required to become a Maintenance Technician through enrollment in  
44 outside technical schools or training seminars. Technician Trainees will be evaluated

1 Article 28: Maintenance Classification

2 Page -3-

3  
4 and/or tested every two (2) weeks by supervisory personnel while serving their  
5 probationary period and every three (3) months thereafter to determine their proficiency  
6 in each specialty area. The testing may include written and proficiency evaluations.  
7 Copies of the test results/evaluations will be provided to the Union. The COMPANY  
8 reserves the right to judge the qualifications, fitness and proficiency of an employee in  
9 each specialty area. Upon the satisfactory demonstration to the COMPANY of the  
10 employee's proficiency in each of the specialty areas, the Technician Trainee will be  
11 promoted to the position of Maintenance Technician. If at the end of a maximum thirty  
12 (30) month training period, the Technician Trainee has not demonstrated to the  
13 COMPANY sufficient proficiency in all specialty areas the employee will be demoted to  
14 a Utility Worker Classification. If demoted to a Utility Worker Classification, the  
15 employee will be credited seniority in the Utility Worker Classification for the period  
16 served in the Maintenance Trainee Classification.

17

32 workers bi-weekly, however, the COMPANY reserves the right to determine those Utility  
33 Workers best suited for a particular job.

34  
35 **SECTION 6.** "Reasonable period of time" as used in this article shall be defined to be  
36 the time required by a majority of the employees in the same Classification to perform a  
37 similar task. The UNION shall not instigate, condone, excuse or support a slowdown or  
38 other action in the Maintenance Division which adversely affects the efficiency of the  
39 COMPANY's operation.

40  
41 **SECTION 7. WORKING LEADER:** During times when a COMPANY supervisor is

6 funds and resources, the COMPANY shall be authorized to employ a limited number of  
7 part-time employees. The number of part-time employees shall be limited to seven and  
8 one-half percent (7 1/2%) of the total authorized positions in the Operations Division and  
9 twelve percent (12 %) of the maintenance utility classifications.

10  
11 **SECTION 2.** Part-time employees shall be eligible only for the appropriate hourly rate

16 hours of work per week. Work bid on by part-time employees shall be separate and

26  
27 **SECTION 5.** Seniority for part-time employees shall be maintained separately from full-  
28 time employees. Part-time Classification Seniority is defined as the total length of  
29 continuous Part-Time service in a particular part time position. In the case of a part-

31 have completed training and are ready to be assigned regular work.

32

34 time positions within the same Classification over applicants from outside the

36 transfer into the full-time classification.

37  
38 **SECTION 7.** Full-time employees shall be given priority over non-employees whenever  
39 a part-time position becomes available. When a full-time employee transfers to a part-  
40 time position, their rate of pay will remain the same as long as there is no break in  
41 service and as long as it is the same Classification. Any vacant Part-Time position will  
42 be posted internally for fourteen (14) days before being advertised on the outside.

4 **SECTION 8.** Part-time employee's seniority shall accrue from the first day of transfer

26 prior to the granting of the Bereavement Leave.  
27

**ARTICLE 31**  
**PROMOTION TO VACANCIES**

**SECTION 1.** The Company will post all future vacancies on COMPANY bulletin boards before listing outside advertising.

**Memorandum of Agreement (MOA)  
Between  
Palm Tran, Inc. (the Company) and ATU, Local 1577 (the Union)**

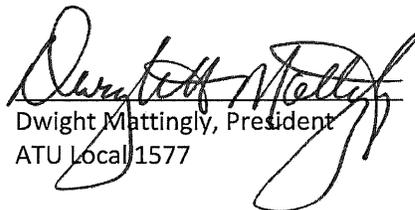

This MOA is entered into this \_\_\_ day of \_\_\_\_\_, 2017, to clarify and establish the Company and Union's agreement regarding the application of certain provisions of the tentatively approved Labor Management Agreement ("the new LMA"), following ratification by the Board of County Commissioners (BCC), and the payment of a uniform allowance to bus operators as part of the continuation of the status quo. The parties acknowledge and agree that:

1. The Company will pay the \$300 uniform allowance provided in Section 3.C. of Article 38 of the Labor Management Agreement that expired on September 30, 2016 ("the prior LMA") no later than April 21, 2017 following ratification of the new LMA and this MOA by the BCC. As a result, Section 3.C. of Article 38 of the new LMA is modified to eliminate the option to choose to receive a uniform allowance or voucher credit for fiscal year 2017. The uniform allowance and uniform voucher credit in the new LMA, for FY 2017, will not be paid or issued.
2. All miss outs occurring prior to the date of the BCC's ratification of the new LMA and this MOA for which points have been or could be assessed under Article 32 of the prior LMA will be disregarded and not counted for the purpose of the imposition of penalties or discipline under Section 3 of Article 32 of the new LMA.
3. All absences occurring prior to the date of the BCC's ratification of the new LMA and this MOA that have been or could be counted as a sick occurrence under Section 9 of Article 22 of the prior LMA will be disregarded and not counted for the purpose of disciplinary action under Section 9 of Article 22 of the new LMA.

This MOA will take effect following ratification by the bargaining unit members and the BCC's ratification of it and the new LMA. This MOA will control the resolution of any conflict between its terms and the new LMA and the prior LMA.

ATU Local 1577 hereby withdraws grievance #17-03-03 ATU and any other grievances relating to Section 1 of this MOA.
