I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: the following Interlocal Agreements with governmental agencies to provide temporary medical staff at disaster shelters located in their municipal boundaries for the duration of the shelters activation:

1. City of Palm Beach Gardens;
2. City of Greenacres;
3. City of Boca Raton;
4. City of Boynton Beach; and
5. City of West Palm Beach.

Summary: The County operates disaster shelters all across the area. Recent activations have shown the need for emergency medical services (EMS) to be present at all times at all disaster shelter locations. Currently, there are 15 emergency shelters, eight (8) of which are located in the unincorporated areas of the County, while the remaining seven (7) are located within municipal jurisdictions. These interlocal Agreements will allow the municipal fire departments to staff and assign EMS prior to a disaster to ensure that the shelter has medical staff present at all times. There are still two (2) agreements outstanding waiting for municipal approval. On September 12, 2017, the Board of County Commissioners approved the County Administrator or designee to execute these standard interlocal agreements and make minor administrative changes when needed between the County and the various governmental agencies on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office. The County will reimburse governmental agencies for eligible costs and request reimbursement from the Federal Emergency Management Agency. Countywide (LDC)

Background and Justification: The State of Florida is vulnerable to a wide range of disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services. Such disasters are likely to exceed the ability of any one local government to cope with the disasters with existing resources. The Emergency Management Act, as amended, gives the local government of the State the authority to execute agreements for mutual assistance in emergencies, and through such agreements to ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

WITNESSETH

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, the State of Florida is vulnerable to a wide range of disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services. Such disasters are likely to exceed the quality of any one local government to cope with the disasters with existing resources; and

WHEREAS, the Emergency Management Act, as amended, gives the local government of the State the authority to make agreements for mutual assistance in emergencies, and through such agreements to ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

WHEREAS, the parties desire to plan for and coordinate activities relating to emergency preparedness, response, recovery, and mitigation, including planning for the medical needs of persons temporarily located at emergency shelters during a declared state of emergency; and

WHEREAS, those municipalities with emergency shelters have agreed to staff the public shelter(s) with Emergency Medical Services (EMS) staff, and advanced life support (ALS) equipment during an emergency in order to provide for medical needs during an emergency, if needed.

**INTERLOCAL AGREEMENT BETWEEN PALM BEACH COUNTY AND THE
STAFFING OF EMERGENCY SHELTERS BY EMERGENCY MEDICAL SERVICES
STAFF**

This Interlocal Agreement ("Agreement") is made as of the day of _____, 2018, (the "Effective Date") by and between the Board of County Commissioners, Palm Beach County, a political subdivision of the State of Florida (herein referred to as the "County"), and the City of Boynton Beach a municipal corporation of the State of Florida (herein referred to as the ("City"), each one constituting a public entity as defined in Part I of Chapter 163, Florida Statutes.

WITNESSETH

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into Interlocal agreements with each other to jointly exercise any power, privilege, or authority which such agencies share in common and which each might exercise separately; and

WHEREAS, the State of Florida is vulnerable to a wide range of disasters that are likely to cause the disruption of essential services and the destruction of the infrastructure needed to deliver those services. Such disasters are likely to exceed the quality of any one local government to cope with the disasters with existing resources; and

WHEREAS, the Emergency Management Act, as amended, gives the local government of the State the authority the make agreements for mutual assistance in emergencies, and through such agreements to ensure the timely reimbursement of costs incurred by the local governments which render such assistance.

WHEREAS, the parties desire to plan for and coordinate activities relating to emergency preparedness, response, recovery, and mitigation, including planning for the medical needs of persons temporarily located at emergency shelters during a declared state of emergency; and

WHEREAS, those municipalities with emergency shelters have agreed to staff the public shelter(s) with Emergency Medical Services (EMS) staff, and advanced life support (ALS) equipment during an emergency in order to provide for medical needs during an emergency, if needed.

NOW, THEREFORE, for and in consideration of the mutual promises contained herein, the County and the City agree as follows:

ARTICLE 1 – RECITALS

The above recitals are true, correct and incorporated herein.

ARTICLE 2 - REPRESENTATIVE/MONITORING POSITION

The County's representative/Agreement monitor during the term of this Agreement shall be Mary Blakeney, whose telephone number is (561) 712-6549.

The City representative/contact monitor during the term of the Agreement shall be EMS Coordinator Mike Landress, whose telephone number is (561) 642-6337.

ARTICLE 3- DECLARATION OF STATE OF EMERGENCY

This Agreement is activated upon both an official declaration of emergency by the State of Florida or by Palm Beach County followed by a request of County to City for medical staffing of emergency shelters pursuant to this Agreement.

ARTICLE 4 - SHELTER STAFF REQUIREMENTS

Following a County issued declaration of local state of emergency and upon request of the County, the City shall staff each emergency shelter located within its municipal boundaries with at least one emergency medical technician and one paramedic or two paramedics (collectively the "Emergency Medical Services Staff") during the state of emergency. In addition, the City's EMS staff shall be solely responsible for providing ALS equipment as reasonably required to support the EMS staff function as long as the shelter remains open.

The shelter team at each emergency shelter will establish a clearly designated medical treatment area. The EMS Staff shall be in the performance of all work at the shelter, employees of the City and under the direction and authority of such officials and physicians as customary and required in the day-to-day provision of ALS services within the City's boundaries and subject to the City's management, supervision, control and authority. In no event shall the EMS staff employed by or assigned by the City be considered employees, agents, servants or contractors of the County.

ARTICLE 5 – REIMBURSEMENT OF COSTS

The County shall reimburse the City incurred costs of the EMS staff as mutual aid costs to the extent such are eligible costs in accordance to FEMA's Recovery Policy RP 9523.6 and applicable FEMA guidance. Within thirty (30) days of the declaration of a local state of emergency for which assistance was requested, the City shall submit to the County representative, documentation substantiating the actual costs incurred to the satisfaction of the County's Division of Emergency Managements office, the State Office of Emergency Management and/or FEMA as required for the County to apply for and process the reimbursement request. As applicable, the City may request the County approval to submit its own claim for reimbursement.

ARTICLE 6 – FILING

ARTICLE 7 – REMEDIES

This Agreement shall be governed by the laws of the State of Florida. Any legal action necessary

to enforce the Agreement will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity, by statute or otherwise. ARTICLE 8 - LIABILITY/INDEMNIFICATION

Each party to this Agreement shall be liable for its own actions and negligence. In no event shall any provision of this Agreement be construed as a waiver of sovereign immunity or a consent to be sued by a third person, by either the City or the County.
