## SCOPE OF WORK

**Overview:** The Bash is an annual event undertaken to provide school supplies, backpacks, a health fair and access to community resources to approximately 13,000 disadvantaged students from Pre-K through 12<sup>th</sup> grade at six locations throughout Palm Beach County.

The Bash is planned, funded, and implemented through a collaborative of several nonprofit organizations, community and church based organizations, and Palm Beach County Office of Community Revitalization (OCR), to provide children with the tools they need to start the school year with confidence and succeed academically.

Upon arriving at the Bash, each child is paired with a "personal shopper" who guides the child through a "store" of new school supplies. The children select their own supplies and enjoy healthy snacks and refreshments. Some of the locations offer blood tests, biometric health screenings, vision screening, hearing testing and other health related resources. Children and families have access to more than 50 local resource agencies, which are on hand with information, and one-on-one help. There are also activities that promote awareness to health and fitness, craft stations for younger kids, bounce houses, music, clowns, a free meal for all who attend, and much more. Different foundations and organizations donate items to make this event even more joyous for children.

To be eligible to participate in the Bash, students must reside in Palm Beach County, including all Countywide Community Revitalization Team (CCRT) communities, and either be entering Pre-K in August of 2019 or be enrolled in Kindergarten to 12<sup>th</sup> grade in the Palm Beach County public school system or a charter school in Palm Beach County for the 2019/2020 school year. Individuals to be served by the Bash must be referred for participation by one of the agencies of the Bash collaborative, be registered prior to June 28, 2019, and given a personalized invitation to attend the Bash.
