I obtained my first contractor's license in 1985 in the state of Virginia. In 1991, I upgraded the license to a class B license, equivalent to the Florida certified building contractors license. I did the testing and upgraded to the class A license equivalent to the Florida general contractors license in 1994. I moved to Florida and obtained a Palm Beach County residential contractor's license in 1996. In 2004, I upgraded to the Florida certified general contractors license. While contracting I was hands on, doing most of the work myself with just a few employees.

In 2006, I applied for the standard building inspector license and passed both tests. I then obtained many more licenses: building plan review 2007, one and two family dwelling inspector 2008, coastal and floodplain inspector 2008, one and two family plans examiner 2008, building official 2008, flood plain administrator 2010 and medical gas inspector 2013.

I started inspecting full time in 2006 for a private inspection company that provided municipal inspection services. My duties included inspections, plan review, flood plain management and performed building official services. In 2012, I started working for the City of Riviera Beach as the Building Official. In 2016, I went to the City of North Palm Beach as Building Official. The opportunity to work three miles from home came up. So in 2017 I started working at the City of Lake Worth where I am currently employed.

I have been active in the Palm Beach County Building Officials Association for the past seven years. Serving as an officer for the past four years.

Dear Commissioners:

I am pleased to report to you that, during the April 1, 2019 meeting of the Building Officials Association of Palm Beach County (BOAPBC), the BOAPBC membership voted unanimously to authorize the chapter Officers and Directors to nominate, for your consideration: the reappointment of Wayne Cameron, CBO, to serve as the District 4 representative on the Building Code Advisory Board (BCAB); reappointment of Jacek Tomasik, CBO, to serve as the District 6 representative on the BCAB; and two new appointments of Peter Ringle, CBO, to serve as the District 7 and John P. Cosmo, CBO, to serve as the District 5 representatives on the Building Code Advisory Board (BCAB).

The membership, officers and directors of our association respectfully asks for your favorable consideration of this request. We also remain grateful to the Commission for its continued support of consistent, strong, and equitable construction code enforcement in Palm Beach County and its 39 municipalities. We recognize, as the Commission members do, that consistent and diligent enforcement of current construction codes protects the lives and property of the citizens of and visitors to Palm Beach County, along with helping to keep down the high cost of property insurance in our County.

Faithfully,
