I. EXECUTIVE BRIEF

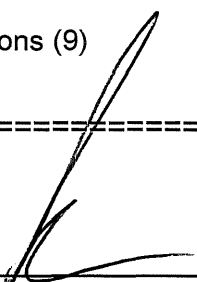

Motion and Title: Staff recommends motion to approve: a Budget Transfer of \$115,000 from the Law Enforcement Trust Fund (LETF) to the Palm Beach County Sheriff's Office (PBSO).

Summary: Section 932.7055(5), Florida Statutes; provides that the seizing agency shall use Forfeiture proceeds for school resource officer, crime prevention, safe neighborhood, drug abuse education and prevention programs, or for other law enforcement purposes, which include defraying the cost of protracted or complex investigations, providing additional equipment or expertise, purchasing automated external defibrillators, and providing matching grant funds. Section 932.7055(5), Florida Statutes; also requires that no less than 25% of the LETF's previous year's revenues be used for the support or operation of drug treatment, drug abuse education, drug prevention, crime prevention, safe neighborhood and school resource officer programs of various non-profit organizations. The PBSO's FY 2020 donation requirement is \$240,941. The PBSO's support of these programs exemplifies its strong commitment to the prevention and reduction of crime throughout the communities it serves and its desire to put money back into these communities to support organizations that provide such services. The year-to-date transfer for all donations to outside organizations after approval of this item is \$513,888. The funds requested are to aid PBSO and qualified organizations that meet the requirements set forth in Section 932.7055(5), Florida Statutes. Use of LETF requires approval by the Board, upon request of the Sheriff. The current State LETF balance is \$2,346,159. Approval of this request will reduce the State Law Enforcement Trust Fund balance to \$2,231,159. The PBSO certifies that the use of these funds is in accordance with Section 932.7055(5), Florida Statutes. Below is a table indicating the organizations the PBSO seeks to fund and the corresponding amount of funding proposed per respective organization or agency. No new positions are needed and no additional County funds are required. Countywide (DC) (Continued on Page 3)

Background and Justification: The Palm Beach County Sheriff's Office is dedicated to providing the most efficient and effective law enforcement services and also has a long-standing commitment to the reduction of crime and implementation of crime and drug prevention programs within Palm Beach County. Use of LETF requires approval by the Board, in accordance with Section 932.7055(5), Florida Statutes, upon request of the Sheriff. This Statute also requires that no less than 25 % of the last fiscal year's revenues be donated or expended for the support or operation of drug treatment, drug abuse education, drug prevention, crime prevention, safe neighborhood or school resource officer programs. The PBSO certifies that the use of these funds by the organizations listed above is in accordance with Section 932.7055(5), Florida Statutes.

LETF Funding Request (MUST match total on Financial Application): \$15,000.00

What service will your organization provide through the use of Law Enforcement Trust Funds?

- Crime Prevention Program
- Drug Abuse Education
- Drug Prevention Program
- Drug Treatment Program
- Safe Neighborhood
- School Resource Officers

Organization Purpose:

The CPT is a medically-directed, multidisciplinary program supplementing the work of Department of Children & Families(DCF) and law enforcement. The CPT evaluates alleged child abuse & neglect, makes recommendations to protect children & enhance caregivers' capacity to provide safe environments.

Provide a brief summary of program's activities/services to be funded:

CPT contracts doctors and ARNP's to conduct forensic medical exams to evaluate alleged abuse and neglect, and provide expert testimony critical to the prosecution of child abusers. Palm Beach County only contributes \$300 toward the cost of medical exams for physical abuse and neglect. The Attorney General's Office contributes \$500 in cases of sexual abuse-about 25% of cases. However all exams are conducted by the same medical professionals and except for a few additional lab tests, costs our agency the same to provide.

What results are you committed to achieving?

We are committed to providing all victims of abuse with the same level of care. We see the disparity in funding for exams as a kind of victim discrimination. We are committed to all victims of abuse having access to medical exams that will provide the necessary documentation to prosecute people who hurt children. We conduct approximately 1000 medical exams each year. Only about 250 of them are reimbursed fully. For the others, CPT absorbs the additional expense. CPT is committed to finding resources to assure that abuse and neglect victims receive the same level of medical attention as sexual abuse victims, and not cutting corners to provide a mandated service, albeit of lesser quality.

What service will your organization provide through the use of Law Enforcement Trust Funds?

- Crime Prevention Program
- Drug Abuse Education
- Drug Prevention Program
- Drug Treatment Program
- Safe Neighborhood
- School Resource Officers

Organization Purpose:

The Club 100 Charities, was established and has been operating for the past 15 years to support youth as it relates to their education, attitudes, and behaviors, to reduce the use of drugs, anti social behaviors, gain leisure recreational skills, improve their grades and school attendance.

Provide a brief summary of program's activities/services to be funded:

This request is one to support a multi minority youth sports and recreational program that will bring together those current factions causing hostile behaviors in the 4-5 cities and towns around Lake Park, Florida. While the majority of the programs infrastructure is already in place via local and grant contributions what is needed is leadership to plan and manage a sports and recreational program. Using the various sports, already mentioned it's intended, through program engagement, to reduce the gang violence that often plagues these neighborhoods. It's intended that this grant would result in having a year-round, summer, after-school and evening opportunities to bring hundreds of children off the streets in a well supervised set of programs. The Club works with the Town of Lake Park's Recreational Dept. to ensure that the resulting programs are operational long term.

What results are you committed to achieving?

1. Youth that are engaged in supervised recreational activities to keep them off the streets after school, evenings, and summers.
 2. Teach youth leisure and recreational skills for a life time.
 3. Teach how to compete with peers in a positive and productive way.
 4. Increase attendance and performance in school.
 5. Reduce anti social behaviors as measured by the Local Sheriff's Office and Police Departments.
 6. Provide a long term, recreational complex that will engage area youth in friendly competition.
- Note The Club 100 and the Town of Lake Park are currently members of the National PAL Program.

LETF Funding Request (**MUST match total on Financial Application**): \$15,000.00

What service will your organization provide through the use of Law Enforcement Trust Funds?

- Crime Prevention Program
- Drug Abuse Education
- Drug Prevention Program
- Drug Treatment Program
- Safe Neighborhood
- School Resource Officers

Organization Purpose:

Meals on Wheels of the Palm Beaches, Inc. was founded in 2010 in an effort to improve the quality of life and positively impact the nutritional health of homebound seniors in Palm Beach County. Volunteers provide a healthy meal and a "well-check" visit five days a week to isolated seniors in need.

Provide a brief summary of program's activities/services to be funded:

MOWPB has grown significantly over the past 24 months, moving into our own kitchen this past may and projecting to grow our client numbers by approximately 20% in the next year. To broaden the geographic scope of our reach into Southern PBC and growing western communities, we need a van outfitted specifically to keep our food at safe temperatures for delivery to clients further away from our kitchen in West Palm. We are seeking assistance in this grant to help with the purchase, expenses of the vehicle as well as the outfitting required and staffing costs to drive it.

What results are you committed to achieving?

MOWPB will purchase the vehicle, have it outfitted specifically for our purposes to deliver meals safely throughout greater Palm Beach County and hire a driver for that purpose. Once the vehicle is put in to operation, it will allow us to expand our daily, hot meal delivery program to Delray Beach and all the Western communities between West Palm Beach and Boynton/Delray. We will roll out one area at a time to insure quality of service and the continued success of our program. Starting with the southern areas of PBC, we expect to reach 20-40 additional homebound and vulnerable seniors beyond the 265 we are currently serving. With each meal delivery, the client is seen and communicated with, which is helpful in assessing any diminished health concerns, or also when emergency medical assistance is needed due to a fall or other incident.

What service will your organization provide through the use of Law Enforcement Trust Funds?

- Crime Prevention Program
- Drug Abuse Education
- Drug Prevention Program
- Drug Treatment Program
- Safe Neighborhood
- School Resource Officers

Organization Purpose:

The YWCA of Palm Beach County exists to eliminate racism, empower women, and promote peace, justice, freedom, and dignity for all. Empowering women is an important part of our work and we start by empowering young girls to become strong women.

Provide a brief summary of program's activities/services to be funded:

On average, 1 in 3 girls fall victim to low self-esteem and low confidence. That lack of self-value can lead to risky behavior resulting in teen pregnancy, dropping out of high school, and crime. Our Y-Girls and Y-Teens programming provides an array of mentors and array of information and activities to help empower young girls. As a component of our Y-Girls and Y-Teens, "Just Us Girls" helps high-risk young girls develop the coping skills necessary to effectively resolve conflict and avoid escalation into a situation out of their control. As a way to break the school to prison pipeline for girls and as a way to prevent crime, "Just Us Girls" in partnership with Palm Beach County Youth Services and the Palm Beach County Sheriff's Office, our girls are given education and tools on a variety of issues facing girls that can help them become empowered and avoid criminal activity.

What results are you committed to achieving?

Collectively, our Y-Girls and Y-Teens programming is uniquely designed to have a lasting, positive impact on their lives. Our programming lays the groundwork for a lifetime of success and builds strong, independent women. In the short term, we commit to ensuring the girls who participate in our program will increase their knowledge on the consequences of engaging in gang and/or criminal activity which will be measured by pre and post test. In the long-term, we are committed to fostering positive relationships with law enforcement that are built on mutual respect.
