and to accept as full compensation for the satisfactory performance of this Contract the sum of **One Million Thirty One Thousand Five Hundred Seventy -Two and 00/100 Dollars (\$1,031,572.00)**, **which includes the Total Bid Amount, Base Bid (Bid Schedules 1, 2 & 3) for the Runway Signage and Marking Re-Designation at Palm Beach County Glades Airport (PHK), Palm Beach County Park Airport (LNA) and North Palm Beach County General Aviation Airport (F45).**

The prices named in the Bid are for the completed work, and include the furnishing of all materials and all labor, tools, and appliances and all expense, direct or indirect, connected with the proper execution of the work and of maintaining the same until it is accepted by the Board of County Commissioners.

Time is of the essence. The Contractor shall commence the work to be performed under this Contract on the date set by the Owner in the written notice to proceed, continue the work with due diligence and shall complete the entire work per Attachment No. 2 to the Bid Form. Further, in the event interim milestone completion dates are established in Attachment No. 2 of the Bid Form for separable portions of the work, the Contractor agrees to complete said separable portions of the work in accordance with said milestone dates.

In case of failure on the part of the Contractor to complete the work within the time(s) specified in the Contract, or within such additional time(s) as may be granted by formal action of the Board of County Commissioners or fails to prosecute the work, or any separable part thereof, with such diligence as will insure its completion within the time(s) specified in the Contract or any extensions thereof, Owner will suffer damage, the amount of which is difficult, if not impossible to ascertain. Therefore, the Contractor shall pay to the Owner, as liquidated damages, the amounts indicated in the Milestone and Damages Data (Attachment #2 of the Bid Form) for each calendar day of delay that actual completion extends beyond the time limits specified in said Attachment until such reasonable time as may be required for final completion of work. In no way shall costs for liquidated damages be construed as a penalty on the Contractor.

Liquidated damages due to the Owner may be deducted from payments due to the Contractor, or may be collected from the Contractor or its surety or sureties. These provisions for liquidated damages shall not prevent the Owner, in case of the Contractor's default, from terminating the Contractor's right to proceed as provided in General Provision section 80-09 "Default and Termination of Contract".

As provided in F.S. 287.132-133, by entering into this contract or performing any work in furtherance hereof, the contractor certifies that it, its affiliates, suppliers, subcontractors and consultants who will perform hereunder, have not been placed on the Convicted Vendor List maintained by the State of Florida Department of Management Services within the 36 months immediately preceding the date hereof. which contract is by reference made a part hereof in its entirety, and is hereinafter referred to as the Contract.

THE CONDITION OF THIS BOND is that if Principal:

1. Performs the contract dated \_\_\_\_\_, 20\_\_\_\_ between Principal and County for the construction of the **Runway Signage and Marking Re-Designation Project at PHK, LNA & F45, Contract No. DOA 17-2**, the contract being made a part of this bond by reference, in the time and in the manner prescribed in the Contract and;

1. Complete the Contract in accordance with its terms and conditions; or
2. The term "balance of the Contract price" as used in this paragraph, shall mean the total amount payable by COUNTY to Principal under the Contract and any amendments thereto, less the amount properly paid by COUNTY to Principal.

Any changes in or under the Contract Documents and compliance or noncompliance with any formalities connected with the Contract or the changes does not affect Surety's obligation under this bond. Any increase in the total contract amount as authorized by the COUNTY shall accordingly increase the Surety's obligation by the same dollar amount of said increase. Use the SF-LLLA Continuation Sheet for additional information if the space on the form is inadequate. Complete all items that apply for both the initial filing and material change report. Refer to the implementing guidance published by the Office of Management and Budget for additional information.

- 5. If the organization filing the report in item 4 checks "Subawardee," then enter the full name, address, city, State and zip code of the prime Federal recipient. Include Congressional District, if known.
- 6. Enter the name of the Federal agency making the award or loan commitment. Include at least one organizational level below agency name, if known. For example, Department of Transportation, United States Coast Guard.

Include prefixes, e.g., "RFP-DE-90-001."

Runway Signage and Marking Re-Designation  
PBC Project No: DOA 17-2**

Dear Mr. Sypek:

CH2M and our subconsultant Hillers Electrical Engineering, conducted a technical review of the bid proposal received by the DOA on Thursday, June 8, 2017 at 2:00 pm Local Time for the above referenced project. The bid proposal was submitted by H.L. Pruitt Corp.

H.L. Pruitt Corp. was the only bid received, at \$1,031,572.00. A bid form checklist and a tabular comparison of the bid with the Engineer's Estimate of Probable Cost is attached. The bid is substantially complete with minor irregularities that should be simply resolved without increasing the bid price.

Based on our analysis, CH2M and our subconsultants recommend that H.L. Pruitt Corp. be awarded the project in the amount of \$1,031,572.00 as the lowest responsible and responsive bidder and as technically qualified to perform the scope of work as defined in the bid documents, subject to PBC Dept. of Airports review.

Please do not hesitate to call me if you have any questions.

Sincerely,

CH2M
