I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a Resolution of the Board of County Commissioners of Palm Beach County, Florida amending the work identification card application and duplicate card fees for individuals performing in adult entertainment establishments; repealing and replacing Resolution No. 2008-2350; and providing for an effective date.

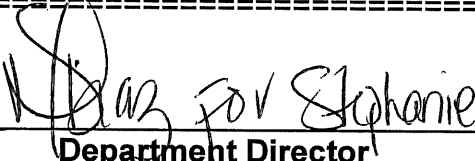

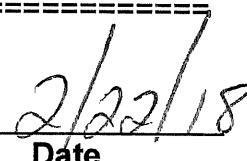

Summary: This proposed amendment to the resolution increases fees for a new work ID from \$75 to \$100 and for a duplicate copy from \$25 to \$30. The current fees set in 2008 have not generated sufficient revenue to offset the cost of the department to administer the program. Approximately 700 applications are processed annually. The cost of the program is approximately \$81,000 per year, which includes personnel costs, identification card equipment and supplies, and other administrative costs. Countywide (LDC)

Background and Policy Issues: Because of numerous concerns of minors performing in adult entertainment establishments, in July 1999, the Board of County Commissioners amended Chapter 17, Article V of the Palm Beach County Code (Adult Entertainment Code) to require performers in adult entertainment establishments in Palm Beach County to obtain work ID cards from the Public Safety Department. Section 17-153 of the Adult Entertainment Ordinance requires performers in adult entertainment establishments to apply for work identification (ID) cards from the Public Safety Department and show proof that they are at least eighteen years old. Operators, managers, or owners of adult entertainment establishments shall not allow performers to work without valid work identification cards.

 Rev No: Fund 0001 Department 660 Unit 6120 RevSc 2906

B. Recommended Sources of Funds/Summary of Fiscal Impact:

*Program costs include salaries of \$74,572 and operating expenses of \$6,422. Revenues are estimated using the average number of licenses for FY16 and FY17. Additional revenue generated from an increase in fees and the establishment of a renewal period will help offset the program deficit. Since this is a new requirement and there is no prior renewal rate information available, the fiscal impact is indeterminable at this time.
