I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to: approve reimbursement of attorney's fees and costs in the amount of \$12,679.90, incurred by Ronald Jones in successfully defending a complaint filed against him before the Palm Beach County Commission on Ethics.

SUMMARY: A complaint was filed February 23, 2017, against Ronald Jones, a Palm Beach County Employee, alleging a violation of the Code of Ethics by manipulating data to artificially inflate on-time performance rates for Palm Tran Connection. Following a hearing on the matter, on July 30, 2018, the Hearing Officer found that there was insufficient evidence to prove such a violation, and dismissed the charge. This motion is consistent with County Policy PPM CW-F-057, which authorizes the County Attorney to review and approve requests for reimbursement on behalf of present and former County Officials and Employees who prevail in actions brought before the Palm Beach County Commission on Ethics, provided the matter was connected to an official County function and in furtherance of a public purpose. Countywide (LB)

Background and Justification: As the charges filed against Mr. Jones involved exercise of his official public duties, he is entitled to have attorney's fees and costs paid in defending the matter before the Palm Beach County Commission on Ethics. This request complies with the applicable PPM on the subject, which was created pursuant to BCC direction. The amount actually billed to Mr. Jones exceeds the amount of reimbursement because his attorney's hourly rate exceeded the maximum amount allowed by the PPM. This request is also consistent with common law, which allows for payment of attorney's fees and costs expended in successfully defending charges that arise out of performance of a public employee's official duties. Payment will be made directly to Mr. Jones as reimbursement paid for legal services.

Re: PB County Commission on Ethics

Dear Ron:

Pleasure speaking to you today. This letter, which I ask be signed and returned, will serve as our engagement agreement in connection with the above-referenced matter. My office will represent you ("Client") before the Palm Beach County Commission on Ethics at \$375.00 per hour for attorney time and \$125.00 per hour for paralegal time. All costs incurred will be the responsibility of the Client.

The plan is to dispose of the matter with a finding of no probable cause and I anticipate that fees and costs could range between \$2,500 and \$3,500. I cannot, however, ensure that will occur. If the matter results in a public hearing, fees and costs could range between \$5,000 and \$10,000, much of that range depending on the breadth of hearing and preparation for same.

My office will require a retainer of \$2,500 which will remain in trust and services and costs will be billed monthly. I look forward to working with you on this matter.

Thank you,

Sincerely,

Arthur Schofield, Esq.
