Summary: The resolution will authorize a County tax exemption for the following historic properties located within the City of Delray Beach: 106 SE 7th Avenue, (property is privately owned for residential use); 219 SE 7th Avenue, (property is privately owned for residential use) and 1109 Nassau Street, (property is privately owned for residential use).

The estimated total tax exempted for the 10 years ending December 31, 2028, is \$46,140. Actual exemption amounts will be based upon the Countywide Millage rate on a yearly basis. It is estimated that approximately \$4,614 tax dollars will be exempted annually based on the 2019 Countywide Millage Rate. Accompanying each resolution is a restrictive covenant, which requires the qualifying improvements be maintained during the period that each tax exemption is granted. For fiscal year 2018-2019, the BCC has approved a total of 7 exemptions totaling \$29,837. District 7 (RPB)

Background and Justification: On October 17, 1995, the BCC adopted a historic property tax exemption ordinance, Ordinance No. 95-41, applicable countywide. An Interlocal Agreement was approved by the Board of County Commissioners on April 7, 1996, R 98 472 D, authorizing the City of Delray Beach Historic Preservation Board to perform the required review to implement the tax exemption ordinance on improvements to historic landmark properties within the City.

B. Recommended Sources of Funds/Summary of Fiscal Impact:

There is no direct fiscal impact on the Planning, Zoning and Building Department from granting a tax exemption for each property. The overall County impact is a reduction of collectable taxes. Tax revenue is to be reduced at the most by the tax on the improvements made to the structure. The estimated improvement costs attributed solely to work to these historic buildings totals \$964,970. Estimated exemption will be based upon the Countywide Millage Rate (4.7815), it is estimated that approximately \$4,614.00 tax dollars will be exempted annually.

The estimated total tax exempted for the 10 years ending December 31, 2028, is \$46,140 (\$4,614.00 x 10).
