Meeting Date: August 20, 2019 [ ] Consent [ ] Regular [ ] Workshop [X] Public Hearing
Department: Fire-Rescue

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to adopt:

- A) Resolution establishing the rate for the non-ad valorem special assessment levied against parcels within the Palm Beach County Municipal Service Benefit Unit for Fire Hydrant Maintenance and Rental-Riviera Beach (MSBU-Riviera Beach) for Fiscal Year 2020 and all subsequent fiscal years; providing for repeal of Resolution 98-1023 and Resolution 2018-1056; and providing for a savings clause; and
B) Resolution adopting the non-ad valorem assessment roll for the MSBU-Riviera Beach for Fiscal Year 2020 and all subsequent fiscal years; providing for repeal of Resolution 98-1024 and Resolution 2018-1057; providing for sunset of Section 26-110 of the Palm Beach County Code; and providing for savings clauses.

Summary: The Board adopted Ordinance 2018-020 to amend, update and restate the boundaries of the MSBU-Riviera Beach, including the addition of 141 previously missing properties which were separately assessed for Fiscal Year 2019 pursuant to Section 26-110 of the Palm Beach County Code. On November 20, 2018, the Board adopted Resolution 2018-1825 declaring its intent and election to use the uniform method for levy, collection and enforcement of non-ad valorem special assessments within the MSBU-Riviera Beach as amended, updated and restated. There are now 782 parcels within the MSBU-Riviera Beach subject to the current non-ad valorem assessment rate of \$52.86 per parcel. This public hearing is being held to adopt the assessment rate and the non-ad valorem assessment roll, in accordance with Section 197.3632(4), Florida Statutes, and Section 26-109 of the Palm Beach County Code. District 7 (SB)

Background and Policy Issues: Since 1993 the County has levied a non-ad valorem special assessment on real property within the MSBU-Riviera Beach to fund the payment of fire hydrant maintenance and rental charges from the City of Riviera Beach or its Utility Special District. The purpose of the MSBU is to fund the payment of the City's hydrant fees from only those properties that receive a special benefit from said hydrants. The City charges the County maintenance and rental fees for fire hydrants located within the unincorporated geographic area that is within the County's fire-rescue jurisdiction and within the City's water utility service area.
