\*Program costs include salaries of \$74,572 and operating expenses of \$6,422. Revenues are estimated using the average number of licenses for FY16 and FY17. Additional revenue generated from an increase in fees and the establishment of a renewal period will help offset the program deficit. Since this is a new requirement and there is no prior renewal rate information available, the fiscal impact is indeterminable at this time.

## **Summary (continued from Page 1)**

Section 17-153 of the Adult Entertainment Ordinance requires performers in adult entertainment establishments to apply for work identification (ID) cards from the Public Safety Department and show proof that they are at least eighteen years old. This proposed amendment to the ordinance will establish a renewal period of two years for the work ID card to protect the vulnerable children and young adults. The current work ID card is valid for a lifetime. Additionally, each adult entertainment establishment will be required to retain a complete performer roster for a period of 30 days and copy of the performers work ID for two years. Furthermore, the violation sections were modified to include additional legal actions by the county for violations to the Ordinance. The current ordinance provides that fees for work identification cards be established by Board resolution. An amended resolution will accompany the final adoption of the ordinance on March 13, 2018. The amended resolution will propose an increase to the fees for a new work ID from \$75 to \$100 and for a duplicate copy from \$25 to \$30. The current fees set in 2008 have not generated enough revenue to offset the cost of the department to administer the program. Approximately 700 applications are processed annually. The cost of the program is approximately \$81,000 per year, which includes personnel costs, identification card equipment and supplies, and other administrative costs. The proposed amendment to the Adult Entertainer Ordinance was presented to the League of Cities on January 24, 2018 and was unanimously approved. Countywide (LDC)

**Background and Policy Issues:** Because of numerous concerns of minors performing in adult entertainment establishments, in July 1999, the Board of County Commissioners amended Chapter 17, Article V of the Palm Beach County Code (Adult Entertainment Code) to require performers in adult entertainment establishments in Palm Beach County to obtain work ID cards from the Public Safety Department. Operators, managers, or owners of adult entertainment establishments shall not allow performers to work without valid work identification cards.
