I. EXECUTIVE BRIEF

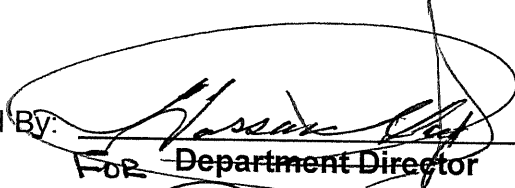

Motion and Title: Staff recommends motion to approve: Work Authorization (WA) No. 10 for Improvements to Lift Station 8148 (Project) Project with Hinterland Group Inc. in the amount of \$243,713.45.

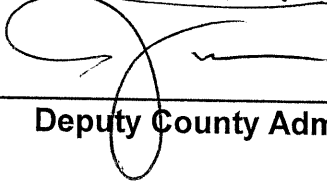

Summary: On March 10, 2015, the Board of County Commissioners (BCC) approved the Water Utilities Department (WUD) Lift Station Rehabilitation Continuing Construction Contract (Contract) with Hinterland Group, Inc. (R2015-0318). WA No. 10 provides for the rehabilitation of Lift Station 8148. The Scope of Services involves upgrading the mechanical, electrical and civil components, including discharge piping, pumps, control panel, slabs, wet well, valve vaults, and putting all stations on the WUD Supervisory Control and Data Acquisition (SCADA) system. A temporary construction easement has been granted to WUD providing access to the site through January 17, 2019, and the necessary improvements will be completed before that date. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15% overall. The Contract with Hinterland Group, Inc., provides for SBE participation of 100%. WA No. 10 includes 100% overall participation. The cumulative SBE participation, including WA No. 10 is 100% overall. Hinterland Group, Inc., is a Palm Beach County company. The Project is included in the FY18 Capital Improvement Plan adopted by the BCC. (WUD Project No. 15-023) District 6 (MJ)

Background and Justification: WUD currently operates and maintains over 900 lift stations. Some of these lift stations are operating with components that are past its expected service life. This Project will restore the life of the lift stations thus improve the long-term operability and reliability of WUD's wastewater system.
