I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: A refund to the Friends of Mounts Botanical Garden, Inc. (FMBG) in the amount of \$40,201 for costs the FMBG incurred for a FMBG employee performing job responsibilities of a County employee.

Summary: The Mounts Botanical Garden of Palm Beach County (Garden) Curator-Director position, which is a County employee position within the Cooperative Extension Services Department, remained vacant from September 11, 2016 through July 16, 2017. During this 308-day time period, a FMBG employee served in the capacity of interim Curator-Director, and devoted 80% of her time conducting work responsibilities that are traditionally conducted by a Palm Beach County employee. The FMBG absorbed salary/benefit costs totaling \$40,201 during this interim Curator-Director time period. To offset the costs absorbed by the FMBG, \$40,201 is being requested to reimburse the FMBG. Funding is coming from Cooperative Extension Services FY2018 budget. District 7 (AH)

Background and Justification: The FMBG assists the County with funding of a horticulturist and a gardener position to support the Garden. The County pays for the full salary of a Curator-Director to oversee the Garden. From September 11, 2016 through July 16, 2017, the Curator-Director position remained vacant. A FMBG employee served in the capacity of interim Curator-Director. The salary for the FMBG employee acting as the interim Curator-Director was paid for by FMBG. To offset these costs so the FMBG can continue to fund a horticulturist and a gardener position to support the Garden, a refund to FMBG in the amount of \$40,201 is being requested for approval.
