BETWEEN PALM BEACH COUNTY  
AND**

THIS AGREEMENT is made this 16 day of August, 201 7, between Village of North Palm Beach (hereinafter "Contractor"), and Palm Beach County, a political subdivision of the State of Florida, by and through its Board of Commissioners (hereinafter "County"), hereinafter referred to collectively as the "parties."

**WITNESSETH**

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority that such agencies share in common and that each might exercise separately; and

WHEREAS, pursuant to Chapter 125.01, Florida Statutes, the Board of County Commissioners of Palm Beach County is empowered to establish and administer programs of conservation and to enter into agreements with other governmental agencies within or outside the boundaries of the County for joint performance, or performance of one unit on behalf of the other, of any of either governmental entity's authorized functions; and

WHEREAS, in October of 1989, the Florida Governor and Cabinet directed thirteen (13) "key" manatee counties, including Palm Beach County, to prepare a Manatee Protection Plan ("MPP"); and

WHEREAS, on August 21, 2007, the Board of County Commissioners approved a MPP that provides for increased law enforcement presence in the County's waterways, as one means to provide greater manatee protection; and

WHEREAS, on December 18, 2007, the Board of County Commissioners approved a Resolution (2007-2277) with a standard form Interlocal Agreement with law enforcement agencies for an increased law enforcement presence in the estuarine waters of Palm Beach County during manatee season which was later amended in August 19, 2014 (R-2014-1193); and

WHEREAS, studies performed by the Florida Fish and Wildlife Conservation Commission have demonstrated that the increased law enforcement presence is the most effective means to gain compliance with boater speed zones; and

WHEREAS, the parties wish to enter into an agreement for the provision of an increased level of marine law enforcement services during manatee season, as provided herein.

NOW THEREFORE, in consideration of the mutual covenants and promises of the parties hereto, the Contractor and the County agree as follows:

**1) Recitals**

The recitals set forth above are true and correct and form a part of this Agreement.

**2) Purpose.**

The purpose of this Interlocal Agreement (the "Agreement") is to provide for additional marine law enforcement services within estuarine waters of the County during manatee season, which begins November 15th and ends the following March 31st. The law enforcement services provided herein are intended to be in addition to the level of law enforcement services already provided by the Contractor and are not a replacement for said services.

**3) Location of Law Enforcement Services**

The Contractor shall provide marine law enforcement services, hereinafter referred to as "services", within the geographical area over which it has jurisdiction to enforce the law, such shall be hereafter referred to as the "Enforcement Area" and is included within the estuarine waters of Palm Beach County which are more specifically described in Exhibit "A".

**4) Responsibility of Contractor**

A. The Contractor shall enforce State statutes, administrative rules, local and County ordinances related to vessel control, marine resource protection, and manatee protection; assist in the investigation, apprehension, and prosecution of violators of existing boat and manatee protection speed zones; assist in the monitoring of waterway markings and regulatory signs in the Enforcement Area; and assist in educating boaters about manatee and boater safety issues.

B. During the term of this Agreement, the Contractor shall provide law enforcement officer(s) to patrol the waters of the Enforcement Area and to enforce all applicable laws. The law enforcement officer(s) shall provide services on Saturday, Sunday and Martin Luther King Jr. and President's Day between the hours of 6 A.M. and 6 P.M. During the term of this Agreement, the Contractor shall provide law enforcement services on any day or times aside from a Saturday, Sunday and the above-cited holidays at the request of the County. Requests for the provision of law enforcement services on a day or days in addition to the regularly scheduled days or times shall be made in writing prior to the date when such services are needed.

C. The Contractor shall furnish and supply all labor, supervision, equipment (including but not limited to a vessel), insurance, and supplies necessary to perform under this Agreement.

D. All marine officers performing services pursuant to this Agreement must be knowledgeable of State statutes, administrative rules, local and County ordinances related to vessel control, marine resource protection, manatee protection, existing boat and manatee protection speed zones, waterway markings, regulatory signs in the enforcement areas and must have the knowledge necessary to assist in educating boaters about manatee and boater safety issues. The County may request documentation of training and experience of each officer who performs services under this Agreement to ensure that such officers are qualified to perform services pursuant to this Agreement.

E. The Contractor shall submit invoices for payment to the County on a monthly basis. Invoices shall include a reference to this Agreement, identify the amount due and payable to the Contractor, and include records sufficient to substantiate the costs incurred. Invoices shall be in sufficient detail for pre-audit and post-audit review. The Contractor shall provide the following information with the invoice: Standard Marine Enforcement Monthly Report Form (form to be provided by the County); documentation of warnings and citations issued to violators by the Contractor; and monthly payroll documentation for hours worked by any officer who performs services under the terms of this Agreement. Unless explicitly requested by the County, the County will not reimburse the Contractor for the presence of more than one officer per boat.

F. In the event that during the term of this Agreement an officer issues a citation, which is challenged in the Palm Beach County court system, the Contractor shall immediately inform the County. The County will then determine whether the Contractor will be reimbursed under the terms of this Agreement for the time expended by the officer to attend such court proceeding.

## 5) Responsibility of the County

A. The County will reimburse the Contractor for law enforcement services as provided for herein at the rate of \$87.50 per hour per officer for on-water enforcement activity and approved court proceedings, which includes the cost of salaries, fringe benefits, and all other services and expenses incurred by the Contractor in the fulfillment of this Agreement. The County will reimburse the Contractor on a monthly basis at the rate provided herein, provided that a proper invoice detailing such services is received and approved by the County. In no event shall the total amount paid to the Contractor by the County exceed a total amount set annually by the County by October 1st of each year, which will be defined in an award letter ("Award Letter") sent to the Contractor each year by the Director of the Department of Environmental Resources Management (the "Director") prior to the beginning of manatee season.

B. The County may perform an evaluation of each Contractor after **January 15<sup>th</sup>** of each year to assess the quality and quantity of services being performed by the Contractor between November 15 and January 15 of each year. If it appears that the Contractor is not providing sufficient law enforcement services to expend the funds set aside for the Contractor per the Award Letter, the Director may issue an amended award letter ("Amended Award Letter") to the Contractor reducing the funds set aside for the Contractor in the Award Letter so that such funds may be reallocated to more productive Contractor(s).

## 6) Effective Date and Term of the Agreement

This Agreement shall take effect November 15, 2017, and shall terminate on March 31, 2018, unless earlier terminated as provided herein or extended by the parties.

B. All employees and agents of the Contractor who perform any act or service under the terms of this Agreement shall at all times be considered employees of the Contractor and not of the County. The Contractor will be responsible for supervising, disciplining, and setting policies pertaining to terms and conditions of employment for those employees performing Services as provided herein.

C. The Contractor does not have the power or authority to bind the County in any promise, agreement or representation.

**9) Payment**

A. For reimbursement to occur, the Contractor shall submit invoices to the County that shall include a reference to this Agreement, identify the amount due and payable to the Contractor, and include records sufficient to substantiate the costs incurred. Invoices shall be itemized in sufficient detail for prepayment audit thereof. The Contractor shall provide additional documentation to support any invoice if requested by the County. Invoices received from the Contractor shall be reviewed by the Department of Environmental Resources Management and upon approval shall be sent to the County's Finance Department for final approval and payment. Invoices will normally be paid within forty-five (45) days of receipt. In the case of a dispute involving the amounts due to the Contractor, payment may be delayed.

B. In order for both parties herein to close their books and records at the conclusion of each manatee season, the Contractor will clearly state "final invoice" on the Contractor's final/last invoice to the County. The Contractor will submit the final invoice within thirty (30)

days from the end of the manatee season. This shall constitute the Contractor's certification that all services have been properly performed and all charges and costs have been invoiced to the County. Any other charges not properly included on this final invoice are waived by the Contractor.
