Jaime Plana	11	Landscape Architect	The American Institute of Architects

SUMMARY: The LDRAB is comprised of 18 members. The term of office for Board members is three years, with a limit of three consecutive three-year terms. Nine of the members shall be appointed by a majority of the Board of County Commissioners (BCC) upon a recommendation by the following organizations: Gold Coast Builders Association, League of Cities, Florida Engineering Society, American Institute of Architects, Environmental Organization, Realtors Association of the Palm Beaches, Florida Surveying and Mapping Society, Associated General Contractors of America and The Palm Beach County Planning Congress. Seven members will be appointed by the BCC; one from each commissioner as a district appointment, with consideration of expertise stated in Article 2. G.3. A.3.b. The BCC shall also appoint two at-large alternate members, by a majority vote of the BCC with consideration of the expertise noted above. The LDRAB provides no regulation, oversight, management, or policy-setting recommendations regarding the subject contract(s). Disclosure of this contractual relationship at a duly noticed public meeting is being provided in accordance with the provisions of Section. 2-443, of the Palm Beach County Code of Ethics. The Board consists of 18 members, with 16 seats currently filled and a diversity count of Caucasian: 14 (88%), African-American: 1 (6%), Hispanic-American 1 (6%). The gender ratio (male: female) is 13:3. Mr. Jaime Plana is Hispanic-American male. Staff will continue to address the need to increase diversity on our boards. Unincorporated (LB)

Background and Justification: The LDRAB shall periodically review the provisions to the ULDC that are not reviewed by another advisory board established by BCC for that purpose, and to make recommendations to the BCC for those provisions reviewed; to make its special knowledge and expertise available upon written request and authorization of the BCC to any official, department, board, commission or agency of PBC, the State of Florida or Federal governments; and to serve as Land Development Regulation Commission (LDRC) as provided by F.S. § 163.3164(22) and F.S. § 163.3194.

Education: Bachelors in Architecture 1977, Cum Laude, Masters in Urban and Regional Planning 1983, Cum Laude, both from the University of Miami, Florida.

Licensure: Architectural License 1983, Florida RA00009769, active
LEED AP certified, 2009

Professional Activities: Member, Builder's Board of Adjustment and Appeals, City of Boca Raton 1992 to 2008. AIA member at intervals from 1995 to 2010.

Professional Experience:

Architecture: Practice as a registered architect in Boca Raton, continuously since 1983 (part time while employed by others), during which time I have been responsible for over 300 projects directly under my license, ranging from airport terminals (at Fort Lauderdale – Hollywood International Airport) to ocean front residences, residential developments, k-12 schools, day care centers, university facilities, factories, banks, supermarkets, restaurants, dental & medical offices, automobile dealerships, churches, funeral parlors, theaters, office and warehouse buildings, ground transportation centers, and parks. Designed the first ocean front residence with a swimming pool on the roof in Florida (1998).

Planning: Co-authored the City of Miami Beach Historic Building Preservation Ordinance in 1980, and participated in developing the Downtown Miami Master Development Plan in 1979. My Masters Thesis on the Recreational Potential of the Dade County Canal System, published in 1983, pioneered the development of greenways, bikeways and trailhead parks in Florida.

Developed Master Plans for recreation parks, warehouse parks, office parks, residential complexes, airports, retail centers and trucking / travel centers.

Processed Site Plan Approvals in Miami-Dade, Broward and Palm Beach Counties, including re-zoning, land use changes and variances.

Project Management: Authored Design/Build Criteria Documents and specifications for university facilities, schools and parks. Managed design and construction projects for airports, universities and parks, as follows:

At Fort Lauderdale–Hollywood International Airport (1995-1998), was responsible for project management of \$500M of airport terminal renovations & additions, as Airport Architect.

At Florida Atlantic University in Boca Raton, Florida (1998-2001), was project manager for \$150M of university renovations of humanities / theater, and of new buildings for science, medicine and campus services.

At Broward County Parks and Recreation Division in Fort Lauderdale, Florida (2001-2008), was overall program manager for \$200M Parks Bond Issue,

developed program, hired 17 project management staff (multi cultural, multi national), negotiated and procured consultants and contractors for over 42 park projects, including one \$47M new regional park with the first cricket stadium in the USA in 200 years (for which I designed the Park Master Plan). This park won the 2007 Regional Park of the Year award from the National Association of Park and Recreation Officials. Bond program is 90% complete. Was promoted to Superintendent, Planning and Design (2005), supervising staff of 24 project managers and designers, responsible for over 60 park projects and multi year capital budget processing. Conducted public presentations before community groups, municipal councils and boards, advisory boards, and briefed elected officials and the press (print and television). Developed and delivered seminars on project management and participated in Broward County's Construction Management Task Force. Wrote applications for, and processed grants for over \$10M. Processed and arbitrated construction claims. Supervised disaster damage assessment teams, member of Emergency Operations Management Staff for the County.
