I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: an Interlocal Agreement (“Agreement”) with the Village of Palm Springs (“Participant”) for radio maintenance services.

Summary: The Agreement provides for radio equipment maintenance services to the Participant, by Facilities Development & Operations/Electronic Services & Security Division (FDO/ESS). The services are to be charged on an hourly basis at a cost of \$65 per hour/person and \$97.50 per hour/person for overtime work. In the event, the County must out-source the labor, a separate labor rate is provided to cover the cost of the contract labor. The rates may be adjusted annually with notification by June 1 (effective the following October 1st) at the County’s sole discretion, but in no event shall the Participant’s fee schedule exceed the fee schedule applied to County departments. The term of the Agreement is for three (3) years with one (1) additional renewal for a term of three (3) years. The Agreement may be terminated by either party, with or without cause, with a minimum of three (3) months’ notice. The County has been providing radio equipment maintenance service to the Participant since May 17, 2005. (ESS) Countywide (LDC)

Background and Justification: The Participant has determined that is beneficial to the Participant to utilize the County’s Facilities Development & Operations/Electronic Services & Security Division (FDO/ESS) to provide radio maintenance services for its public safety radio assets. The Participant has been interoperable with the County’s Public Safety Radio System since 2005. In lieu of outsourcing its maintenance needs to a private firm, the Participant has chosen FDO/ESS for those services. No additional personnel will be required within FDO/ESS to perform these services. Following approval of this Agreement, there will be one (1) additional renewal term of three (3) years.
