I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

- A) **Adopt** a resolution of the Board of County Commissioners (BCC) of Palm Beach County, Florida, granting a County tax exemption for the historic rehabilitation of the property located at 55 SE 7th Avenue, Delray Beach, (Residential).
- B) **Approve** a restrictive covenant for 55 SE 7th Avenue, Delray Beach, (Residential) requiring the qualifying improvements be maintained during the period that the tax exemption is granted.

Summary: The resolution will authorize a County tax exemption for the following historic properties located within the City of Delray Beach: 55 SE 7th Avenue, (property is privately owned for Residential use).

If granted, the tax exemption shall take effect January 1, 2018, and shall remain in effect for 10 years, or until December 31, 2027. The exemption shall apply to 100 percent of the assessed value of all improvements to the historic property, which resulted from restoration, renovation, or rehabilitation of the property. The estimated total tax exempted for the 10 years ending December 31, 2027, is \$47,089. Actual exemption amounts will be based upon the Countywide Millage rate on a yearly basis. It is estimated that approximately \$4,708 tax dollars will be exempted annually based on the 2018 Countywide Millage Rate. Accompanying each resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. For fiscal year 2017-2018, the BCC has approved a total of 2 exemptions totaling \$20,713. District 7 (RPB)

Background and Justification: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. The ordinance allows a qualifying local government to enter into an Interlocal Agreement with the County to perform review functions necessary to implement the ordinance within its municipal boundary. An Interlocal Agreement was approved by the BCC on April 7, 1996, R 98 472 D, authorizing the City of Delray Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City.

Copies of the City of Delray Beach Landmarks Preservation Commission and other backup information for the properties are available for review at the County's Planning Division.

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for each property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at the most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work for these historic buildings totals \$984,818. Estimated exemption will be based upon the Countywide Millage Rate (4.7815), it is estimated that approximately \$4,708 tax dollars will be exempted annually.

The estimated total tax exempted for the 10 years ending December 31, 2027, is \$47,089 (\$4,708.91 x 10).
