I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt: a resolution supporting the right-of-way acquisition and construction planned for Linton Boulevard from west of Congress Avenue to SW 10th Avenue (Project) by the Florida Department of Transportation (FDOT).

SUMMARY: Adoption of this resolution will support the right-of-way acquisition and construction planned by FDOT for the project. Linton Boulevard, a Palm Beach County (County) roadway, will be improved as part of FDOT's planned improvements to the interchange of I-95 and Linton Boulevard. These improvements include adding a fourth eastbound through lane at Congress Avenue that will terminate as a left turn to northbound I-95; adding a second eastbound left turn lane to Wallace Drive; and adding a fourth westbound through lane at Wallace Drive that will terminate as a right turn to northbound I-95. FDOT's policy requires all local agencies that have jurisdiction or facilities impacted by planned FDOT improvements to adopt a resolution supporting the planned improvements. Districts 4 and 7 (LBH) *MMB*

Background and Justification: As part of FDOT's project to improve the I-95 interchange with Linton Boulevard, various improvements are proposed for Linton Boulevard. These improvements will require acquisition of right-of-way by FDOT along Linton Boulevard. Upon completion of construction, FDOT will transfer right-of-way acquired along Linton Boulevard to the County. The County's Engineering Department recommends the adoption of the resolution.
