

PALM BEACH COUNTY
BOARD OF COUNTY COMMISSIONERS
AGENDA ITEM SUMMARY

Meeting Date: March 17, 2020 [X] Consent [] Regular
[] Ordinance [] Public Hearing

Department: Facilities Development & Operations

I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: An Amended and Restated Interlocal Agreement (“Agreement”) with the Health Care District (“Participant”), allowing for interoperable communications through the countywide common talk groups of the County’s Public Safety Radio System (“County’s System”) to the Participant for a period of five (5) years from March 17, 2020 through March 16, 2025.

Summary: This Agreement provides the terms and conditions under which the Participant can program into its radios and utilize the countywide common talk groups for certain types of inter-agency communications. This Agreement terminates and replaces the Interlocal Agreement (R2002-0548) between County and Participant, amended by First Amendment R2006-2428, by Second Amendment R2012-0494 and by Third Amendment R2017-0638, and adds the procedure to be followed to obtain a Federal Shared Encryption Key for direct radio interoperability with Federal Agencies. The County’s System will not be utilized for routine operational communications by the Participant. The terms of the Agreement are standard and have been offered to all municipalities and local branches of state and federal agencies and ambulance service providers with 800 MHz trunked radio capabilities. There are no charges associated with this Agreement. The Participant is required to pay all costs associated with Participant’s subscriber units and to comply with the established operating procedures for the County’s System. This Agreement provides for an initial term of five (5) years with two (2) renewal options, each for a period of five (5) years. This Agreement may be terminated by either party, with or without cause, upon ten (10) days prior written notice to the other party. (ESS) Countywide (LDC)

Background and Justification: This Agreement provides interoperability via use of the countywide common talk groups, which is the lowest level of interoperability approved by the Communications Systems and Operations Policy Advisory Committee. The Participant has utilized interoperable communications through the countywide common talk groups since 2002. The Participant will only be able to access the common talk groups for specified types of communications and will conduct routine operational communications on its own radio system. As such, there is no capacity impact to the County and hence no charges associated with this Interlocal Agreement.

AMENDED AND RESTATED 800 INTERLOCAL AGREEMENT

THIS AMENDED AND RESTATED AGREEMENT (“Agreement”) is made and entered into this _____ day of _____, by and between PALM BEACH COUNTY, a political subdivision of the State of Florida (“County”) and the Health Care District, a political subdivision of the State of Florida (“Participant”).

WITNESSETH

WHEREAS, on April 16, 2002, the County and the Participant entered into an Interlocal Agreement (R2002-0548), that was subsequently amended by the First Amendment to Interlocal Agreement (R2006-2428) on November 21, 2006, the Second Amendment to Interlocal Agreement (R2012-0494) on April 3, 2012, and the Third Amendment to Interlocal (R2017-0638) on May 16, 2017 (Collectively the 2002 Interlocal Agreement) setting forth the terms and conditions by which the County would provide interoperable radio communications through the countywide common talk groups to the Participant; and

WHEREAS, to set forth the terms and conditions for all interoperable radio communications, this Agreement amends and restates, in its entirety, and replaces, the 2002 Interlocal Agreement; and

WHEREAS, the County and the Participant are continually identifying more effective service delivery methods which result in enhanced public safety services and overall savings to the taxpayers of the County and the Participant; and

WHEREAS, the County has purchased, designed, installed, and operates a Public Safety Radio System that supports the needs of the Palm Beach County Sheriff’s Office, Palm Beach County Fire Rescue, Palm Beach County Emergency Medical Services, and various Palm Beach County general government agencies; and

WHEREAS, the County and the Participant have determined that the ability to provide interoperable communications is critical to the effective and efficient provision of public safety and general government services; and

WHEREAS, it has been determined to be mutually beneficial to both Parties to execute this Agreement which sets forth the parameters under which the Participant can access the Common Talk Groups established on the County’s Public Safety Radio System to receive the public safety benefit of interoperability; and

WHEREAS, Section 163.01, Florida Statutes, permits public agencies to enter into Agreements to jointly exercise any power, privilege or authority which such agencies share in common and which each might exercise separately.

NOW THEREFORE, in conjunction with the mutual covenants, promises and representations contained herein, the parties hereto agree as follows:

SECTION 1: PURPOSE

The purpose of this Agreement is to set forth the parameters under which the County will provide access to the Common Talk Groups established on the County System specifically to provide interoperable communications among public safety and general government agencies capable of accessing this feature of the County System. This Agreement also identifies the conditions of use, the monitoring requirements, and ability of the Participant to participate in the operational decisions relating to the use of the Common Talk Groups.

SECTION 2: DEFINITIONS

2.01 Common Talk Groups: Talk groups established on the County's System that are made available to County agencies, municipalities and other non-County agencies for interoperable communications between agencies for the purpose of providing mutual assistance and planning and execution of on-scene operations.

2.02 County Talk-Groups: Talk groups established on the County's System that are made available to County agencies providing for inter-departmental communications. These talk groups are reserved for particular departments/agencies and only available to outside departments by separate agreements.

2.03 Participant Equipment: Also known as "agency radios," are Participant owned P25 compliant handheld and mobile radios and control stations that operate in the 800 MHz spectrum that have the ability to be programmed and used on the County's System.

2.04 Radio Alias: The unique name assigned to an operator's radio that displays on the dispatcher's console when a radio transmits.

2.05 SmartZone Controller: The SmartZone Controller is the central computer that controls the operation of the County's Public Safety Radio System. The SmartZone Controller manages access to System features, functions, and talk-groups.

2.06 System: The Public Safety Radio System funded, purchased, installed, maintained and owned by the County.

2.07 System Manager: An employee within the County's Electronic Services & Security Division of the Department of Facilities Development & Operations with the title Radio System Manager who is responsible for day to day administration and management of the System and the County's designated contact person pursuant to various sections of this Agreement.

SECTION 3: ADMINISTRATION

3.01 System Contact. The Palm Beach County Electronic Services & Security Division's System Manager will be the Participant's day to day contact and can be reached at 561-233-0837. The Electronic Services & Security Division is staffed from 8:00 a.m. to 5:00

p.m., Monday through Friday, excluding County holidays. After hours emergency contact will be made through the County's Emergency Operations Dispatch Center at 561-712-6428 and the appropriate contact will be made.

3.02 CRSSC. The System Maintenance and Administration Plan as referenced on Attachment I hereto, identifies the general procedures for the management of the System and procedures for input through the user committees into operating procedure development. The plan establishes the Countywide Radio System Steering Committee (CRSSC), which is responsible for overseeing and implementing the policies and procedures for the County's System.

3.03 Compliance with System Policies and Procedures. The Participant shall follow all policies and standard operating procedures in place at the time of this Agreement as well as those developed in the future and issued to the Participant by the System Manager. The Participant agrees to comply with any enforcement actions required by these policies and procedures for misuse or abuse of the County's System.

SECTION 4: COUNTY SYSTEM & RESPONSIBILITIES

4.01 County System. The County System consists of eleven (11) transmit and receive sites with co-located microwave equipment and three (3) microwave only sites that provide network connectivity as well as the SmartZone Controller.

4.02 Coverage for Common Talk Groups. The County System provides seamless County-wide portable and mobile radio coverage for the Common Talk Groups. The radio coverage for the Common Talk Groups is identical to that of other County Talk Groups that reside on the County's System.

4.03 County Responsibilities for System Maintenance and Operations. The County shall be responsible for the maintenance and operation of the County's System, including all costs associated with permitting and licensing.

4.04 Scheduled Outages. The County shall maintain the coverage as described in the County's contract with Motorola R2015-1673, dated 11/17/15, throughout the term of this Agreement except for times of scheduled preventive maintenance, where it will be required to disable portions of the network for a pre-determined length of time or during times of system failures. The Participant shall be notified of scheduled preventive maintenance, pursuant to the policies and procedures referenced on Attachment I hereto.

4.05 Management. The County shall be responsible for talk group and fleet mapping management in accordance with the policies and procedures set forth on Attachment I, as may be amended and updated from time to time.

SECTION 5: PARTICIPANT EQUIPMENT AND RESPONSIBILITIES

5.01 Participant Equipment. The Participant's equipment will be P25 compliant 800 MHz mobile, portable, and control station equipment programmed to be used on the County's System. Equipment other than that manufactured by Motorola shall be approved by the System Manager prior to purchase by the Participant. The Participant will be required to keep its equipment in proper operating condition and the Participant is responsible for maintenance of its radio equipment.

5.02 Agreement Limited to Common Talk Groups. The Participant will only program the Common Talk Groups and the individual unit ID numbers assigned by the System Manager as part of this Agreement. The Participant will **not** program into its radios the County operational talk groups without a letter of authorization or a signed agreement from the County.

5.03 Participant Contacts. The Participant shall provide the County with a list of persons/positions, which are authorized to request activating/deactivating existing units or new units. No programming will be undertaken by the Participant or its service provider until requested and approved in writing by the System Manager.

5.04 County Confidential Information. The Participant shall receive certain access codes to the County's System to enable the Common Talk Groups to be programmed into the Participant's equipment. *The access codes are considered to be exempt and confidential security system information under F.S. 119.071(3) and must not be released to the public or unauthorized persons.* The access codes are to be treated as confidential information and the Participant is responsible for safeguarding and protecting the confidentiality of the code information from release to unauthorized parties. All confidential security system information and data obtained, developed, or supplied by the County ("Confidential Information") will be kept confidential by the Participant and will not be disclosed to any other party, directly or indirectly, without the County's prior written consent, unless required by law or lawful order. All system parameters shall remain the County's property, and may only be reproduced or distributed with the written permission of the County. The Participant agrees that the County has sole and exclusive ownership of all right, title and interest to the Confidential Information and may be recalled at any time.

5.04.01 Authorized Parties. Service staff directly employed by the Participant shall be considered authorized to receive access and programming codes for the maintenance of the Participant's radio equipment. Commercial service providers are not considered authorized to receive access to programming codes for the System. If the Participant plans to use commercial services for its system or subscriber unit maintenance, the Participant must include confidentiality requirements in their contracts with the commercial service providers acceptable to the System Manager before access or programming codes may be released to these companies.

5.04.02 Commercial Service Providers. Commercial maintenance service providers are **not** considered authorized to receive access to programming codes for the County's System, unless meeting the requirements of Section 5.04.03 and/or 5.04.04

below. If the Participant does not have employees capable of programming Participant radio equipment or prefers to have others program Participant radio equipment, it may request that the Palm Beach County Sheriff's Office, Palm Beach County Fire Rescue or Palm Beach County Electronic Services & Security Division program Participant's radio equipment under the terms of a separate agreement.

5.04.03 County Review of Existing Service Provider Agreements. If the Participant uses a commercial service provider to program Participant radio equipment at the time of execution of this Agreement, and desires that the commercial service provider program the Participant radio equipment with the Common Talk Groups, the Participant must submit its existing contract with the commercial service provider to the System Manager for review. The review will focus on whether the contract terms between the Participant and the commercial service provider are adequate to protect the County's System from misuse, harm or release of access and programming codes to unauthorized persons. Notwithstanding the previous statement, the County retains the right, in its sole opinion with or without written reason or cause, to approve or disapprove the use of a commercial service provider. If approved, the System Manager will release the access and programming codes to the commercial service provider. The Participant will be responsible for ensuring that the commercial service provider adheres to the terms of this Agreement pertaining to the proper use of programming codes and radio equipment and pertaining to the safeguarding and protection of the confidentiality of the access codes. If not approved, the Participant shall use the Palm Beach County Sheriff's Office, Palm Beach County Fire Rescue, or the Palm Beach County Electronic Services & Security Division to program Participant radio equipment with Common Talk Groups.

5.04.04 Review of Bid Documents for Service Provider. If the Participant intends to use a commercial service provider to program Participant radio equipment with the Common Talk Groups, the Participant shall submit the appropriate bid documents/contract to the System Manager for approval prior to soliciting a bid or quote from the commercial service provider. The System Manager will work with the Participant to develop the appropriate language for the contract which will allow for approval of the commercial service provider. Notwithstanding the previous statement, the County retains the right, in its sole opinion with or without written reason or cause, to approve or disapprove the use of a commercial service provider. If approved, the System Manager will release the access and programming codes to the commercial service provider. The Participant will be responsible for ensuring that the commercial service provider adheres to the terms of this Agreement pertaining to the proper use of the programming codes and radio equipment use and the terms requiring the safeguarding and protection of the confidentiality of the access codes. If not approved, the Participant shall use the Palm Beach County Sheriff's Office, Palm Beach County Fire Rescue, or Palm Beach County Electronic Services & Security Division to program Participant radio equipment with Common Talk Groups.

5.04.05 Survival. The provisions of this section regarding the Participant's duty to keep the County's access codes confidential shall survive the termination or expiration of this Agreement.

5.05 Federal Shared Encryption Key. The County's System is configured to allow for end to end encryption. If the Participant desires encryption, the Participant must request a CKR assignment from the County's System Manager. The Federal Shared Encryption Key ("Key") is available for use by local law enforcement agencies who require direct radio interoperability with federal agencies and is used on Law Enforcement Common 6E through 10E talk groups on the County's System. The Key is considered to be exempt and confidential security system information under F.S. 119.071(3) and must not be released to the public or to unauthorized persons. If the Participant requests use of the Key, the Participant shall be responsible for safeguarding and protecting the confidentiality of the Key from release to unauthorized parties. Service staff directly employed by the Participant shall be considered authorized to receive access to the Key. *Commercial service providers are not considered authorized to receive access to the Key.* Keyloading of the Participant's end user radios must only be done by the Participant itself or another authorized law enforcement agency. The Participant must also store the Participant's encryption key loader(s) in a secure and locked location when not in use. The Participant shall immediately notify the County's System Manager if the Participant has reason to believe the confidentiality of the Key has been compromised or an encrypted radio has been lost or stolen. The Participant shall not program the Key into any non-law enforcement radio. The Participant must delete the Key from any radio to be repaired by non-agency personnel, removed from service or sent to surplus for disposal. The Participant shall not provide any Key encrypted radios to any non-public safety personnel. The provisions of this section regarding the Participant's duty to keep the Key confidential shall survive the termination or expiration of this Agreement.

5.06 Malfunctioning Participant Equipment. The Participant is solely responsible for the performance and the operation of the Participant equipment and any damages or liability resulting from the use thereof. Should the County identify malfunctioning Participant owned equipment; the County will request that the Participant discontinue use of the specific device until the repairs are completed. The County may, in its discretion, disable the equipment from the System after properly notifying the Participant in writing if the device is causing interference to the System.

5.07 Stolen or Lost Participant Radios. In the case of lost or stolen equipment, the Participant will notify the System Manager by e-mail authorizing the System Manager to disable the equipment. The authorization shall provide the County issued individual unit ID number and the serial number of the radio. The System Manager will advise via e-mail when the radio has been disabled. A request by the Participant to re-activate a disabled radio must be in writing by e-mail to the System Manager.

SECTION 6: SUBSCRIBER UNIT INFORMATION TO BE PROVIDED BY PARTICIPANT

The Participant will be required to provide to the County an initial inventory of the radios that are proposed to be programmed for use of the Common Talk Groups. The Participant will provide the following information to the County:

- Radio manufacturer and model numbers.
- Radio serial numbers.
- Requested aliases to be programmed.

The System Manager will then compile this information and transmit back to the Participant a matrix of the County-wide Talk Groups, aliases, and radio ID numbers prior to the Participant's radios being activated on the County's Public Safety Radio System. The Participant is responsible for adhering to the Talk-Group and Radio ID allocations established by the County. The County's Talk-Group and Radio ID allocations are on file with the County and available upon request.

SECTION 7: UTILIZATION AND MONITORING OF COMMON TALK GROUPS

7.01 Purpose of Common Talk Groups. The Common Talk Groups were implemented specifically for inter-agency communication among multiple agencies, regardless of their specific discipline or affiliation. They were also created to allow communications between agencies without requiring cross-programming operational talk groups in each agency's radios.

Typical Usage Scenario:

- A unit requesting to coordinate a multi-jurisdictional operation or call for mutual assistance, places a call on the Call Talk Group for the appropriate discipline (i.e. Law Enforcement, Fire Rescue, or Local Government) to the dispatch center of the required agency(ies).
- The responding dispatch center assigns one of the Common Talk Groups to the requesting unit and contacts its agency's unit(s) and requests that the user switch to the corresponding talk group.
- The participating units would communicate on the Common Talk Group(s) and upon completion of the operation; the talk-group is cleared of all radio traffic and put back into the pool for other agencies.

7.02 Approved Uses. Usage of the Common Talk Groups is authorized to coordinate multi-jurisdictional fire/law enforcement/disaster recovery operations such as fires requiring multi-agency responses, police pursuit through multiple jurisdictions and coordination and response to local emergencies and disasters. Other authorized uses include undercover operations, investigations, perimeter communications, fire ground coordination, scene security and landing zone communications requiring participation of multiple agencies and disciplines.

In addition, the Common Talk Groups can be used by any agency experiencing catastrophic failure of its own communication system for a determined amount of time. A request to utilize the Common Talk Groups for this situation requires permission of the System Manager. Once approved by the System Manager, the Common Talk Groups can be temporarily utilized until repair of the agency's communication system is complete.

7.03 Prohibited Uses. The Common Talk Groups shall not be used for every-day routine communications or as an extra talk group for agencies that have cross programming agreements and duplicated talk groups programmed into their radios. Other prohibited uses include communications for special events and operations, use as an additional dispatch, administrative or a car to car talk group for a single agency.

7.04 Required Monitoring. Agencies requesting to use the Common Talk Groups by this Agreement have a requirement to monitor the Calling Talk Group in their respective dispatch center to respond to calls for assistance from field units. The dispatch centers which combine more than one discipline in their dispatch center are required to monitor the disciplines which are dispatched. Agencies which do not utilize their own dispatch center are not required to monitor the Calling Talk Group.

SECTION 8: LIABILITY

8.01 No Representation as to Fitness. The County makes no representations about the design or capabilities of the County's System. The Participant has decided to enter into this Agreement and use the County's System on the basis of having interoperability with the County and /or other municipalities during times of mutual aid and/or joint operations. The County agrees to use its best reasonable efforts to provide the Participant with full use of the Common Talk Groups but makes no guarantee as to the continual, uninterrupted use of the System, or its fitness for the communication needs of the Participant.

8.02 No Waiver of Sovereign Immunity. The Parties to this Agreement and their respective officers and employees shall not be deemed to assume any liability for the acts, omissions and negligence of the other party. Nothing in this Agreement shall be construed as a waiver of the sovereign immunity of the County or Participant pursuant to §768.28, Florida Statutes. Each party shall be liable for its own actions and negligence and, to the extent permitted by law, the Participant shall indemnify, defend and hold harmless the County against any actions, claims or damages arising out of the Participant's negligence in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes §768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other for such other party's negligent, willful or intentional acts or omissions.

8.03 No Responsibility for Third Party Claims. Neither the County nor the Participant shall be liable to each other or for any third party claim, which may arise out of the services provided hereunder or of the radio System itself, its operation or use, or its failure to operate as anticipated, upon whatever cause of action any claim is based. The System is designed to assist qualified law enforcement, fire, and other emergency service professionals. It is not intended to be a substitute for the exercise of judgment or supervision of these professionals. Both parties acknowledge that the responsibility for providing law enforcement, fire, or other emergency services rests with the agency which is providing such service and not necessarily either party to this Agreement.

8.04 No Consequential Damages. The terms and conditions of this Agreement incorporate all the rights, responsibilities, and obligations of the parties to each other. The remedies provided herein are exclusive. The County and the Participant waive all other remedies with respect to each other, including, but not limited to, consequential and incidental damages.

8.05 Survival. The provisions of this section shall survive the termination or expiration of this Agreement.

SECTION 8A: INSURANCE

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, (Statute), the Participant represents that it is self-insured with coverage subject to the limitations of the Statute, as may be amended.

If Participant is not self-insured, Participant shall, at its sole expense, purchase and maintain in full force and effect at all times during the life of this contract, insurance coverage at limits not less than those contained in the Statute.

Should Participant purchase excess liability coverage, Participant agrees to include County as an Additional Insured.

The Participant agrees to maintain or to be self-insured for Workers' Compensation insurance in accordance with Chapter 440, Florida Statutes.

Should Participant contract with a third-party (Contractor) to perform any service related to the Agreement, Participant shall require the Contractor to provide the following minimum insurance:

- Commercial General Liability insurance with minimum limits of \$1,000,000 combined single limit for property damage and bodily injury per occurrence and \$2,000,000 per aggregate. Such policy shall be endorsed to include Participant and County as Additional Insureds. Participant shall also require that the Contractor include a Waiver of Subrogation against County.
- Business Automobile Liability insurance with minimum limits of \$1,000,000 combined single limits for property damage and bodily injury per occurrence.
- Workers' Compensation insurance in compliance with Chapter 440, Florida Statutes, and which shall include coverage for Employer's Liability with minimum limits of \$1,000,000 each accident.

When requested, the Participant shall provide an affidavit or Certificate of Insurance evidencing insurance or self-insurance.

Compliance with the foregoing requirement shall not relieve the Participant of its liability and obligations under this Agreement.

SECTION 9: OWNERSHIP OF ASSETS

All assets maintained under this Agreement will remain assets of the respective party.

SECTION 10: TERM OF AGREEMENT

10.01 Initial Term. The initial term of this Agreement is for five (5) years and shall commence immediately upon full execution of this Agreement.

10.02 Renewals. The Agreement may be renewed for two (2) additional terms of five (5) years each. At least six (6) months prior to the expiration of this Agreement's term, the Participant shall provide the County with a request to renew this Agreement. Such renewal will require approval of both parties and the County may not unreasonably withhold its approval of the renewal.

10.03 Existing Interlocal Terminated. This Agreement when effective terminates and replaces the Interlocal Agreement between County and City R2002-0548 as amended by R2006-2428, R2012-0494 and R2017-0638.

SECTION 11: AMENDMENTS TO THIS AGREEMENT

This Agreement may be amended from time to time by written amendment as agreed to by all parties.

SECTION 12: TERMINATION

This Agreement may be terminated by either party, with or without cause upon ten (10) days written notice to the other party. Upon notice of termination, the System Manager will proceed to disable the Participant's radios from the County's System. It will be the responsibility of the Participant to reprogram the Participant's radios removing the County's System information from the radios. The Participant will complete reprogramming the Participant's radios within sixty (60) days of the date of termination. A Participant with greater than one hundred (100) radios will be given ninety (90) days to re-program its radios.

SECTION 13: NOTICES

Any notice given pursuant to the terms of this Agreement shall be in writing and be delivered by Certified Mail, Return Receipt Requested. The effective date of such notice shall be the date of receipt, as evidenced by the Return Receipt. All notices shall be addressed to the following:

As to the County:

County Administrator
301 North Olive Avenue
West Palm Beach, FL 33401

Director, Facilities Development & Operations
2633 Vista Parkway
West Palm Beach, FL 33411-5603

With a copy to:

Radio System Manager
Palm Beach County Electronic Services & Security Division
2601 Vista Parkway
West Palm Beach, FL 33411-5610

County Attorney's Office
301 North Olive Avenue
West Palm Beach, FL 33401

As to the Participant:

Chief Executive Officer
Health Care District of Palm Beach County
2601 10th Avenue North, Suite 100
Palm Springs, FL 33461

Director of Medical Transport and Aeromedical Facilities
Health Care District of Palm Beach County
4255 Southern Blvd
West Palm Beach, FL 33406

SECTION 14: APPLICABLE LAW

This agreement shall be governed by the laws of the State of Florida.

SECTION 15: FILING

A copy of this Agreement shall be filed with the Clerk of the Circuit Court in and for Palm Beach County.

SECTION 16: ENTIRE AGREEMENT

This Agreement and any Attachments hereto constitute all agreements, conditions and understandings between the County and the Participant concerning access to the Common Talk Groups. All representations, either oral or written, shall be deemed to be merged into this Agreement, except as herein otherwise provided, no subsequent alteration, waiver, change or addition to this Agreement shall be binding upon the County or Participant unless reduced to writing and signed by them.

SECTION 17: DELEGATION OF DUTY

Nothing contained herein shall be deemed to authorize the delegation of the Constitutional or Statutory duties of the County's or the Participant's officers.

SECTION 18: PALM BEACH COUNTY OFFICE OF THE INSPECTOR GENERAL AUDIT REQUIREMENTS

Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General is authorized with the power to review past, present and proposed County contracts, transactions, accounts and records. The Inspector General's authority includes, but is not limited to, the power to audit, investigate, monitor, and inspect the activities of entities contracting with the County, or anyone acting on their behalf, in order to ensure compliance with contract requirements and to detect corruption and fraud. Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be a violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

SECTION 19: NO THIRD PARTY BENEFICIARY

No provision of this Agreement is intended to, or shall be construed to, create any third party beneficiary or to provide any rights to any person or entity not a party to this Agreement, including but not limited to any citizen or employees of the County and/or Participant.

SECTION 20: NON-DISCRIMINATION

The County is committed to assuring equal opportunity in the award of contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the Participant warrants and represents that throughout the term of the Agreement, including any renewals thereof, if applicable, all of its employees are treated equally during employment without regard to race, color, religion, disability, sex, age, national origin, ancestry, marital status, familial status, sexual orientation, gender identity or expression, or genetic information. Failure to meet this requirement shall be considered default of the Agreement.

SECTION 21: ASSIGNMENT

Participant may not assign, mortgage, pledge, or encumber this Agreement in whole or in part, without prior written consent of County, which may be granted or withheld at the County's absolute discretion. This provision shall be construed to include a prohibition against an assignment, mortgage, pledge, encumbrance or sublease, by operation of law, legal process, receivership, bankruptcy, or otherwise, whether voluntary or involuntary.

SECTION 22: SEVERABILITY

If any term of the Agreement or the application thereof to any person or circumstance shall be determined by a court of competent jurisdiction to be invalid or unenforceable, the remainder of the Agreement, or the application of such term to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term of the Agreement shall be valid and enforceable to the fullest extent permitted by law.

SECTION 23: COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

SECTION 24: ANNUAL BUDGETARY FUNDING/CANCELLATION

This Agreement and all obligations of County and Participant hereunder requiring the expenditure of funds are subject to and contingent upon annual budgetary funding and appropriations by the Palm Beach County Board of County Commissioners and the Participant Council.

SECTION 25: EFFECTIVE DATE

This Agreement is expressly contingent upon the approval of the Palm Beach County Board of County Commissioners and shall become effective only when signed by all Parties and approved by the Palm Beach County Board of County Commissioners.

THE REMAINDER OF THIS PAGE LEFT BLANK INTENTIONALLY

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed on the day and year first above written.
