Whereas the AGENCY has agreed to assure access to funded services for COUNTY departments, divisions and/or programs; and to assure that individuals referred from COUNTY departments, divisions and/or programs will receive services on a timely basis;

In consideration of the mutual promises contained herein, the COUNTY and the AGENCY agree as follows:

ARTICLE 1 - SERVICES

The AGENCY agrees to provide services to residents of Palm Beach County as set forth in the Scope of Work and Service Units in Exhibit A. The AGENCY also agrees to provide deliverables, including reports, as specified in Article 2. No changes in the scope of work or services are to be conducted without the written approval of the Palm Beach County Community Services Department (the DEPARTMENT). The Agency receiving funds must be an agency within Palm Beach County and the AGENCY'S services, with these contracted funds, are limited to meeting the needs of Palm Beach County residents.

No part of the funding is intended to benefit any specific individual or recipient. All funding is intended for the overall benefit of all recipients of the services provided by the programs being funded herein.

ARTICLE 2 – SCHEDULE

The AGENCY shall commence services on October 1, 2018 and complete services on March 30, 2019.

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Article 13.

ARTICLE 3 - PAYMENTS

The COUNTY shall pay to the AGENCY for services rendered under this contract not to exceed a total amount of **FIFTY THOUSAND DOLLARS (\$50,000).** The AGENCY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in Exhibit "B" for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

The program and unit cost definitions for this contract year are set forth in Exhibit B. All requests for payments of this Contract shall include an original cover memo on AGENCY letterhead signed by the Chief Executive Officer, Chief Financial Officer or their designee.

The AGENCY is obligated to provide the COUNTY with the properly completed requests for all funds paid relative to this Contract no later than September 30th of each fiscal year. Any amounts not submitted by September 30th, shall remain the COUNTY'S and the COUNTY shall have no further obligation with respect to such amounts.

Payment of invoices shall be contingent on timely receipt of all required reports. Invoices received from the AGENCY pursuant to this Contract will be submitted through the Services and Activities Management Information System (SAMIS) website, reviewed and approved by the COUNTY's representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval. Any payment due by COUNTY under the terms of this contract shall be withheld until all reports due from the AGENCY and necessary adjustments have been approved by the COUNTY. In the event that the AGENCY has drawn down all possible funds prior to the end of the fiscal year and does not comply with all reporting requirements, the COUNTY will take this into consideration during the next funding year.

COUNTY funding can be used to match grants from non-County sources; however, the grantee cannot submit reimbursement requests for the same expenses to more than one funding source or under more than one COUNTY funded program.

ARTICLE 4 - AVAILABILITY OF FUNDS

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside consultants. The COUNTY shall exercise its rights under this Article within three (3) years following final payment.

ARTICLE 6 – AMENDMENTS TO FUNDING LEVELS

This contract may be amended to decrease and/or increase funds for the delivery of services depending upon the utilization and rate of expenditure of funds.

The anticipated rate of expenditures is determined by dividing the contract service amount by the months in the contract unless otherwise provided for in this contract. The formula for reduction of funds shall be as follows:

At one quarter of the service period the AGENCY shall have provided at a minimum twenty percent (20%) of their anticipated services. If the minimum has not been reached ten percent (10%) of the unspent funds allocated for that service period may be reduced.

In the event that funds become available due to other agencies budgets being decreased, a currently funded AGENCY may apply for those funds. AGENCY may become eligible for an increase in funding if they have spent their funds at the anticipated rate and can present a proposal for the utilization of additional funds by delivering additional units of service.

Any increase or decrease of funding for any of the AGENCY's contracted programs of up to 10% may be approved by the Director of Community Services or Designee. Any increase or decrease of funding over 10% must be approved by the Board of County Commissioners.
