PROPORTIONATE SHARE AGREEMENT

This Proportionate Share Agreement (hereinafter "Agreement") is made and entered into this 27th day of June 2017, by and between Palm Beach County, a political subdivision of the State of Florida (hereinafter "County"), and Glades 95th, LLC, a Florida limited liability company (hereinafter "Developer").

WITNESSETH

WHEREAS, the Board of County Commissioners has implemented the Proportionate Share Program as required by and in a manner consistent with section 163.3180(5)(h), Florida Statutes; and

WHEREAS, the Proportionate Share Program allows developers to proceed with development notwithstanding a failure of transportation concurrency, by contributing their proportionate share to one or more regionally significant transportation facilities; and

WHEREAS, in order to conform to the requirements of this Program, the County and the Developer agree to the conditions, rights and obligations established in this Agreement; and

WHEREAS, to the extent that any of the conditions of this Agreement constitute monetary or property exactions that are subject to Nollan v. California Coastal Comm'n, 483 U. S. 825 (1987), and Dolan v. City of Tigard, 512 U.S. 374 (1994), the applicant/owner, and successors and assigns (a) agrees that there is a nexus and rough proportionality between such conditions and the impacts of this project/development, and that such conditions are necessary to ensure compliance with the criteria of the Palm Beach County Unified Land Development Code and Comprehensive Plan that are applicable to this approval, and (b) waives any claims based on such conditions; and

WHEREAS, the Board of County Commissioners of Palm Beach County has delegated to the County Administrator or his or her designee the authority to enter into this Agreement on behalf of the County; and

NOW, THEREFORE, in consideration of the promises, mutual covenants, and conditions contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties to this Agreement agree as follows:

Section 1. Recitals

The above recitals are true and correct and form a part of this Agreement.

Section 2. Project Identification

The proposed Project is known as Johns Glades West (LGA 2017-003) and is generally located west of 95th Avenue South, south of Glades Road.

Section 3. Proportionate Share Payment

The total amount of proportionate share payment for the required road improvement(s) shall be Four Million One Hundred Sixty-Five Thousand Nine Hundred Ninety and 36/100 Dollars (\$4,165,990.36). The proportionate share amount was calculated in accordance with the methodology provided for in section 163.3180(5)(h), Florida Statutes, and based on the Developer's Traffic Study (hereinafter "the Study"), prepared by Kimley Horn & Associates, Inc, dated February 13, 2017. While the proportionate share payment(s) set forth in the Study are based on the proportionate costs of specific road improvements, the parties hereto understand and agree that: A) any and all payment amounts are subject to adjustment pursuant to Section 4 of this Agreement; and B) County, in its sole discretion, may apply such payment(s) to one or more mobility improvements to regionally significant transportation facilities.

Payments shall be submitted to Palm Beach County pursuant to the following schedule:

1. No building permits for more than 274 dwelling units shall be issued until the Developer makes a proportionate share payment in the amount of \$1,116,485.42.
2. No building permits for more than 24,050 square feet of commercial use shall be issued until the Developer makes a proportionate share payment in the amount of \$1,519,249.97.
3. No building permits for more than 70,444 square feet of commercial use shall be issued until the Developer makes a proportionate share payment in the amount of \$1,530,254.97.

Section 4. Payment Adjustment Calculation

Pursuant s.163.3180(5)(h)2., F.S., proportionate share payments shall be based on the improvement cost at the time of payment. The parties hereto agree that the payment amounts set forth in this Agreement shall be subject to the following calculation to account for changes in road development costs that may occur between the effective date of this Agreement and the date each proportionate share payment is due.

Adjusted Payment (when payment is being made) = Original Payment Amount x
Cost Adjustment Factor

Where,

Original Payment Amount = Proportionate Share Payment amount specified in the
Proportionate Share Agreement.

Cost Adjustment Factor =

$$\frac{\text{Producer Price Index (PPI) for Commodities Code ID WPUIP2312301 (month of payment)}}{\text{Producer Price Index (PPI) for Commodities Code ID WPUIP2312301 (month of Proportionate Share Execution)}}$$

The Bureau of Labor Statistics Producer Price Index (PPI) for Commodities (Series ID: WPUIP2312301), could be found at <http://data.bls.gov/timeseries/WPUIP2312301>.

If at the time a Proportionate Share payment is due, the Commodities Code ID WPUIP2312301 is no longer used by the United States Bureau of Labor Statistics, the Adjusted Payment will be based on the Producer Price Index for non-residential commodities then in effect. In the event such an index is no longer in use, the Adjusted Payment will be based on the United States Bureau of Labor Statistics Consumer Price Index then in effect.

Section 5. Term of concurrency approval

In consideration for entering into this Agreement with the County, the Developer shall be deemed to have satisfied traffic concurrency requirements; provided, however, if the Developer fails to apply for a development permit within twelve months of the date of this Agreement, then this Agreement and, the certificate of concurrency approval, shall be considered null and void, and the applicant shall be required to reapply to meet Palm Beach County Traffic Performance Standards. In the event the County or municipality, as applicable, denies the development order application that gave rise to this Agreement, or if the Developer for any reason withdraws the development order application, then this Agreement, and the certificate of concurrency approval will be void and of no further force and effect.

Section 6. Increase in Project Trips

Any change to the Project could result in an increase in trips that impact one or more of Palm Beach County's Major Thoroughfares, as defined by Unified Land Development Code, Section 1.1.2.M.6. The Developer understands and agrees that it is precluded from asserting that those additional trips are vested or otherwise permitted under this Agreement. In addition, Developer understands and agrees that any such changes resulting in an increase in trips may cause this Agreement to be null and void, or may require the application for and execution of an additional Proportionate Share Agreement, along with any other traffic study or additional documentation.

Section 7. Road Impact Fee Credit

Proportionate share contributions shall be applied as a credit against road impact fees regardless of how the County ultimately uses the proportionate share payments. The Developer understands and agrees that in no event shall the Developer be entitled to road impact fee credits in excess of the proportionate share contribution and in the event the contribution exceeds the amount of road impact fees owed by the Project through buildout, Developer shall not be entitled to a refund for the proportionate share contribution in excess of such road impact fees.

Road impact fees paid prior to a proportionate share contribution shall be applied as a credit against proportionate share contributions. In the event the road impact fees paid exceed the required proportionate share contribution at the time the required proportionate share contribution is due, the Developer shall not be required to make the required proportionate share contribution. In the event the road impact fees paid are less than the

required proportionate share contribution at the time the required proportionate share contribution is due, the Developer shall be required to pay the difference between the road impact fees and the required proportionate share contribution.

Section 8. No refund

Proportionate share contributions are non-refundable.

Section 9. Governing Law

The Agreement and the rights and obligations created hereunder shall be interpreted, construed and enforced in accordance with the laws of the United States and the State of Florida. If any litigation should be brought in connection with this Agreement, venue shall lie in Palm Beach County, Florida.

Section 10. Attorneys' Fees and Costs

The parties hereto agree that in the event it becomes necessary for either party to defend or institute legal proceedings as a result of the failure of either party to comply with the terms and provisions of this Agreement, each party in such litigation shall bear its own costs and expenses incurred and expended in connection therewith including, but not limited to, reasonable attorneys' fees and court costs through all trial and appellate levels.

Section 11. Severability

If any provision of this Agreement or the application thereof to any person or circumstance shall be invalid or unenforceable to any extent, the remainder of this Agreement and the application of such provisions to other persons or circumstances shall not be affected thereby and shall be enforced to the greatest extent permitted by law.

Section 12. Agreement

This Agreement contains the entire agreement between the parties. No rights, duties or obligations of the parties shall be created unless specifically set forth in this Agreement.

Section 13. Amendment

No modification or amendment of this Agreement shall be of any legal force or effect unless it is in writing and executed by both parties.

Section 14. Binding Agreement

This Agreement shall inure to the benefit of and shall bind the parties, their heirs, successors and assigns.

Section 15. Assignment

This Agreement may not be assigned without the prior written consent of the other party, and all the terms and conditions set forth herein shall inure to the benefit of and shall

bind all future assignees.

Section 16. Waiver

Failure to enforce any provision of this Agreement by either party shall not be considered a waiver of the right to later enforce that or any provision of this Agreement.

Section 17. Notices

Any notice, request, demand, instruction or other communication to be given to either party under this Agreement shall be in writing and shall be hand delivered, sent by Federal Express or a comparable overnight mail service, or by U.S. Registered or Certified Mail, return receipt requested, postage prepaid, to County and to Developer at their respective addresses below:

To ensure faithful performance of the construction of the required improvements, the Developer shall also require all contractors performing work on the required improvements to execute and deliver to the Developer a payment and performance bond in an amount equal to one hundred ten percent (110%) of the certified cost estimate of the improvement prior to the issuance of any permit authorizing commencement of construction of the improvement. The bond shall be issued by a company authorized to do business in this State and which has a current valid certificate of authority issued by the United States Department of Treasury under 31 USC §9304-9308.
