I. EXECUTIVE BRIEF

**Motion and Title: Staff recommends motion to approve:** a) the one time purchase of two-hundred and forty-one (241) Sun Pass mini transponders for Palm Tran Connection's use of the Florida Turnpike on Balance Sheet Account (BSA) # 0001-1550-0002; b) and authorize the increase of the deposit in the amount of \$5,000 in BSA #0001-1550-0002 to be held on account for Palm Tran's use of the Florida Turnpike; c) and authorize the annual not to exceed amount of \$60,000 for toll usage.

**Summary:** Palm Tran/Connection seeks to purchase and install Sun Pass transponders on its fleet of two-hundred and forty-one (241) paratransit vehicles at the cost of \$1,202.59. The benefits of using the Florida Turnpike include decreased travel times, increased on-time performance and increased productivity. Palm Tran Connection provides 3,000 passenger trips per weekday, and over 76,000 passenger trips per month. Staff analysis shows that a maximum of 100 trips per day would benefit from utilizing the Turnpike (less than 3% of daily ridership). These are trips that originate in the western, northern and southern areas of the county with destinations in these areas (40 to 60 miles trips). Interstate 95 will remain as the primary north-south corridor, but for those trips that commence in the western region of the county or where I-95 is not the most direct route, the Turnpike will be used. The ability to use the Turnpike will result in shortening the travel time needed to provide these trips, which will increase efficiencies. The cost of Sun Pass use is estimated at \$5,000 per month or \$60,000 per year. Funding for this is included in Palm Tran's Fiscal year 2017/18 Budget (Purchased Transportation). Countywide. (DR)

**Background and Justification:** The County has had an ongoing credit account with DOT since October 30, 1963. Palm Tran/Connection will purchase two-hundred and forty-one (241) Sun Pass mini transponders to install in each of Connection's vehicles. Sun Pass mini transponders will be used, at a cost of \$4.99 each, to be permanently affixed to a specific vehicle. Palm Tran's deposit of \$5,000 will increase the County's total amount on deposit to \$8,000. This will assist in accounting for Turnpike use.
