I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Amendments No. 2 to the Contracts for mechanical, electrical, plumbing (MEP) engineering services on a continuing contract basis:

- A. Gartek Engineering Corporation (R2015-0777), SBE/Local, 99.3% SBE participation to date;
B. Johnson, Levinson, Ragan, Davila, Inc. (R2015-0779), SBE/Local, 96.8% SBE participation to date; and
C. RGD & Associates, Inc. (R2015-0778), SBE/Local, 93.6% SBE participation to date.

Summary: Amendments No. 2 extends the term of three contracts for professional consulting services for MEP services for one (1) year through June 22, 2019. The Board approved annual contracts on June 23, 2015, and the original Contracts provided for an initial two (2) year term with three (3) renewal options each for a period of one (1) year. Amendments No. 2 will provide services during the second renewal period from June 23, 2018, through June 22, 2019. During the first three (3) years of these contracts, Gartek Engineering Corporation was awarded \$549,917, Johnson, Levinson, Ragan, Davila, Inc. (JLRD) was awarded \$500,866 and RGD & Associates was awarded \$153,668 in task authorizations. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15%. The SBE goal for Gartek Engineering Corporation is 98%, JLRD is 95% and RGD & Associates, Inc. is 100%. All three businesses have local offices. **(Capital Improvements Division)**
Countywide (LDC)

Background and Justification: In accordance with Board adopted procedures, pursuant to Florida Statute 287.055 (Consultants Competitive Negotiation Act), three firms were selected to perform consulting services on a continuing contract basis. Work is authorized through individual task authorizations when required during the term of these contracts. The initial contract terms are for two (2) years and the original Board action allowed for three (3) renewals each for a period of one (1) year. Amendments No. 2 will provide services during the second renewal of the contract. It is the consensus of Facilities Development & Operations that these firms have successfully provided the professional services required by the County in a timely manner. They are in good standing and wish to continue to provide professional services. Amendments No. 2 will maintain the continuous professional services required by the County.
