#### PALM BEACH COUNTY BOARD OF COUNTY COMMISSIONERS <u>AGENDA ITEM SUMMARY</u>

Meeting Date: May 5, 2020

Consent [X] Public Hearing [ ] Regular []

Department: Water Utilities Department

### I. EXECUTIVE BRIEF

**Motion and Title:** Staff recommends motion to receive and file: Two (2) executed Standard Potable Water and Wastewater Development Agreements for the month of December 2019 and January 2020, and one (1) executed final payment authorization received during the month of February 2020.

- A) Standard Potable Water and Wastewater Development Agreement with Home Dynamics Silverleaf, LLC, SDA #02-01157-000 (District 3), Recorded in OR BK 31183 PG 1119.
- B) Standard Potable Water and Wastewater Development Agreement with Discovery West Palm Development, LLC, SDA #01-01264-000 (District 2), Recorded in OR BK 31183 PG 1129.
- C) Final Contract Authorization with Layne Christensen Company (Layne) (R2019-1369) for the Mechanical Integrity Testing (MIT) of the Western Region North Wastewater Treatment Plant (WRNWWTP) and the Western Region Wastewater Treatment Plant (WRWWTP) Deep Injection Wells (Project) (WUD Project No. 19-032) (District 6).

**Summary:** In accordance with County PPM CW-0-051, all delegated contracts/agreements/grants/ procurement items must be submitted by the initiating Department as a receive and file agenda item and are attached unless the documents have been recorded in the Public Records of Palm Beach County. The documents have been fully executed on behalf of the Board of County Commissioners (BCC) by the Director of the Water Utilities Department (WUD) in accordance with Resolutions R93-1619, R96-0228, and R2003-0539 and are now being submitted to the BCC to receive and file. Districts 2, 3 & 6 (MJ)

**Background and Justification:** WUD's Uniform Policies and Procedures require Standard Development Agreements to obtain concurrency for water and/or wastewater service. The terms and conditions for Standard Development Agreements are outlined in the WUD Uniform Policies and Procedures Manual. The BCC delegated the authority to execute various types of Standard Development Agreements, and related documents including Standard Indemnity Agreements to the Department Director including potable water and wastewater agreements (R93-1619); reclaimed water agreements (R96-0228); and additional conditions for potable water, wastewater, and reclaimed water agreements (R2003-0539).

- A) Standard Potable Water and Wastewater Development Agreement with Home Dynamics Silverleaf, LLC, SDA #02-01157-000 (District 3). The Agreement authorizes the Property Owner located at the south side of Lantana Road, directly east of the Florida Turnpike, 73.00 Equivalent Residential Connections (ERC's) for both water and wastewater for five (5) years.
- B) Standard Potable Water and Wastewater Development Agreement with Discovery West Palm Development, LLC, SDA #01-01264-000 (District 2). The Agreement authorizes the Property Owner located at the intersection of Vista Parkway and Okeechobee Blvd, southern end of Vista Parkway, 194.50 Equivalent Residential Connections (ERC's) for both water and wastewater for five (5) years.
- C) On August 2, 2019, the Director of Water Utilities Department approved the Contract with Layne for the MIT of the WRNWWTP and WRWWTP Deep Injection Wells pursuant to the delegated authority contained in County PPM CW-F-064. The project consisted of MIT of one (1) deep injection well located at WRNWWTP and one (1) deep injection well located at WRWWTP. (WUD Project No. 19-032)

Statement of Policy

Policy **# FIN-01.007.00** Issued By: Granite Treasury Page: 2 of 11

### 1. Purpose

This policy establishes the approval levels or "Delegation of Authority" for various types of commitments. Commitments are defined as bids and proposals, purchase orders, , and all other forms of contracts, agreements, settlements, and instruments (and all supplements, modifications, amendments, change orders, etc, thereto) made in the ordinary course of business, which obligate the expenditure and internal allocation of Company funds. This policy also covers other types of transactions, including project-related gross margin changes.

The objective of this policy is to establish clear guidelines to enable Layne Senior Management to structure and manage their responsibilities in an effective and efficient manner. These guidelines include:

- Accountability for signing authority;
- Signing authorization limits outlined in the Authority Level Matrix (Appendix A1);
- The circumstances and process for the assignment and delegation of this responsibility.

### 2. Policy

The authority to bind the Company in any contracts, commitments, transactions, or expenditures shall be delegated to individuals and positions within the Company that management believes have the experience, knowledge, and capacity to enter into transactions and agreements that are in the best interest of the Company, helping them achieve Company goals.

The approvals of contracts, commitments, transactions, and expenditures outlined in this policy must always be made by the parties that have been designated the responsibility for final approval.

Authorized transactions and agreements must comply with this and other policies developed by management.

### 3. Scope

This policy applies to all Employees of Water and Mineral Services Group, Layne Christensen Company, its subsidiaries, and those affiliates over which it has operating control, worldwide ("Layne," "WMS" or the "Company").

There may be other unique, non-routine transactions that fall outside the scope of this policy that may require special approval by Granite Senior Management. Examples may include: joint venture agreements, parent company guarantees, leases, debt agreements, M&A transactions, capital expenditures, etc. For Layne employees' benefit, if a delegation limit is included here, this document governs. For items not included here, the Granite Limits of Authority and Granite Limits of Authority Matrix are the governing policies.

### 4. Definitions

- 1. **Employee** A person who is employed by Layne Christensen Company or its wholly-owned subsidiaries, worldwide, either as permanent or temporary, hourly or salaried, in return for financial or other compensation.
- 2. Foreign Government Official ("FGO") A political party candidate or any person acting on behalf of an international (non-US) government or agency, department, instrumentality or other entity of such government (e.g., national, state or local governmental bodies). Also included are

Statement of Policy

Policy <b># FIN-01.007.00</b> Iss	ued By: Granite Treasury	Page: 3 of 11

any employees of businesses or entities owned (in whole or in part), controlled or operated by a government agency. This term shall also mean any person who is employed by a Public International Organization, including but is not limited to, organizations such as the United Nations and World Bank.

3. **Third Party Intermediary ("TPI")** – Any agent, representative, consultant, contractor, distributor, joint venture partner or other third party engaged to act on Layne's behalf with Foreign Government Officials or international government.

### 5. Responsibilities

- 1. **Granite Construction Incorporated Board of Directors** Responsible for reviewing and approving the authority limits for the Chief Executive Officer and Chief Financial Officer, and also delegates to them the authority to set the approval limits to anyone else in the Company (not to exceed their own limits).
- 2. **Treasurer** Responsible for annually identifying and recommending changes, if necessary, to the authority levels within this policy and the implementation and enforcement of this policy.
- 3. **Management Personnel** Responsible for ensuring compliance with this policy in all locations in which Layne operates. Persons who have employees reporting to them should take all necessary steps to ensure their employees know and follow this policy. In connection herewith, all supervisors should periodically consult with their staff members to determine that appropriate procedures for implementation of this policy have been developed and are being followed.

### 6. Procedures

Following is clarification for certain transaction categories included in the Authority Level Matrix.

- Contractual Obligation with Client / Customer: Any formal agreement whereby Layne commits to providing goods or services to a customer or client with the expectation of future compensation. This includes issuing bids, accepting customer purchase orders, and/or entering into contracts with customers.
- Change Order / Contract Addendum: Any addition or modification to a previously agreed upon and approved Contractual Obligation with Client / Customer.
- Capital Expenditure: Per Granite LOA Matrix Section III, requires review of Corporate Equipment VP and approval of CEO (for construction or plant equipment) and GCI Officer (for vehicles)
- Asset Disposal: Per Granite LOA Matrix Section III, requires approval of Layne Group SVP if less than \$5Mil, CFO or Treasurer if greater than \$5Mil.
- Contractual Obligation with Vendor / Supplier: Any obligation to pay (e.g. Master Service Agreement, Statement of Work, supply contract, subcontract, TPI service agreement, purchase order) whereby Layne requisitions goods or services from a vendor for which the Company will be contractually obligated to provide compensation and whereby the goods or services relate directly to a 3rd party customer contract/project for which a bid or estimate has been established. Refer to the Vendor Set-Up and Maintenance Policy for specific procedures on vendor set-up and approval.

Statement of Policy

A GRADITE COMPANY

Policy <b># FIN-01.007.00</b>	Issued By: Granite Treasury	Page: 4 of 11

- **Contractual Obligation with 3rd Party for Indirect Costs:** Any obligations to pay for goods or services that are not directly tied to direct costs for a job or project. This would usually include general and administrative type costs, and examples include office related expenses, consulting services, other professional fees, etc.
- **Customer Credit Limits**: A threshold established for each customer that defines the maximum amount any single customer may owe to Layne at any particular point in time. Credit limits are established based on various factors including our historical experience with the customer, Dunn and Bradstreet rating, etc. Customer credit limits are set by the Granite Treasurer.
- **Corporate Tax Payments (except Payroll):** Payments for local, state or federal income taxes. All are approved by the tax department.
- Expense Reports: Expense reports are for employee reimbursement for company related out of pocket expenses, and should only be utilized if the employee does not have a company P-Card.
- **P&L/Reserve Write-Offs (including impairments, restructuring costs):** All transactions of this type and/or nature should be approved by the Corporate Controller.
- **Non-PO/Non-Contract Invoices**: Any expenses or invoices that have not been obligated and approved under a PO or Contract.
- **Corporate Financing Arrangement:** Includes new borrowings under credit facilities (foreign and domestic) or short/long term debt, and any amendments to those arrangements. Per the Granite LOA, all borrowings must be approved by the CEO, CFO or Treasurer.

More specific information is available in the Authority Level Matrix, Appendix A1.

#### 6.1 Establishing Signing Authority or Lower-Level Authority Limits

The limits of authority set forth in this policy are the maximum limits authorized for the referenced position or area of responsibility. Such limits may at any time be decreased for any individual occupying a position or area of responsibility should it be deemed appropriate.

#### 6.1.1 Creating Ongoing Lower-Level Authority and Approval Limits

Division Presidents and Corporate Senior Vice Presidents are responsible for creating lower-level authority and approval limits for commitments in their divisions or areas of responsibility for job titles not specifically covered by this policy. These lower-level authority limits should not be beyond the limits of their authority as established by the Authority Level Matrix, Appendix A1. These division or area specific authority and approval matrices must be documented and filed centrally with the Layne Division Controller.

Staffing or authority level changes will be documented noting the effective date of the change. Any changes required to the accounting system, or other support system, will follow the established protocol for managing security requests in the respective system.

Statement of Policy

Policy # FIN-01.007.00	Issued By: Granite Treasury	Page: 5 of 11

#### 6.1.2 Establishing and Maintaining Authority Limits

On an annual basis, the Granite Treasurer will be responsible for identifying and recommending changes, if necessary, to the authority limits identified in this policy in coordination with the CFO. Delegations

#### 6.1.3 Delegations

When individuals with signing authority are temporarily unavailable, their signing authority may need to be delegated to ensure the continuation of business decisions and operations.

- 1. The delegation of authority must be assigned to an individual who has an understanding of all related Corporate policies, as well as knowledge of the information or functions to be approved.
- 2. A delegation should be for a specified period of time and should be in writing (via email).

#### 6.2 Combining Transactions

Dividing a commitment, transaction, or expenditure into two or more parts to evade a limit of authority is prohibited and is a violation of this policy. This policy shall be interpreted broadly so that a series of reasonably related transactions and expenditures shall be considered as a single transaction for purposes of determining approval and authority levels required by this policy.

#### 6.3 Transactions Involving Foreign (non-U.S.) Governments & Government-Entities, Foreign Government Officials, or Compliance-Sensitive Accounts

It is the Company's policy to comply with the laws of all jurisdictions, including those relating to antibribery such as the U.S. Foreign Corrupt Practices Act. Transactions between the Company and foreign (non-US) governments and government-owned entities, FGOs, TPIs, and Compliance-Sensitive Accounts (e.g. government hosting, charitable contributions) present additional and significant risks. The approval of commitments and transactions outlined in the Delegation of Authority Policy must always be made according to the Company's FCPA Compliance Policy and Procedures, Anti-Bribery Policy, International Bid and Tender Policy, and any other Company Policy that may apply. Contact the Chief Compliance Officer at Compliance@Layne.com if you have any guestions regarding this provision.

#### 6.4 Documentation

Procedures for specific transaction approvals must be followed as outlined in any other policies that may apply to that transaction. Acceptable supporting documentation most commonly consists of the following:

- Signature(s) and dates on approval documents;
- Electronic approvals as provided by the Company's computerized transaction systems;
- Initials on final contracts or transaction supporting documentation;
- Memorandums;
- E-mail sign-off (when no standardized form exists);
- All documents requiring the Group SVP's authorization must include the sign-off of all employees involved in the approval process; and
- Evidence of pre-approval (when required).

All approvals obtained for any commitment, transaction, or expenditure must be maintained in accordance with the Company's Records Retention Policy.

Policy # FIN-01.007.00	Issued By: Granite Treasury	Page: 6 of 11

#### 6.5 Policy Interpretation

The Granite CFO, Treasurer and Assistant Treasurer are responsible for the interpretation of this policy and ensuring uniform and consistent interpretation across the organization.

#### 7. Reference Documents

- 1. Anti-Bribery Policy
- 2. Code of Business Conduct and Ethics
- 3. FCPA Compliance Policy and Procedures
- 4. Fixed Assets Procedures (Financial Reporting & Accounting Procedures ("FRAP"), Section II)
- 5. International Bid and Tender Policy
- 6. Records Retention Policy
- 7. Vendor Set-Up and Maintenance Policy

### 8. Violation of the Policy

Violation of this policy may lead to discipline, up to and including discharge, subject to federal, state and local laws and/or collective bargaining agreements, where applicable. Refer to the Code of Business Conduct and Ethics for guidance on reporting concerns or violations of this policy.

### 9. Reservation of Rights

The Company reserves the right to modify or terminate this policy. Modifications or updates will be communicated in accordance with the Company's Policy Management Policy.

Appendix A1. - Authority Level Matrix (U.S. Dollars) Appendix A2. - Designation of Authority Form

Statement of Policy

Policy # FIN-01.007.00AP1

Issued By: Granite Treasury

### Appendix A1. - Authority Level Matrix (U.S. Dollars)

- Note 1: Limits designated in the following Authority Level Matrices regarding Contract Obligations with Client/Customer are applicable to contracts with standard terms and conditions and margins of similarly situated contracts. All potential contracts that would include any of the following items require approval of the Layne Group SVP, regardless of contract price:
  - non-standard terms and conditions,
  - non-customary assumed liability to Layne and
  - lower than expected margin for similarly situated contracts.

#### ALL CUSTOMER CONTRACTS WITH TOTAL CONTRACT VALUE ABOVE \$1,000,000 REQUIRES SIGNATURE BY AUTHORIZED OFFICER OF THE CONTRACTING COMPANY, WHICH IS FACILITATED BY RISK MANAGEMENT.

Note 2: All real estate leases above \$250,000 in total commitment value MUST be sent to Corporate Real Estate Services (RES) for review.

Additional Notes:

- Granite Treasurer/Director of Risk Management must review all bids requiring bonds, letters
  of credit and parental guarantees, regardless of size.
- Bids involving unusual financing risks MUST be approved by the Granite CFO.
- Bids involving hazardous materials must be reviewed by the Granite VP of Safety and VP of Environmental Services.
- Prior to execution of a Teaming Agreement, a project must receive the appropriate level as specified in the Granite Large Projects Approval Policy and Procedure.

Management may issue additional guidelines to support this policy.

- Note: Expenditures approved in connection with a budget already approved by the Board of Directors do not require further approval or resubmission to the Board. In such cases the Board delegates to the CEO or CFO all authorizations necessary to effectuate such expenditures or contracts.
- Note: Any contract or expense transaction related to FGOs must also abide by the respective Compliance policies:
  - Any contract agreements with FGOs must comply with the International Bid policy, which requires any contracts to be reviewed by Corporate Compliance
  - o Any expenses or payments related to FGOs must comply with the FCPA policy
