I. EXECUTIVE BRIEF

Motion and Title: Staff recommends motion to approve: the appointment of: Ali Bayat, Deputy Director, Palm Beach County Water Utilities Department, to replace Jim Stiles, Director, Palm Beach County Water Utilities Department as the Palm Beach County representative; and Kenny Rampersad, Director of Finance and Administration as the alternate Palm Beach County representative on the East Central Regional Wastewater Treatment Facilities Operation Board (Operations Board) effective July 20, 2020.

Summary: Palm Beach County is one (1) of five (5) local entities that own capacity in the East Central Regional Water Reclamation Facility (ECR), the largest wastewater treatment plant in the County rated at 70 million gallons per day. The County has the largest ownership interest in the capacity of the plant of approximately 35%. The Operations Board was established in 1992 through an Interlocal Agreement (R92-1228D) between Palm Beach County, the City of West Palm Beach, the City of Lake Worth Beach, the City of Riviera Beach, and the Town of Palm Beach. The Operations Board is responsible for facility budget approval, establishment of rates and fees, engineering and legal consultant selection, the approval of capital projects, and other decisions related to the oversight of the ECR. Countywide (MJ)

Background and Policy Issues: The Operations Board members serve at the pleasure of the entity by whom the board member was appointed. Mr. Stiles served in recent years as an appointee by the Board of County Commissioners. Mr. Stiles' resignation from the Operations Board requires appointment of a replacement voting member, and Mr. Bayat is a knowledgeable and appropriate replacement.
