Revised 02/01/2016

June 28, 2017

Dear Palm Beach County Board of Commissioners:

I appreciate the consideration for the emergency room physician seat #7. I proudly served in this same position from 2010-2014. During my time, I was extremely active in the council and was instrumental in chairing the strategic planning subcommittee. Given the opportunity again, it my desire again to take an active leadership role in the council and restart the subcommittee. I am very involved in EMS with my medical directorship at Delray Beach Fire-Rescue and have been an emergency physician and medical director of a two-hospital system for almost fifteen years. I believe my dedication to EMS, my leadership in medical direction, and my experience as a veteran emergency physician would be an asset to the council. Thank you again for your consideration.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Craig Kushnir, D.O.", with a stylized flourish at the end.

Craig B. Kushnir, D.O.
