I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: Work Order 2018051-93 in the amount of \$717,000 to mill and resurface Lyons Road from the Hillsboro Canal to Boca Lago Boulevard utilizing Palm Beach County's (County) annual asphalt milling and resurfacing contract R2018-1533 (Contract) with Ranger Construction Industries, Inc. (Ranger).

SUMMARY: Per County PPM CW-F-050, this work order exceeds the \$200,000 threshold for staff approvals of work orders to annual contracts, thus requiring approval from the Board of County Commissioners (BCC). Approval of this work order will allow the contractual services necessary to construct the improvement. Prior to this work order, approximately \$17 million of Ranger's \$31.4 million Contract has been spent or encumbered. On October 16, 2018, the BCC approved the Contract with Ranger to provide milling and resurfacing of County roadways for countywide projects. The Contract was renewed on October 22, 2019 with a 15% mandatory Small Business Enterprise (SBE) goal set as the Affirmative Procurement Initiative. Due to the lack of applicable certified SBE subcontractors, the Office of Equal Business Opportunity issued a waiver on January 17, 2020 that reduced the mandatory SBE participation to 5% for the remainder of the current contract term. Ranger agreed to 5% SBE participation for this work order. The minority contractor that Ranger was using to achieve the target 15% SBE for milling has graduated from the program. Approval of this work order will result in a cumulative SBE participation of 11.9% for all the work orders issued under the Contract. **This project is funded through the infrastructure sales tax. District 5 (YBH)**

Background and Justification: The County desires to construct the improvement in accordance with the attached work order. The budget for the improvement includes striping and marking costs of \$90,000, bringing the total fiscal impact to \$807,000.
