I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to approve: Work Authorization (WA) No. 17 to the Pipeline Continuing Construction Contract (Contract) with Hinterland Group Inc., (Contractor) for the Water Main Replacement within Sandpiper Avenue, Meadowlark Drive, and Oriole Court (Project) in the amount of \$1,754,414.58.

**Summary:** On January 10, 2017, the Board of County Commissioners (BCC) approved the Water Utilities Department (WUD) Contract (R2017-0072) with Contractor. WA No. 17 provides for the replacement of approximately 7,600 linear feet of existing 6-inch and 8-inch water main along Sandpiper Avenue, Meadowlark Drive, and Oriole Court in the Village of Royal Palm Beach. The Project also includes installation of new fire hydrants and replacement of approximately 169 water services. This Contract was procured under the requirements of the 2002 Small Business Enterprise (SBE) Ordinance (R2002-0064) prior to the adoption of the new Equal Business Opportunity Ordinance on October 16, 2018. The SBE participation goal established under the 2002 Ordinance was 15% overall participation. The Contract provides for 15% SBE participation. WA No. 17 includes 100% SBE participation. The cumulative SBE participation including WA No. 17 is 100%. Contractor is a Palm Beach County Company. This Project is included in the WUD FY19 Budget. (WUD Project No.18-070) District 6 (MJ)

**Background and Justification:** WUD has been experiencing repeated water main and water service breaks along Sandpiper Avenue, Meadowlark Drive, and Oriole Court in the Village of Royal Palm Beach. Completion of the work provided for in WA No. 17 will restore the service life, efficiency, and effectiveness of the water distribution system in the area, while reducing the operations and maintenance workload and associated cost.
