I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to:

(A) **Approve** an Agreement for Purchase and Sale for the following property at a purchase price of \$245,000 by a supermajority vote. Said property is located West of Runway 10L at Palm Beach International Airport (PBI):

Stembridge Real Estate Co., Inc.	
Sonia Stembridge, President	
Post Road, West Palm Beach, Florida	Parcel W-192
Purchase Price:	\$245,000
Replacement Housing:	N/A

(B) **Accept** a Memorandum of Agreement to be recorded in the public records to provide notice of this Agreement.

Summary: The subject property is a vacant site covered with native scrub and trees. The lot contains 19,166 square feet. It is on a lightly traveled two-lane street that runs between Southern Boulevard and Wallis Road, located West of Runway 10L at PBI. In May, 2019, the property was appraised by Anderson & Carr, Inc. for \$245,000; and in May, 2019 a Review Appraisal was completed by Edward E. Wilson, which supported the Anderson & Carr, Inc. determination of value. An offer to purchase was presented to the Seller on June 12, 2019 and accepted at the appraised fair market value of \$245,000. Airport Revenue is available for the purchase of this property. Pursuant to the PREM Ordinance, all purchases, sales and exchanges of real estate must be approved by a supermajority vote (5 Commissioners).

Countywide (HJF)

Background and Justification: On January 21, 1997, Board Item 3F2 approved by the BCC authorized the purchase of property located West of Runway 10L (previously 9L) at PBI. On October 22, 2002, Board Item 3F1 approved by the BCC authorized the acquisition of approximately 40 additional parcels in the same area. This parcel is bordered on all sides by County-owned property and is one of the few remaining parcels not owned by the County. The subject property contains 0.44 acres of land area and is located between Southern Boulevard and Wallis Road, West of Runway 10L at PBI. The Agreement is subject to the provisions of Public Law 91-646, the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, as well as review and audit by the FAA; therefore, pursuant to the PREM Ordinance it is exempt from review by the Property Review Committee. The Memorandum of Agreement provides for constructive notice of the Agreement.

In the event County elects not to close upon its purchase of the Property, County shall restore the Property to the condition in which it existed prior to such inspections, using materials of like kind and quality. Nothing contained herein shall be construed to prohibit County from disclosing the results of said inspections as may be required by applicable law. In the event that such inspections shall reveal a deficiency in the Property, as determined by County in its sole and absolute discretion, County shall have the right to terminate this Agreement at any time during the Inspection Period by giving written notice thereof to Seller, whereupon the parties shall be relieved of all further obligations hereunder.

6. **EVIDENCE OF TITLE.**

6.1 During the Inspection Period, County may obtain an owner's title insurance commitment, from Southeast Guaranty & Title, Inc. ("Southeast Title") agreeing to issue to County upon the recording of the Warranty Deed to the Real Property, an owner's title insurance policy in the amount of the Purchase Price, insuring the marketability of the fee title of County to the Real Property, subject only to the Permitted Exceptions.

County shall have until the end of the Inspection Period in which to review same. In the event the title insurance commitment shall show as an exception any matter other than the Permitted Exceptions, County shall notify Seller of County's objection thereto, and Seller shall act with reasonable effort, including bringing suit, to remove such exception(s), which exceptions shall be deemed to constitute title defects. Seller shall be entitled to ninety (90) days from the date of notification by County (with adjournment of the Closing Date, if necessary) within which to cure such defects or to make arrangements with the title insurer for deletion of any such title defects from the title insurance commitment without the inclusion of any additional exceptions to coverage. Notwithstanding the foregoing, Seller shall have the option of discharging any such matters at closing with the closing proceeds. If the defect(s) shall not have been so cured or removed from the title insurance commitment by endorsement thereto at the termination of the said ninety (90) day period, County shall have the option of: (a) accepting title to the Property as it then exists; or (b) terminating this Agreement, by giving written notice thereof to Seller, provided, however, County shall not thereby waive any rights or remedies available to County due to such default by Seller, including an action for damages.

6.2 County may request, prior to the Closing, an endorsement of the title insurance commitment making it effective to within fifteen (15) days of the Closing Date. At Closing, Seller shall cause the title insurance commitment to be endorsed to remove, without the inclusion of any additional exceptions to coverage, any and all requirements or preconditions to the issuance of an owner's title insurance policy, and to delete any exceptions for: (a) any rights or claims of parties in possession not shown by the public records; (b) encroachments, overlaps, boundary line disputes and any other matters which would be disclosed by an accurate survey and inspection of the Property (provided County obtains a survey in accordance with Section 7 hereof); (c) easements or claims of easement not shown by the public records (provided County obtains a

survey in accordance with Section 7 hereof); (d) any lien, or right to a lien, for services, labor or material heretofore or hereinafter furnished, imposed by law and not shown by the public records; (e) taxes for the year of Closing and all prior years, and taxes or special assessments which are not shown as existing liens by the public records; (f) matters arising or attaching subsequent to the effective date of the title insurance commitment but before the acquisition of record of title to the Property by County; and (g) any general or specific title exceptions other than the Permitted Exceptions.

6.3 From and after the Effective Date of this Agreement, Seller shall take no action which would impair or otherwise affect title to any portion of the Property, and shall record no documents in the Public Records which would affect title to the Real Property, without the prior written consent of County.

7. **SURVEY.** County shall have the right, within the time period provided in Section 6 for delivery and examination of title, to obtain a current survey of the Real Property and all improvements thereon. If the survey reveals any encroachments, overlaps, boundary disputes, or other defects, or any matters other than the Permitted Exceptions, the same shall be treated as title defects as described in Section 6 of this Agreement, and County shall have the same rights and remedies as set forth therein.

8. **MAINTENANCE.** Between the Effective Date and Closing, Seller shall maintain the Property in the condition in which it existed as of the Effective Date. Notwithstanding the foregoing, Seller shall deliver the Property at Closing free of any trash, refuse or other debris, and in full compliance with all governmental regulations. Seller shall bear the risk of any loss, damage or casualty to the Property prior to Closing. County shall have access to the Property at any reasonable time prior to Closing to verify Seller's compliance herewith.

9. **CONDITION PRECEDENT TO CLOSING.** The following are conditions precedent to County's obligation to close upon its purchase of the Property: (1) Seller shall have performed all of the covenants and obligations under this Agreement that it is obligated to perform at or prior to Closing, on or prior to the dates such performance is required hereby; (2) Seller's representations and warranties identified in this Agreement shall be true and correct; and (3) there shall have been no change in the condition of the Property or the status of title to the Property, other than as specifically permitted by this Agreement. The foregoing conditions precedent are for the exclusive benefit of County and may be unilaterally waived by County.

10. **CLOSING.** The parties agree that the Closing upon the Property shall be consummated as follows:

10.1 **Place of Closing.** The Closing shall be held at County's Property and Real Estate Management Division office, 2633 Vista Parkway, West Palm Beach, Florida 33411-5605.

10.3.2 **Seller's Disclosure of Beneficial Interests.** A Seller's Disclosure of Beneficial Interests if required by Section 286.23, Florida Statutes, or County policy, which accurately discloses the name and address of any person or entity having any interest in the ownership of the Property as of the date of Closing. The foregoing shall be in addition to any Disclosure or notice of change thereto previously provided to County, and in the same form as previously provided to County.

10.3.3 **Affidavit of Seller.** A Seller's Affidavit stating that the Property is free and clear of all encumbrances, mortgages, liens, leases, licenses, contracts or claim of rights in a form sufficient to permit the title insurer to delete the "Gap" and

“Standard Exceptions” from the title insurance policy and insure County’s title to the Property in accordance with Section 6 of this Agreement, subject only to the Permitted Exceptions.

10.3.4 **Non-Foreign Affidavit.** Seller represents and warrants to County that Seller is not a “foreign person” as defined by the Federal Foreign Investment in Real Property Tax Act (the “Act”). At Closing, Seller shall execute and deliver to County a “Non-Foreign Affidavit,” as required by the Act. Seller acknowledges that in the event Seller fails to deliver the Non-Foreign Affidavit, County and/or Southeast Title shall be authorized to withhold from the closing proceeds an amount equal to ten percent (10%) of the gross amount of the purchase price, and to remit same to the Internal Revenue Service, as required by the Act.

10.3.5 **Closing Statement.** A Closing Statement prepared in accordance with the terms hereof.

10.3.6 **Additional Documents.** Seller shall also deliver and/or execute such other instruments as are necessary or reasonably required to consummate the transactions herein contemplated including, without limitation, if applicable, such documents as County or the title company may require evidencing Seller’s existence, good standing, power and authority to enter into and consummate the transaction herein contemplated, and a Receipt of Real Estate Brokerage Commission and Release (“Broker’s Release”) in a form acceptable to County.

10.4 **Possession.** At Closing, Seller shall deliver full, complete, and exclusive possession of the Property to County.

11.1.3 All costs and premiums for the owner's title insurance commitment and policy.

11.2 Seller shall pay the following expenses at Closing:

11.2.1 All costs necessary to cure title defect(s) or encumbrances, other than the Permitted Exceptions, and to satisfy or release of record all existing mortgages and liens upon the Property.

11.3 Seller and County shall each pay their own attorney’s fees.

12. **PRORATIONS.**

12.1 **Taxes.** On or before the Closing Date, Seller shall establish an escrow fund with the Palm Beach County Tax Collector pursuant to Florida Statutes Section 196.295, and shall pay into such escrow Seller's prorata portion of ad valorem and non-ad valorem real property taxes and assessments for the year of Closing and any prior years as determined by the Tax Collector. Seller's prorata share of all taxes and assessments shall include the day of Closing.

12.2 **Assessments.** If as of the Closing Date, assessments or charges have been imposed against the Property or any part thereof which are, or which may become payable in annual installments, the first installment of which is then a charge or lien, or has been paid, then for the purposes of this Agreement, all of the unpaid installments of any such assessments, including those which become due and payable after the Closing Date, shall be deemed to be due and payable and to be a lien upon the premises affected thereby, and shall be paid and discharged by Seller on or before the Closing Date. Any other assessments not deemed to be due and payable as aforesaid which burden County owned property shall be deemed to be payable on a calendar year basis in arrears and prorated accordingly.

13. **CONDEMNATION.** In the event that all or any part of the Property shall be acquired or condemned for any public or quasi-public use or purpose, or if any acquisition or condemnation proceedings shall be threatened or begun prior to Closing, County shall have the option to either terminate this Agreement, and the obligations of all parties hereunder shall cease, or to proceed, subject to all other terms, covenants, conditions, representations, and warranties of this Agreement, to Closing, receiving, however, any and all damages, awards, or other compensation arising from or attributable to such acquisition or condemnation proceedings. 28. **SURVIVAL.** The parties' warranties, agreements, covenants and representations set forth in this Agreement shall not be merged and shall survive consummation of the transaction contemplated by this Agreement.

29. **WAIVER.** No waiver of any provision of this Agreement shall be effective against any party hereto unless it is in writing and signed by the party waiving such provision. A written waiver shall only be effective as to the specific instance for which it is obtained and shall not be deemed a continuing or future waiver.

30. **AMENDMENT.** This Agreement may be modified and amended only by written instrument executed by the parties hereto.

31. **INCORPORATION BY REFERENCE.** Exhibits attached hereto and referenced herein shall be deemed to be incorporated into this Agreement by reference.

32. **TIME COMPUTATION.** Any references in this Agreement to time periods of less than six (6) days shall, in the computation thereof, exclude Saturdays, Sundays, and federal or state legal holidays; any time period provided for in this Agreement that shall end on a Saturday,

Sunday, or federal or state legal holiday shall extend to 5:00 p.m. (EST) of the next day that is not a Saturday, Sunday, or federal or state legal holiday.

33. **RADON GAS.** Radon is a naturally occurring radioactive gas that, when it has accumulated in a building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed federal and state guidelines have been found in buildings in Florida. Additional information regarding radon testing may be obtained from your County public health unit.

34. **PALM BEACH COUNTY OFFICE OF THE INSPECTOR GENERAL AUDIT REQUIREMENTS.** Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General is authorized with the power to review past, present and proposed County contracts, transactions, accounts and records. The Inspector General's authority includes, but is not limited to, the power to audit, investigate, monitor, and inspect the activities of entities contracting with the County, or anyone acting on their behalf, in order to ensure compliance with contract requirements and to detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

35. **UNIFORM ACT.** The parties recognize that the transaction contemplated herein may be subject to the provisions of the Uniform Relocation Assistance and Real Property Acquisition Policy Act of 1970 (84 Stat. 1894; 42 U.S.C. 4602 et seq.; Pub. L. 91-646), and amendments thereto (the "Uniform Act"). Seller acknowledges County's responsibilities under the Uniform Act, including, but not limited to, the obligation to provide certain advance written notices and other benefits to "Displaced Persons" (as that term is defined in the Uniform Act). Seller agrees to cooperate with County, and its authorized agents, in County's administration of the Uniform Act, which cooperation may include, but not be limited to, access to the Property and its occupants (including tenants, if any), and extension of the Closing Date, if necessary, to facilitate relocation of Displaced Persons.

36. **NO THIRD PARTY BENEFICIARIES.** No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizen or employees of County and/or Seller.

Dear Ms. Stembridge:

The enclosed Agreement for Purchase and Sale ("Agreement") details Palm Beach County's offer to acquire your vacant property located on Post Road, in West Palm Beach, Florida, and the compensation you may expect to receive for its purchase. The Agreement is subject to approval by the Board of County Commissioners.

The Palm Beach County Department of Airports ("Department") has reviewed the appraisal that was prepared on your property and determined that the fair market value of the property to be acquired is \$245,000.

I have completed my review of the above-referenced parcel. My opinion is based on the following.

This value estimate may be used in conjunction with a Federal Aid project.

The intended use of the appraisal review is to form a basis for acquiring the subject property through negotiation or eminent domain. The intended user is AECOM Technical Services, Inc. as acquisition agents for Palm Beach County Department of Airports. The value reported is the market value of the unencumbered title. Market value is defined in the appraisal report.

As part of the appraisal review, there has been a field inspection of the parcel(s) to be acquired and the comparable sales applicable thereto or the reason for not doing so is stated below.

I have no direct or indirect present or contemplated future personal interest in such property or in any monetary benefit from its acquisition.

I have not provided any appraisal or professional services on the subject property in the last 3 years.

My estimate has been reached independently without collaboration or direction and is based on appraisals and other pertinent factual data.

Unless otherwise stated, this value estimate contains no items compensable under state law but not eligible under federal reimbursement. Any non-compensable items are listed below together with their appraised value followed by the notation ("non-compensable").

There are no buildings or site improvements on the subject property.

It is my opinion that the market value of the land and improvements appraised, as of May 10, 2019 is \$245,000.

This estimate of market value is based upon an appraisal report prepared by Robert B. Banting, MAI, Cert. Gen. RZ 4 and Michelle J. Mickle, Cert. Gen. RZ 3316 of Anderson & Carr, Inc.

The subject property is a vacant site covered with native scrub and trees. It is on a lightly traveled two lane street that runs between Southern Blvd and Wallis Road. The lot contains 19,166 square feet.

The Sales Comparison Approach to value is the only approach used in the appraisal. The Cost and Income Approaches have no pertinent application in appraising vacant land.

The subject is on the fringe of the Palm Beach International Airport noise impact area. Most of the properties in the subject neighborhood that are in the Runway 10L West Acquisition and Relocation Program have been acquired by Palm Beach County. The remaining properties on the periphery of the neighborhood on Military Trail and Southern Boulevard are developed with a mixture of retail commercial, service commercial and light industrial uses. The subject

property is zoned RM with a future land use designation of UT/3, Utilities and Transportation which has an underlying residential density of 3 units per acre. It is also located in the PBAO overlay district. This permits the parcel to be converted to industrial use where appropriate. The appraisal concludes that consistent with the zoning and overlay requirement, the highest and best use of the subject site is for some type of industrial use.

The appraisal analyzed five light industrial land sales ranging in size from 15,581 SF to 353,993 SF. The sales occurred over the last 27 months and were adjusted up ½% per month due to increasing market conditions. Sales 4 & 5 had higher traffic counts and were adjusted down for location. Sale 2 was considered inferior in location and adjusted up. The only other significant adjustment was for size. Sale 4 was much larger than the subject and its price per unit was adjusted up for this difference.

The adjusted value range for the subject is from \$12.47 per square foot to \$13.27 per square foot. The appraisal concludes to a value of \$12.70 per square foot which is supported by the data and analysis. Applying this unit value to the subject's site area of 19,166 SF indicates a value estimate of \$243,408 which was rounded to \$245,000.

Unless otherwise stated in this report, the existence of hazardous substances, including, without limitation, asbestos, polychlorinated biphenyls, petroleum leakage, or agricultural chemicals which may or may not be present on the property, or other environmental conditions, were not called to the attention of the appraiser, nor did the appraiser become aware of such during the appraiser's inspection. The appraiser has no knowledge of the existence of such materials on or in the property unless otherwise stated. However, the appraiser is not qualified to test such substances or conditions. If the presence of such substances as asbestos, ureaformaldehyde foam insulation, or other hazardous substances or environmental conditions may affect the value of the property, the value estimated is predicated on the assumption that there is no such condition on or in the property or in such proximity thereto that it would cause a loss of value. No responsibility is assumed for any such condition or for any expertise or engineering knowledge required to discover them.

The appraiser's analysis is considered reasonable and the appraiser's value conclusion is considered appropriate. Therefore, the market value of the subject property is estimated, as of May 10, 2019, at \$245,000.
