I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve:

- A) Work Order 2018051-16 in the amount of \$525,000 to mill and resurface the residential streets within the Wynnewood Acres subdivision utilizing Palm Beach County's (County) annual asphalt milling and resurfacing contract R2018-1533 (Contract) with Ranger Construction Industries, Inc. (Ranger); and
- B) Work Order 2018051-17 in the amount of \$440,000 to mill and resurface the residential streets within the Whitehorse Estates subdivision utilizing the County's Contract with Ranger.

SUMMARY: Approval of these work orders will allow the contractual services necessary to construct the improvement for each project. Per County PPM CW-F-050, these work orders exceed the \$200,000 threshold for staff approvals of work orders to annual contracts, thus requiring approval from the Board of County Commissioners (BCC). Prior to this work order, approximately \$4 million of Ranger's \$16 million Contract has been spent or encumbered. This annual construction bid was solicited on July 8, 2018, prior to the effective date of the Equal Business Opportunity Ordinance and pursuant to the Small Business Enterprise (SBE) Ordinance requirements. On October 16, 2018, the BCC approved the Contract with Ranger to provide milling and resurfacing of County roadways for countywide projects. Ranger proposed 15% SBE participation for the Contract and for these two work orders. Ranger's three subcontractors are not M/WBE. Approval of these work orders will result in a cumulative SBE participation of 15% for all the work orders issued under the Contract. Districts 2 and 6 (LBH)

Background and Justification: The County desires to construct the improvements in accordance with the attached two work orders. The budget for the improvements includes striping and marking costs of \$45,000, bringing the total fiscal impact to \$1,010,000.
