Such causes include, but are not limited to: acts of God; natural or public health emergencies; labor disputes; freight embargoes; and abnormally severe and unusual

weather conditions.

Upon the AGENCY'S request, the COUNTY shall consider the facts and extent of any failure to perform the work and, if the AGENCY'S failure to perform was without it or its subcontractors fault or negligence, the Contract Schedule and/or any other affected provision of this Contract shall be revised accordingly; subject to the COUNTY'S rights to change, terminate, or stop any or all of the work at any time.

Therefore, each institution receiving financial support must have written policy guidelines on conflict of interest and the avoidance thereof. These guidelines should reflect State and local laws and must cover financial interests, gifts, gratuities and favors, nepotism, and other areas such as political participation and bribery. These rules must also indicate the conditions under which outside activities, relationships, or financial interest are proper or improper, and provide for notification of these kinds of activities, relationships, or financial interests to a responsible and objective institution official. For the requirements of code of conduct applicable to procurement under grants, see the procurement standards prescribed by 45 CFR Part 74, Subpart P and 45 CFR Part 92.36.

3. CERTIFICATION REGARDING LOBBYING

Title 31, United States Code, Section 1352, entitled "Limitation on use of appropriated funds to influence certain Federal contracting and financial transactions," generally prohibits recipients of Federal grants and cooperative agreements from using Federal (appropriated) funds for lobbying the Executive or Legislative Branches of the Federal Government in connection with a SPECIFIC grant or cooperative agreement. Section 1352 also requires that each person who requests or receives a Federal grant or cooperative agreement must disclose lobbying undertaken with non-Federal (non-appropriated) funds. These requirements apply to grants and cooperative agreements EXCEEDING \$100,000 in total costs (45 CFR Part 93).

The undersigned (authorized official signing for the applicant organization) certifies, to the best of his or her knowledge and belief, that:

- (1) No Federal appropriated funds have been paid or will be paid, by or on behalf of the under-

signed, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

The undersigned (authorized official signing for the applicant organization) certifies that the statements herein are true, complete, and accurate to the best of his or her knowledge, and that he or she is aware that any false, fictitious, or fraudulent statements or claims may subject him or her to criminal, civil, or administrative penalties. The undersigned agrees that the applicant organization will comply with the Public Health Service terms and conditions of award if a grant is awarded as a result of this application.

5. CERTIFICATION REGARDING ENVIRONMENTAL TOBACCO SMOKE

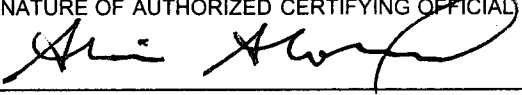

Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by Federal programs either directly or through State or local governments, by Federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such Federal funds. The law does not apply to children's services provided in private residence, portions of facilities used for inpatient drug or alcohol treatment, service providers whose sole source of applicable Federal funds is Medicare or Medicaid, or facilities where WIC coupons are redeemed.

Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity.

By signing the certification, the undersigned certifies that the applicant organization will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act.

The applicant organization agrees that it will require that the language of this certification be included in any subawards which contain provisions for children's services and that all subrecipients shall certify accordingly.

The Public Health Services strongly encourages all grant recipients to provide a smoke-free workplace and promote the non-use of tobacco products. This is consistent with the PHS mission to protect and advance the physical an mental health of the American people.

V. CONDITIONS

A. Premium

Premium charges shall be assessed in accordance with the provisions of Chapter 284, Part II, Florida Statutes, and any rules promulgated thereunder utilizing a retrospective rating arrangement premium calculation method whereby 80% of the premium is based on losses actually incurred by the insured and 20% is based on the changes in risk exposures (employees, etc.) of an insured. The premium must be paid promptly by an insured agency from its operating budget upon receiving the premium bill or invoice.

B. Audit

The Fund shall be permitted to examine and audit the insured's books and records at any time during the term of this coverage and any extension thereof, and within three years after the final termination of this coverage, as far as they relate to the premium bases or the subject matter of this coverage.

C. Insured's Duties in the Event of Occurrence, Claim or Suit

- (1) **Event of Occurrence**
Written notice containing particulars sufficient to identify the insured, along with reasonably obtainable information with respect to the time, place and circumstances thereof, the names and addresses of the injured and all known witnesses, shall immediately be given by or for the insured to the Fund.
- (2) **Notice of Claim or Suit**
If claim is made by suit brought against the insured, the insured shall immediately forward to the Fund every demand, notice, summons, or other process received by him or his representative. Failure by the insured to advise the Fund of a claim or suit prior to a settlement agreement or the insured otherwise obligating itself, shall void coverage by the Fund, for that claim.
- (3) **Assistance and Cooperation of the Insured**
The insured shall cooperate with the Fund and, upon the Fund's request, assist in making settlements, in the conduct of suits and in enforcing any right of contribution or indemnity against any person or organization who may be liable to the insured because of injury or damage with respect to which coverage is afforded under this certificate, and the insured shall upon request, make available all agency records pertaining to a specific claim, shall attend hearings and trials and assist in securing and

giving evidence and obtaining the attendance of witnesses. The insured shall not, except at his own cost, voluntarily make any payment, assume any obligation or incur any expenses other than for first aid to others at the time of accident.

(5) Severability of Interest

The term "the insured" is used severally and not collectively, but the inclusion herein of more than one insured shall not operate to increase the limits of the Fund's liability.

(6) Limits of Liability

The limit of liability expressed as applicable to "each person" is the limit of the Fund's liability for all damages, including damages for care and loss of services, arising out of personal injury and property damage sustained by one person as a result of any one occurrence; but the total liability of the Fund for all damages sustained by two or more persons as a result of any one occurrence shall not exceed the limit of liability as applicable "each occurrence".

(7) Other Insurance

If there is insurance applicable to any claim, the coverage extended by this certificate shall apply only as excess insurance over any and all other applicable insurance.

(8) Terms of Coverage

This certificate is issued for the purpose of confirming coverage as contemplated by Chapter 284, Part II, Florida Statutes. In the event of any conflict between provisions or coverages in this certificate and the provisions of any Florida Statutes or laws including, but not limited to the aforesaid, said statutes and laws shall control.

(9) Cancellation

Failure of the Fund to receive the amount of premiums billed to the insured agency within the time frames allowed by law may result in cancellation of the certificate of coverage. Payments must be made promptly from the insured's operating budget upon receipt of the premium bill as specified in Section 284.36, Florida Statutes, and lack of prompt payment will result in a request from the Fund to the Comptroller to transfer premiums from any available funds of the delinquent agency under the provisions of Section 284.44(7), Florida Statutes.

D. Self-Insurance Coverage

Coverage for defending and paying claims under this certificate is provided under the authority of Chapter 284, Florida Statutes, wherein the state is authorized to administer a self-insurance program. Provision of this certificate does not constitute the issuance of insurance other than on a self-insurance basis, and payment of any covered claim obligations is contingent upon availability of legislative funding.
