Summary: Amendments No. 2 extends the term of the Contracts for roofing services for one (1) year through December 14, 2018. The Board approved the annual Contracts on December 15, 2015, and the original Contracts provided for an initial term of one (1) year with four (4) renewal options each for a period of one (1) year each. The Annual Roofing contracts are indefinite-quantity contracts initially with a value of \$1,500,000. This was increased by \$1,500,000 with Amendments No. 1, for a maximum cumulative value of \$3,000,000. Projects are bid among the pre-qualified participants. During the first two years of the Contracts, the County awarded \$1,338,630 in work orders. Three (3) of the seven (7) contractors are Palm Beach County businesses and the remaining four (4) are based in Broward. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15%. The cumulative SBE participation for all work orders to-date is 75%. (Capital Improvements) Countywide (LDC)

Background and Justification: All seven (7) contractors were originally pre-qualified to provide roofing services associated with repairs, improvements and renovations to County properties. Work is awarded as work orders on a lump-sum, competitively quoted basis among the pool of pre-qualified roofing contractors. original contract terms were for one (1) year and allowed for four (4) additional one (1) year renewals. This will be the second renewal. It is the consensus of Facilities Development and Operations that these seven (7) contractors have successfully provided the services required by the County in a timely manner. They are in good standing and wish to continue to provide services.
