I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Two (2) Easement Agreements with Comcast Cable Communications Management, LLC (Comcast) for service to i) Hangar Buildings A, B, and C leased and operated by Atlantic Aviation – West Palm Beach, LLC (Atlantic), and ii) Hangar Buildings G, H, and I also leased and operated by Atlantic, located along Perimeter Road in West Palm Beach at the Palm Beach International Airport (PBI), at no cost.

Summary: These Easement Agreements will allow Comcast to install underground coax cable and fiber-optic cabling to hangar buildings leased and operated by Atlantic, a tenant at PBI, with its primary location at 3800 Perimeter Road. Countywide (HJF)

Background and Justification: These Easement Agreements are necessary for Comcast to provide service to Atlantic and their subtenants.

- Attachments:**
- 1. Easement Agreement for Hangar Buildings A, B, and C (2)
 - 2. Easement Agreement for Hangar Buildings G, H, and I (2)

EASEMENT AGREEMENT

This EASEMENT is granted between **PALM BEACH COUNTY**, a political subdivision of the State of Florida, whose legal mailing address is 301 North Olive Avenue, West Palm Beach, Florida 33401-4791 ("Grantor"), and **Comcast Cable Communications Management, LLC**, a Delaware limited liability company, on behalf of its affiliates, (together, "Grantee").

WITNESSETH:

That the said Grantor, in consideration of the sum of TEN DOLLARS (\$10.00) and other valuable considerations paid, the receipt and sufficiency of which are hereby acknowledged, hereby grants unto Grantee, its successors and assigns, a perpetual non-exclusive easement (the "Easement") for the construction, operation and maintenance of underground communications services for the purpose of providing communication services to facilities located on the Palm Beach International Airport, including, without limitation, underground coax cable and fiber-optic cabling and lines, underground conduit, and junction boxes (the "Facilities") to be installed as necessary from time to time; with the right to reconstruct, improve, maintain, inspect, add to, enlarge, change the voltage, as well as the size of and remove such Facilities or any of them within an easement upon, over and across the following described real property situated, lying and being in the County of Palm Beach, State of Florida to wit:

See legal description/site sketch marked Exhibit "A"

attached hereto and made a part hereof

(the "Easement Premises")

Together with the right to permit any other person, firm or corporation to lay cable, fiber, conduit and appurtenant equipment within the Easement Premises and to operate the same for Grantee's communication purposes. Together with the right of reasonable ingress and egress to said Easement Premises at all times, the right to clear the land and keep it cleared of all trees, undergrowth and other obstructions within the Easement Premises, and the right to trim and cut and keep trimmed and cut all dead, weak, leaning or dangerous trees or limbs outside of the Easement Premises which might interfere with or fall upon the Facilities installed within the Easement Premises.

THE CONDITION OF THIS RIGHT OF USAGE ARE SUCH THAT:

1. Grantee shall cause the Facilities and their appurtenances to be constructed within the confines of the Easement Premises and Grantees' rights under this Easement shall be strictly limited to the Facilities as described.

2. Grantee hereby expressly agrees that in the event Grantee abandons use of the Easement Premises for the purpose herein expressed or ceases to provide communication services to facilities located on the Palm Beach International Airport, the Easement granted hereby shall become null and void, and all the rights in and to the Easement Premises shall revert to Grantor. Further, Grantee shall not assign or transfer an interest in this Easement, or any part thereof, without the prior written consent of the Grantor, which consent may be granted or withheld at the Grantor's sole and absolute discretion for any reason or no reason at all, except the Grantee may, without consent of Grantor, assign this Easement to, (i) any parent, affiliate, or subsidiary of the Grantee legal entity which holds the cable television franchise agreement for the municipality in which the Property is located (the "Grantee System Entity"), or the Grantee System Entity itself; or (ii) any entity which succeeds to all or substantially all of the Grantee System Entity's assets or ownership interests, or the cable system operated by the Grantee System Entity which serves the municipality in which the Easement is located, whether by merger, sale or otherwise, provided that such successor also succeeds to the cable television franchise agreement held by the Grantee System Entity for the municipality in which the Easement is located.

Any attempted assignment or transfer without the Grantor's approval shall be null and void.

3. Grantee further expressly agrees to maintain in good condition and repair, at its sole cost and expense, the Facilities within the Easement Premises at all times during the term hereof. Grantee shall provide Grantor's Department of Airports with notice (such notice may be telephonic) of any maintenance or repair activities within the Easement Premises.

4. The grant of this Easement shall in no way restrict the right and interest of Grantor in the use, maintenance and quiet enjoyment of the Easement Premises to the extent that such does not interfere with the rights granted herein.

5. Upon one hundred twenty days prior written notice to Grantee, Grantee acknowledges and agrees that Grantor may require the removal and/or relocation of the Facilities installed within the Easement Premises to another location within Grantor's property at Grantee's expense. Grantor and Grantee shall mutually identify and establish an area for the relocated Easement Premises.

6. By acceptance of this Easement, Grantee agrees for itself, its successors and assigns to restrict the height of any necessary outdoor junction boxes within the Easement Premises to a height so as to comply with all applicable laws. Grantee further agrees for itself, its successors and assigns to prevent any use of the Easement Premises which would interfere with the landing at or taking off from the Palm Beach International Airport; interfere with air navigation and/or communication facilities serving the Palm Beach International Airport; or otherwise

would constitute an airport hazard. Grantee acknowledges that noise and vibration are inherent to the operation of the Palm Beach International Airport and hereby releases Grantor from any and all liability for the same.

7. All notices, demands, requests or other communications given under this Agreement shall be in writing and be given by certified mail, return receipt requested, or nationally recognized overnight courier service to the address set forth below or as may subsequently in writing be requested.
