Summary: The County was awarded \$193,474 during the FY2016-17 grant cycle from the State of Florida Department of Health, Bureau of Emergency Medical Services (EMS), to improve and expand the EMS systems. The grant funding may be used by the County or municipal agencies to purchase EMS equipment and accordingly, the County has agreed to reimburse the municipalities as follows: 1) City of Boynton Beach for the purchase of patient reporting tablets in an amount not to exceed \$10,000; 2) City of Palm Beach Gardens for the purchase of patient recording tablets in an amount not to exceed \$18,200; 3) Village of North Palm Beach for the purchase of a cardiac compression device and video laryngoscopes in an amount not to exceed \$21,207; 4) City of Delray Beach for the purchase of an adult simulation lab in an amount not to exceed \$25,000; 5) City of Greenacres for the purchase of a cardiac compression device and video laryngoscopes in an amount not to exceed \$21,478; and 6) Village of Tequesta for the purchase of a patient transport stretcher in an amount not to exceed \$17,500. The remaining EMS grant funding will be used to purchase EMS equipment for the benefit of the citizens of the County and surrounding municipal agencies. On August 13, 2013, the County Administrator or designee was authorized to execute these standard agreements between the County and various governmental and non-governmental/private entities and make non-substantive and ministerial changes on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office, and within budgeted allocations. There is no ad valorem funding required. Countywide (LDC)

Background and Justification: Pursuant to Chapter 401, Part II, Florida Statutes, State of Florida Department of Health, Bureau of Emergency Medical Services has established an Emergency Medical Services Trust Fund funded through a portion of every municipal and county moving violation fine including DUI convictions. The licensed EMS providers within Palm Beach County submit a proposal for training or equipment and reimbursement is provided by the County from their EMS Grant Fund. The proposals are reviewed by the staff of the Division of Emergency Management and Grant Review Committee of the EMS Advisory Council.

Re: Village of North Palm Beach/Non-Discrimination Policy (EMS Grant)

Dear Ms. Coffman:

Consistent with Palm Beach County Resolution R2014-1421, this letter shall confirm that the Village of North Palm Beach does not discriminate on the basis of race, color, national origin, religion, ancestry, sex, age, familial status, marital status, sexual orientation, gender identity and expression, disability, or genetic information.

While the Village's policy does not expressly reference a prohibition against discrimination based on "gender identity and expression" or "genetic information," the Village's policy does prohibit discrimination "as required by law." While gender identity or expression is not expressly listed as a protected category by either federal or state statute, the Village follows legal precedent holding that Title VII of the Civil Rights Act of 1964 not only includes discrimination because of biological sex, but also gender stereotyping or failing to act and appear according to expectations defined by gender. Additionally, genetic information is a protected category pursuant to the Genetic Information Nondiscrimination Act of 2008. Finally, while not expressly stated, the Village has always interpreted its non-discrimination policy to include familial status.

Should you have any questions relative to the foregoing, please do not hesitate to contact me. Thank you for your assistance in this matter.

Sincerely yours,

Leonard G. Rubin
Village Attorney
