CONTRACT FOR PROVISION OF SERVICES

This Contract is made as of _____ day of _____, 20__, by and between Palm Beach County, a Political Subdivision of the State of Florida, by and through its Board of County Commissioners, hereinafter referred to as the COUNTY, and **Gulfstream Goodwill Industries, Inc.**, hereinafter referred to as the AGENCY, a not-for-profit corporation authorized to do business in the State of Florida, whose Federal Tax I.D. is **59-1197040**.

WHEREAS, the AGENCY has agreed to assure access to funded services for COUNTY departments, divisions and/or programs; and to assure that individuals referred from COUNTY departments, divisions and/or programs will receive services on a timely basis.

NOW, THEREFORE, in consideration of the mutual promises contained herein, the COUNTY and the AGENCY agree as follows:

ARTICLE 1 - SERVICES

The AGENCY agrees to provide temporary emergency shelter assistance to homeless residents of Palm Beach County as set forth in the Scope of Services (**Exhibit A**). The AGENCY also agrees to provide deliverables, including reports, as specified in Article 3. No changes in the scope of work or services are to be conducted without the written approval of the Palm Beach County Community Services Department (the DEPARTMENT). The AGENCY's services, with these contracted funds, are limited to meeting the needs of Palm Beach County residents.

No part of the funding is intended to benefit any specific individual or client. All funding is intended for the overall benefit of all clients of the services provided by the program(s) being funded herein.

ARTICLE 2 - SCHEDULE

The term of this Contract shall be for one (1) year, starting upon execution of the contract. This contract may be renewed for two (2) one (1) year terms at COUNTY'S sole discretion. An appropriate amendment extending this Contract may be submitted to the AGENCY and the Board of County Commissioners for their consideration.

The parties shall amend this Agreement if there is a change to the Scope/Work Plan, funding, and/or federal, state, and local laws or policies affecting this Agreement.

ARTICLE 3 - PAYMENTS TO AGENCY

The COUNTY shall pay to the AGENCY for services rendered under this Contract not to exceed a total amount of **TWO MILLION FIVE HUNDRED FIFTY THOUSAND, NINE HUNDRED AND NINETY EIGHT DOLLARS (\$2,550,998)**

All requests for payments of this Contract shall include the following:

1. Original cover memo on AGENCY letterhead signed by an Authorized Agency Representative
(Exhibit C)

The AGENCY will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in Exhibit "B" for services rendered toward the completion of the Scope of Work. Where incremental billings for partially completed items are permitted, the total billings shall not exceed the estimated percentage of completion as of the billing date.

The program and unit cost definitions for this contract year are set forth in Exhibit B. All requests for payments of this Contract shall include an original cover memo on AGENCY letterhead signed by the Chief Executive Officer, Chief Financial Officer or their designee.

The AGENCY is obligated to provide the COUNTY with the properly completed requests for all funds to be paid relative to this Contract no later than September 30th of each fiscal year. Any amounts not submitted by September 30th, shall remain the COUNTY's and the COUNTY shall have no further obligation with respect to such amounts.

Payment of invoices shall be contingent on timely receipt of all required reports. Invoices received from the AGENCY pursuant to this Contract will be submitted through the Services and Activities Management Information System (SAMIS) website, reviewed and approved by the COUNTY's representative, to verify that services have been rendered in conformity with the Contract. Approved invoices will then be sent to the Finance Department for payment. Invoices will normally be paid within thirty (30) days following the COUNTY representative's approval. Any payment due by COUNTY under the terms of this contract shall be withheld until all reports due from the AGENCY and necessary adjustments have been approved by the COUNTY. In the event that the AGENCY has drawn down all possible funds prior to the end of the fiscal year and does not comply with all reporting requirements, the COUNTY will take this into consideration during the next funding year.

COUNTY funding can be used to match grants from non-COUNTY sources; however, the grantee cannot submit reimbursement requests for the same expenses to more than one funding source or under more than one COUNTY funded program.

Final Invoice: In order for both parties herein to close their books and records, the AGENCY will clearly state "final invoice" on the AGENCY's final/last billing to the COUNTY. This shall constitute AGENCY's certification that all services have been properly performed and all charges and costs have been invoiced to Palm Beach County. Any other charges not properly included on this final invoice are waived by the AGENCY.

In order to do business with Palm Beach County, agencies are required to create a Vendor Registration Account OR activate an existing Vendor Registration Account through the Purchasing Department's Vendor Self Service (VSS) system, which can be accessed at <https://pbcvssp.co.palm-beach.fl.us/webapp/vssp/AltSelfService>. If AGENCY intends to use sub-agencies, AGENCY must also ensure that all sub-agencies are registered as agencies in VSS. All sub-contractor agreements must include a contractual provision requiring that the sub-agency register in VSS. COUNTY will not

finalize a contract award until the COUNTY has verified that the AGENCY and all of its sub-agencies are registered in VSS.

ARTICLE 4 - AVAILABILITY OF FUNDS

The obligations of the COUNTY under this Contract for the current or any subsequent fiscal year are subject to the availability of funds lawfully appropriated for its purpose by the Board of County Commissioners of Palm Beach County.

ARTICLE 5 - TRUTH-IN-NEGOTIATION CERTIFICATE

Signature of this Contract by the AGENCY shall also act as the execution of a truth-in-negotiation certificate certifying that the wage rates, over-head charges, and other costs used to determine the compensation provided for in this Contract are accurate, complete and current as of the date of the Contract and no higher than those charged the AGENCY's most favored customer for the same or substantially similar service.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or noncurrent wage rates or due to inaccurate representations of fees paid to outside agencies. The COUNTY shall exercise its rights under this Article within three (3) years following final payment.

ARTICLE 6 - AMENDMENTS TO FUNDING LEVELS

This contract may be amended to decrease and/or increase funds for the delivery of services depending upon the utilization and rate of expenditure of funds.

AGENCY shall be subject to decrease of funds if funds are not utilized at the anticipated rate of expenditures. The anticipated rate of expenditures is determined by dividing the contract service amount by the months in the contract unless otherwise provided for in this contract. A 10% increase over the monthly expenditure rate must be pre-approved by the COUNTY. The anticipated rate of expenditure will be figured on a per service basis. The formula for reduction of funds shall be as follows:

At one quarter of the service period the AGENCY shall have provided at a minimum twenty percent (20%) of their anticipated services. If the minimum has not been reached ten percent (10%) of the unspent funds allocated for that service period may be reduced.

At one half of the service period the AGENCY shall have provided at a minimum forty percent (40%) of their anticipated services. If the minimum has not been reached fifty percent (50%) of the unspent funds allocated for that service period may be reduced.

At three quarters of the service period the AGENCY shall have provided at a minimum seventy five percent (75%) of their anticipated services. If the minimum has not been reached one hundred percent (100%) of the unspent funds allocated for that service period may be reduced.

In the event that funds become available due to other agencies budgets being decreased, a currently funded AGENCY may apply for those funds. AGENCY may become eligible for an increase in funding if they have spent their funds at the anticipated rate and can present a proposal for the utilization of additional funds by delivering additional units of service.

Any increase or decrease of funding for any of the AGENCY's contracted programs of up to 10% may be approved by the Director of Community Services or Designee. Any increase or decrease of funding over 10% must be approved by the Board of County Commissioners.
