I. EXECUTIVE BRIEF

Motion and Title: **Staff recommends motion to approve:** Allocation of \$345,000 for use as the required local government contribution under the Florida Housing Finance Corporation's (FHFC) State Apartment Incentive Loan (SAIL) Program.

Summary: FHFC administers the State of Florida's SAIL Program and annually solicits applications from affordable multi-family rental housing developers who require low-interest loans for the financing of projects which provide housing opportunities to lower income households. The SAIL Program requires local government contributions in order for developer applications to receive full scoring during the application review process. Palm Beach County through the Department of Housing and Economic Sustainability (DHES) has historically provided the required local government contribution in the form of low-interest loans to affordable housing developers who apply to the FHFC for low-interest loans under the SAIL Program. DHES is seeking authorization to provide up to \$345,000 or \$115,000 in loan commitments to each of up to three (3) local affordable housing developers, for use as the required local government contribution at the time they apply to FHFC under the SAIL Program. DHES will advertise a Notice of Funding Availability seeking Letters of Interest from affordable multi-family housing developers. Should the \$345,000 allocated hereby not be fully committed to the three (3) affordable multi-family housing developers as anticipated above, then the balance of uncommitted funds may be committed to developers in conjunction with FHFC's Housing Tax Credit Program. County Loan Agreements with developers who are awarded funding by FHFC under the SAIL Program will be submitted to the Board of County Commissioners (BCC) for final approval. The County's funding of \$115,000 per project will be provided in the form of a 1% interest only loan which balloons in 30 years. These funds will remain available for use by a developer provided that the project closes within 24 months from the date FHFC approves the project. The County's loan documents will impose a 30 year affordability period and require the developer to pay an annual \$1,000 monitoring fee. This \$345,000 allocation is derived from State Housing Initiatives Program (SHIP) program income. Any funding not obligated to successful SAIL projects will be reallocated by DHES to other eligible affordable housing activities. **These are State Housing Initiative Partnership (SHIP) Program grant funds, which require no local match. Countywide (JB)**

Background and Justification: On May 18, 1993, the BCC adopted its Affordable Housing Ordinance (No. 93-8 as amended) pursuant to the SHIP Program regulations outlined by the FHFC. DHES administers all funding received for the SHIP Program, the Universal Housing Trust Program, and the Workforce Housing In-lieu Payment Program. The current SHIP Local Housing Assistance Plan adopted by the BCC on April 19, 2016 (R2016-0535) establishes how current SHIP funding is to be allocated to facilitate new construction, rehabilitation, acquisition, and preservation of affordable housing.
