I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to receive and file: Amendment No. 1 to the Behavioral Health Cooperative Agreement (Amendment No. 1) (R2017-1608) with the School Board of Palm Beach County, Florida (School District) to provide school based therapeutic services to students and families attending schools in Palm Beach County to extend the term for an additional year to June 30, 2019, at no additional cost to the County.

Summary: On October 17, 2017, the Board received and filed the Behavioral Health Cooperative Agreement and Contract/Agreement Addendum (Agreement) that allows the Youth Services Department's Residential Treatment and Family Counseling Division to provide on-campus individual, family and/or psycho-educational group therapy services to students and their families based on referrals received from School District personnel at 16 schools identified by the School District and the County. This Amendment No. 1 extends the term of the Agreement for one (1) year for the period June 1, 2018, through June 30, 2019. On June 5, 2001, Agenda Item No. 3X-2 authorized the County Administrator (or designee), to execute future standard Cooperative Agreements with the School District on behalf of the Board of County Commissioners, after approval of legal sufficiency by the County Attorney's Office, and within budgeted allocations. Countywide (HH)

Background and Justification: The County has offered school-based therapeutic services to eligible students and families attending schools in the County for the last two (2) decades. Targeted schools identified by the School District and the County benefit from an assigned clinical staff member with the specific goal of reducing suspensions and expulsions. Other schools may make referrals for psycho-educational group services and family therapy. The School District, when authorized by the parent, shares information on attendance, disciplines and achievement for students receiving school counseling.
