I. EXECUTIVE BRIEF

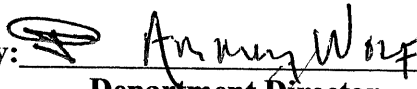

Motion and Title: Staff recommends motion to approve: Amendment No. 2 to the Contract (R2014-1462) with Omnicom Consulting Group, Inc. (“Omnicom”) for planning and engineering services associated with the countywide public safety radio system on a continuing contract basis for the period of October 7, 2018 to October 6, 2019.

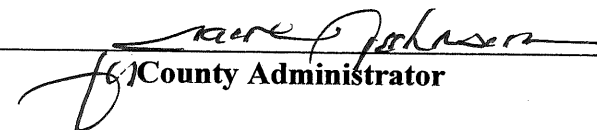

SUMMARY: Amendment No. 2 retroactively extends the term of the Contract for planning and engineering services associated with the countywide public safety radio system for one (1) year through October 6, 2019. The Board approved the annual Contract on October 7, 2014, and the original Contract provided for an initial three (3) year term with two (2) renewal options each for a period of one (1) year. During the first four years of the Contract, Omnicom was awarded \$982,701 in Consultant Service Authorizations. The Small Business Enterprise (SBE) participation goal established by the SBE Ordinance is 15%. Omnicom’s SBE participation for this contract is 11.26%. Omnicom’s team included an SBE sub-consultant, Johnson, Levinson, Ragan, Davila, Inc. (“JLRD”) to perform work associated with mechanical, electrical, plumbing and fire protection design services when electrical design services were needed under the work assigned to Omnicom. Only 12 of the 27 tasks completed by Omnicom required those services, which resulted in the 11.26% SBE participation. Omnicom is a non-local business. (Capital Improvements Division) Countywide (LDC)

Background and Justification: In accordance with Board adopted procedures, pursuant to Florida Statute 287.055 (Consultants Competitive Negotiation Act), this firm was selected to perform consulting services on a continuing contract basis. Work is authorized through individual Consultant Services Authorizations when required during the term of these contracts. The initial contract term is for three (3) years and allowed for two (2) renewals each for a period of one (1) year. Amendment No. 2 will provide services during the second renewal of the contract. It is the consensus of Facilities Development & Operations that this firm has successfully provided the professional services required by the County in a timely manner. They are in good standing and wish to continue to provide professional services. Amendment No. 2 will maintain the continuous professional services required by the County.
