I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) the third amendment to the annual structural engineering contract with Alan Gerwig & Associates, Inc., (AGA) R2017-0026, dated January 10, 2017, to extend the contract expiration date from January 9, 2019 to January 9, 2020, and modify the fee schedule;
- B) the third amendment to the annual structural engineering contract with R.J. Behar & Company, Inc., (RJB) R2017-0027, dated January 10, 2017, to extend the contract expiration date from January 9, 2019 to January 9, 2020, and modify the fee schedule;
- C) the third amendment to the annual structural engineering contract with Stantec Consulting Services Inc., (SCS) R2017-0137, dated February 7, 2017, to extend the contract expiration date from February 6, 2019 to February 6, 2020, and modify the fee schedule; and
- D) the third amendment to the annual structural engineering contract with Wantman Group, Inc., (WGI) R2017-0138, dated February 7, 2017, to extend the contract expiration date from February 6, 2019 to February 6, 2020, and modify the fee schedule.

SUMMARY: Approval of these third amendments will extend the expiration dates of the annual structural engineering contracts for AGA and RJB from January 9, 2019 to January 9, 2020, and extend the expiration dates for SCS and WGI from February 6, 2019 to February 6, 2020. These extensions will provide a continuation of the required professional services provided by AGA, RJB, SCS and WGI for one year, on a task order basis. These amendments with AGA, RJB, SCS and WGI will also adjust their hourly rates as allowed in the original contracts and shown in Exhibit B3 of each amendment. These amendments are the second renewals of two possible one year renewals permitted per the original contracts. The Small Business Enterprise (SBE) goal for all contracts is 15%. Tasks in the amount of \$219,605.39 have been authorized for RJB with 14.19% SBE participation which does not meet their commitment of 17%. Tasks in the amount of \$149,633.35 have been authorized for SCS with 25.44% SBE participation which does not meet their commitment of 31%. Tasks in the amount of \$335,874.33 have been authorized for WGI with 42.63% SBE participation which exceeds their commitment of 15%. Tasks in the amount of \$496,216.82 have been authorized for AGA with 91.39% SBE participation which does not meet their commitment of 100%. AGA is certified as an SBE company. AGA, RJB, SCS and WGI are all Palm Beach County based companies. RJB, SCS, and AGA have agreed to improve their SBE percentages to attain their commitments. Countywide (LBH)

Department Director

This summary is not to be used as a basis for payment.

Background and Justification: In accordance with Board of County Commissioners adopted procedures pursuant to Florida Statutes 287.055 Consultants Competitive Negotiations Act, AGA, RJB, SCS and WGI were selected to perform professional services relative to County needs, and presently have annual contracts with the County, on a task order basis. It is the consensus of the user departments that these consultants have, within the provisions of their contracts, provided the professional services requested by the County. Since the consultants remain in good standing and wish to continue to provide the professional services as indicated in their contracts, the County agrees to renew their contracts for one year.

These third amendments to the contracts have been reviewed with the above named consultants, and the Engineering Department recommends the third renewal of the attached consultant annual contracts. These transactions will maintain the continuous process of professional services required by the County.
